

Trendlines February 2016 Update

Misgav, Israel – 1 March 2016 – The Trendlines Group Ltd. (“**Trendlines**”) is pleased to provide this update about its recent activities and developments related to its portfolio companies.

Financial Highlights

In February, we announced our unaudited financial results for the year ended 31 December 2015. This was the first financial results announcement for the Group since its initial public offering (“**IPO**”) on Catalist of Singapore Exchange Securities Trading Limited in November 2015. Trendlines reported a 16.2% increase in total income to US\$9.9 million and an 11.7% increase in portfolio value to US\$84.4 million. We reported a net loss for the year of US\$3.6 million after the impact of a non-recurring, non-cash pre-IPO expense of US\$3.8 million. The fair market value of the Group’s investments in portfolio companies was US\$84.4 million as at 31 December 2015, compared to US\$75.6 million as at 31 December 2014. Combining the fair value of investments in companies accounted for under the equity method, the total portfolio value was US\$85.8 million as at 31 December 2015 (US\$77.5 million as at 31 December 2014).

Collaboration Agreement with Japanese Multinational

Trendlines Labs, the in-house innovation centre of Trendlines, signed [a collaboration agreement](#) with a multinational (MNC) headquartered in Japan. Under the agreement, Trendlines and the MNC will work together to identify certain clinical opportunities in agreed fields. The Group’s Trendlines Labs unit will develop innovative medical device products for manufacture and marketing by the Japanese MNC.

Portfolio Company Saturas Ltd. completes US\$ 1 million raise
