PROFIT WARNING
FOR THE FULL YEAR ENDED 31 DECEMBER 2015

The Board of Directors (the "Board") of ASTI Holdings Limited (the "Company", together with its subsidiaries, the "Group") deems it appropriate to issue a profit warning with respect to the financial results of the Group for the year ended 31 December 2015 ("FY2015").

Based on the preliminary review of its draft financial results, the Group expects to report a net loss in FY2015 mainly due to impairment losses on certain assets of the Group's entities and lower revenue generated in FY2015 compared to the last financial year. The net loss was also due to on-going losses in certain subsidiaries and the continuing research and development costs incurred for development of semiconductor packaging technologies.

The Company is still in the process of finalising its results for FY2015 and will provide further details of the Group's performance when it releases the financial results on or before 29 February 2016.

Shareholders and investors are advised to exercise caution when dealing in the shares of the Company. Persons who are in doubt as to the action they should take should consult their stockbroker, bank manager, solicitor, accountant or other professional advisers.
