NEWS RELEASE

CSE Global Recognised at The Edge Singapore Billion Dollar Club 2025

Singapore, 11 November 2025 – **CSE Global Limited** ("**CSE Global**" or the "**Group**"), a global systems integrator providing electrification, communications and automation solutions, is pleased to announce that it has been recognised at The Edge Singapore Billion Dollar Club 2025, receiving the *Highest Growth in Profit After Tax Over Three Years* award within the Technology sector under the Centurion Category.

Mr. Lim Boon Kheng, Group Managing Director / Chief Executive Officer of CSE Global, said, "We are honoured to be recognised at The Edge Singapore Billion Dollar Club 2025. This recognition underscores the strength of our business fundamentals and consistent performance, driven by our commitment to operational excellence, disciplined execution and innovation. As we build on this momentum, we remain focused on driving sustainable growth and delivering long-term value to our stakeholders."

The Edge Singapore Billion Dollar Club is among the region's most prestigious accolades, recognising excellence among top-performing companies listed on the Singapore Exchange. The *Highest Growth in Profit After Tax Over Three Years* award is presented to companies that have consistently delivered profit growth throughout the evaluation period, based on the three-year compound annual growth rate of their profit after tax.

Earlier this year, CSE Global was also featured in the Fortune Southeast Asia 500 list and the FT High-Growth Companies Asia-Pacific 2025 by The Financial Times and Statista. Collectively, these accolades reaffirm CSE Global's position as a resilient and forward-looking company in a dynamic global environment.

About CSE Global Limited ("CSE Global")

CSE Global is a leading systems integrator providing electrification, communications, and automation solutions across various industries globally.

At CSE Global, we pride ourselves as a trusted, lifelong partner to our customers who always has their interests at heart. Leveraging our engineering experience, technology and diverse skill sets across our global network, we design and build customised, integrated systems for our clients that solve their problems.

Our integrated systems – from electrification to communications or automation systems – sit at the heart of every infrastructure and are mission-critical in nature. With highly attuned engineering capabilities at our core, we have successfully delivered complex, large-scale projects amidst the most challenging conditions. Our technologies are designed to reduce waste, allow for greener, smarter processes and are built to last.

Listed on the Singapore Exchange since 1999 and with our presence across 15 countries, 61 offices, and more than 2,000 employees across the globe, we enjoy long-standing relationships with a sizeable customer base comprising large government organisations and renowned brands.

Over the years, we have built a workplace culture and management style that is people-centric, supportive and collaborative with employee well-being and people improvement as our key focus. Our passion for our work has resulted in a consistent profit track record for the past three decades, as we continue to pursue operational excellence to achieve sustainable growth and enhanced shareholder returns.

CSE Global – Customer Satisfaction Everytime.
