*Subj. : **Response to the Request for Explanation Regarding Forest and Land Fires***

To:
PT Bursa Efek Indonesia
Indonesia Stock Exchange Building, Tower I
Jl. Jend. Sudirman Kav. 52–53 Jakarta 12190

Attention: Mr. Teuku Fahmi Ariandar – Head of Company Assessment Division 1

Dear Sir,

*With reference to the letter issued by PT Bursa Efek Indonesia (the "**IDX**") No. S-13039/BEI.PP1/10-2026 regarding the Request for Explanation concerning Forest and Land Fires (the "**IDX's Letter**"), PT Austindo Nusantara Jaya Tbk (the "**Company**") hereby submits its responses to the IDX's Letter as follows:*

1. ***Operational Areas and Contributions to the Company's Production and Revenue***
   *In response to the IDX's request for explanation regarding forest and land fires ("**Karhutla**"), the Company provides information on the operational areas, concessions, or assets of the Company and/or its subsidiaries that are exposed to forest and land fire risks in Indonesia, as follows:*

   a. North Sumatra Province:
      - *North Padang Lawas Regency: PT Austindo Nusantara Jaya Agri;*
      - *South Tapanuli Regency: PT Austindo Nusantara Jaya Agri Siais.*
   b. Bangka Belitung Islands Province:
      - *East Belitung Regency: PT Sahabat Mewah dan Makmur.*
   c. West Kalimantan Province:
      - *Ketapang Regency: PT Kayung Agro Lestari.*
   d. Southwest Papua Province:

- Kabupaten Sorong Selatan: PT ANJ Agri Papua

Berdasarkan data Perseroan untuk periode yang berakhir pada 30 Juni 2026, wilayah operasional tersebut memberikan kontribusi signifikan terhadap produksi dan pendapatan konsolidasian Perseroan.

2. **Dampak Karhutla terhadap operasional, target produksi 2026, kinerja keuangan, nilai aset, dan *unplanned shutdown***
Sehubungan dengan kejadian Karhutla di wilayah Kalimantan Barat, kegiatan operasional entitas anak Perseroan di wilayah tersebut hingga tanggal penyampaian tanggapan ini tetap berlangsung dengan memperhatikan aspek keselamatan dan kesehatan kerja (K3) bagi seluruh pekerja serta kondisi di lapangan.

   Dalam menghadapi kondisi tersebut, entitas anak Perseroan telah melakukan langkah-langkah pencegahan dan penanggulangan kebakaran serta upaya perlindungan terhadap keselamatan pekerja. Kejadian Karhutla tersebut tidak memberikan dampak yang signifikan terhadap pencapaian target produksi Perseroan pada tahun 2026, serta tidak menimbulkan dampak terhadap pendapatan, laba, maupun nilai aset Perseroan secara konsolidasian.

   Hingga tanggal penyampaian tanggapan ini, berdasarkan informasi dari unit operasional terkait, tidak terdapat penghentian kegiatan operasional yang tidak direncanakan (*unplanned shutdown*) akibat kejadian Karhutla tersebut.

3. **Strategi mitigasi jangka pendek dan jangka panjang**
Perseroan senantiasa berkomitmen untuk menerapkan kebijakan tanpa pembakaran (*Zero Burning Policy*) dalam kegiatan operasionalnya, sebagaimana diuraikan dalam Kebijakan Pencegahan dan Pengelolaan Kebakaran Perseroan, serta melakukan langkah-langkah pencegahan dan penanggulangan Karhutla secara berkelanjutan.

- *South Sorong Regency: PT ANJ Agri Papua*

Based on the Company's data for the period ended 30 June 2026, the aforementioned operational areas contributed significantly to the Company's consolidated production and revenue.

2. ***Impact of Forest and Land Fires on Operations, 2026 Production Targets, Financial Performance, Asset Values, and Unplanned Shutdowns***
In connection with the forest and land fire incidents in West Kalimantan, the operations of the Company's subsidiary in the affected area have continued as of the date of this response, with due consideration given to occupational health and safety (OHS) for all employees and the prevailing conditions on the ground.

