

ANNOUNCEMENT

New InterCement CFO - Paulo Diniz

InterCement is pleased to announce that from today, Paulo Diniz joins the company as Vice-President of Finance and Investor Relations.

Paulo Diniz, Brazilian and graduate in Production Engineering from the Escola Politécnica of the University of São Paulo, holds an MBA in General Administration from IMD, Switzerland, and extension in the Human Resources area from INSEAD, France.

He began his career in international banks and migrated to executive roles in the financial area of companies like ROCHE, SPRINGER CARRIER, KERAMIK, TELECOM ITALIA, COSAN and BUNGE, holding roles in Canada, USA, France, Switzerland and, more recently, in Brazil, as Chairman of Amyris Brasil, an American synthetic biotechnology company.

Paulo Diniz brings to our company a wealth of leadership experience in the finance area of large and prestigious international companies, a global vision of different business areas and significant international exposure.
