"Except in the case of an issue made on a pro rata basis to shareholders or a scheme referred to in Part VIII of this Chapter, no director of an issuer, or associate of the director, may participate directly or indirectly in an issue of equity securities or convertible securities unless shareholders in general meeting have approved the specific allotment. Such directors and associates must abstain from exercising any voting rights on the matter. The notice of meeting must state:

- (1) *the number of securities to be allotted to each director and associate;*

- (2) *the precise terms of the issue; and*
- (3) *that such directors and associates will abstain from exercising any voting rights on the resolution.”*

3.3.2 Rule 805 of the Catalist Rules further provides, *inter alia*, that:

“Except as provided in Rule 806, an issuer must obtain the prior approval of shareholders in general meeting for the following:

- (1) *The issue of shares or convertible securities or the grant of options carrying rights to subscribe for shares of the issuer”.*

3.3.3 Rule 812 of the Catalist Rules further provides, *inter alia*, that:

- (d) *corporations in whose shares the issuer's directors and substantial shareholders have an aggregate interest of at least 10%; or*
- (e) *any person who, in the opinion of the Exchange, falls within category (a) to (d).*

(2) Rule 812(1) will not apply if specific shareholder approval for such a placement has been obtained. The person, and its associates, must abstain from voting on the resolution approving the placement.”

3.3.4 As the Company will not be relying on its existing General Mandate, specific approval from Shareholders is required pursuant to Rule 805(1) of the Catalist Rules for the Proposed Placement.

3.3.5 As Mr Liang is a controlling Shareholder, as well as the Executive Chairman and Chief Executive Officer of the Company, he falls within the restricted list of persons as set out in Rule 812(1) of the Catalist Rules. In accordance with Rules 804 and 812(2) of the Catalist Rules, specific approval from Shareholders is required for the issue and allotment of any Placement Shares to Mr Liang pursuant to the Proposed Placement. Mr Liang and his associates must also abstain from voting on the resolution approving the Proposed Placement.

Ltd. pursuant to the Proposed Placement. PTS Capital Pte. Ltd., and Ms Yu Lei as well as their associates must also abstain from voting on the resolution approving the Proposed Placement.
- 3.4 The audit committee of the Company comprising the Independent Directors, namely Mr Ng Poh Khoo, Mr Xue Congyan and Mr Lawrence Chen Tse Chau (Chen Shichao) (all of whom are considered independent for the purposes of considering the Proposed Placement), having considered, amongst others, (i) the rationale for and the terms of the Proposed Placement, and (ii) the Issue Price being at not more than a 10% discount to the weighted average price for trades done on the Exchange for the full market day on which the placement or subscription agreement is signed, which is generally in line with the discount for precedent placements of shares conducted by other listed companies in Singapore, is of the view that each of the proposed placement of Subscription Shares to Mr Liang and Ms Duanmu (being interested persons) respectively is on normal commercial terms, and is not prejudicial to the interests of the Company and its minority shareholders.