   In response to these circumstances, the Company's subsidiary has implemented fire prevention and suppression measures, as well as measures to safeguard the health and safety of its employees. The forest and land fire incidents have not had a significant impact on the achievement of the Company's 2026 production targets, nor have they adversely affected the Company's consolidated revenue, profit, or asset values.

   As of the date of this response, based on information from the relevant operational unit, there have been no unplanned shutdowns resulting from the forest and land fire incidents.

3. ***Short-Term and Long-Term Mitigation Strategies***
The Company remains committed to implementing its Zero Burning Policy throughout its operations, as outlined in the Company's Fire Prevention and Management Policy, and to undertaking ongoing measures to prevent and respond to forest and land fires.

Sebagai bagian dari upaya mitigasi, Perseroan menerapkan langkah-langkah pencegahan dan penanggulangan Karhutla, antara lain melalui pemantauan titik panas (*hotspot monitoring*), patroli rutin, pemeliharaan sekat bakar, penyediaan sarana dan prasarana pemadaman kebakaran, serta kesiapsiagaan tim tanggap darurat di wilayah operasional.

Selain itu, Perseroan melakukan koordinasi dan kerja sama dengan instansi pemerintah, pihak berwenang, serta masyarakat sekitar dalam rangka meningkatkan efektivitas upaya pencegahan dan penanggulangan Karhutla. Perseroan akan terus melakukan evaluasi dan penguatan sistem pengelolaan risiko kebakaran secara berkala sebagai bagian dari komitmen terhadap keberlanjutan kegiatan usaha dan perlindungan lingkungan.

4. Proses hukum dan/atau sanksi administratif terkait karhutla

Sehubungan dengan kejadian Karhutla di wilayah Kalimantan Barat, entitas anak Perseroan yang berada di wilayah tersebut saat ini terus melakukan langkah-langkah penanganan dan pemantauan, termasuk berkoordinasi dan bekerja sama dengan instansi pemerintah serta pihak berwenang terkait. Hingga tanggal penyampaian tanggapan ini, tidak terdapat titik panas (*hotspot*) yang terdeteksi di wilayah operasional entitas anak Perseroan tersebut. Meskipun demikian, entitas anak Perseroan tetap melakukan pemantauan secara berkala dan menjaga kesiapsiagaan guna mengantisipasi potensi terjadinya kebakaran.

Sampai dengan tanggal penyampaian tanggapan ini, belum terdapat sanksi administratif yang dikenakan kepada Perseroan maupun entitas anaknya terkait kejadian Karhutla tersebut. Perseroan akan terus mengikuti perkembangan proses tersebut serta mengambil langkah-langkah yang diperlukan sesuai dengan ketentuan peraturan perundang-undangan yang berlaku.

As part of its mitigation efforts, the Company implements various fire prevention and suppression measures, including hotspot monitoring, routine patrols, maintenance of firebreaks, provision of firefighting facilities and equipment, and ensuring the preparedness of emergency response teams across its operational areas.

In addition, the Company coordinates and cooperates with government agencies, relevant authorities, and surrounding communities to enhance the effectiveness of forest and land fire prevention and suppression efforts. The Company will continue to periodically evaluate and strengthen its fire risk management systems as part of its commitment to sustainable business operations and environmental protection.

4. Legal Proceedings and/or Administrative Sanctions Related to Forest and Land Fires

In connection with the forest and land fire incidents in West Kalimantan, the Company's subsidiary operating in the area continues to undertake response and monitoring measures, including coordinating and cooperating with relevant government agencies and authorities. As of the date of this response, no hotspots have been detected within the operational area of the said subsidiary. Nevertheless, the Company's subsidiary continues to conduct regular monitoring and maintain its preparedness to anticipate potential fire incidents.

As of the date of this response, no administrative sanctions have been imposed on the Company or its subsidiaries in relation to these forest and land fire incidents. The Company will continue to monitor developments and take any necessary measures in accordance with the prevailing laws and regulations.
