Notification of Unauthorized Access to File Server

Murata Manufacturing Co., Ltd. has confirmed on March 16, 2023, that its data network was illegally accessed by a third party. As the result of an internal investigation, it was determined that some data on a file server may have been accessed during the intrusion.

After confirming the unauthorized access, the company promptly took the necessary measures, including restricting access from outside and blocking intrusion routes, and reporting the incident to the relevant authorities. The company is currently working with a specialist third-party organization to further investigate the leak to determine the extent and potential impact of the unauthorized access.

We deeply apologize for any inconvenience and worry this may have caused to any other parties concerned.
