OPERATING FINANCIAL REVIEW

COMPREHENSIVE INCOME

Revenue

Revenue decreased by S\$9.58 million or 18.0% to S\$43.64 million, compared to S\$53.22 million in FY2025. Although the number of projects completed were higher compared to the previous financial year, we had secured fewer high-value projects during the year. Meanwhile, there was a gain on financial assets at FVPL of S\$0.18 million in FY2026 as compared to loss on financial assets at FVPL of S\$2.15 million in FY2025.

Cost of sales

Cost of sales decreased by S\$15.14 million or 26.5% to S\$42.06 million, compared to S\$57.19 million in FY2025. This decrease was mainly due to lower show fees and concert and event hosting expenses, offset by a rise in operational costs, partially driven by global inflationary trends.

Gross profit/(loss)

In FY2026, our Group recorded a gross profit of S\$1.58 million, compared to gross loss of S\$3.97 million in FY2025. This improvement in FY2026 was mainly due to gain on financial assets at FVPL, lower show fees and lower concert and event hosting expenses as mentioned earlier.

Other income

Total other income increased by S\$0.06 million or 25.8% to S\$0.30 million, compared to S\$0.24 million in FY2025. This was mainly due to interest income earned from other investment, at amortised costs, offset by lower proceeds from the sale of miscellaneous project assets used in shows and events, compared to the previous financial year.

Other losses - net

Total other losses decreased by S\$6.70 million or 50.9% to S\$6.45 million, compared to S\$13.15 million in FY2025. These losses consist of impairment losses on property, plant and equipment and intangible assets, together with provision of loss allowance (i.e. ECL) on trade and other receivables. Impairment losses on intangible assets and property, plant and equipment were recognised, as these assets are no longer expected to generate the previously anticipated level of economic benefits.

Administrative expenses

Administrative expenses decreased by S\$1.05 million or 17.3% to S\$5.05 million, compared to S\$6.10 million in FY2025. This decrease was mainly due to decrease in employee expenses, rental expenses, professional fees and amortisation of intangible assets.

Finance expenses

Finance expenses decreased by S\$0.08 million or 54.5% to S\$0.07 million, compared to S\$0.15 million in FY2025. These decreases were mainly due to overall lower bank borrowings during the year.

Share of loss of associated companies

Our Group's share of loss was solely attributable to its joint venture group comprising Isotope Productions Pte. Ltd. and its wholly owned subsidiary, White Mount International Pte. Ltd..

Income tax credit

Our Group had income tax credit of S\$0.58 million in FY2026, compared to S\$0.62 million in FY2025.

OPERATING FINANCIAL REVIEW

Loss after tax

Overall, our Group recorded a loss after tax of S\$9.10 million in FY2026, compared to S\$22.52 million in FY2025.

FINANCIAL POSITION

Current assets

Current assets increased by S\$0.40 million or 1.9% from S\$20.65 million as at 31 March 2025 to S\$21.05 million as at 31 March 2026. This was mainly due to:

- (a) Trade and other receivables decreased by S\$0.21 million or 5.8% from S\$3.60 million as at 31 March 2025 to S\$3.39 million as at 31 March 2026, which comprised:
 - Trade receivables decreased by S\$0.18 million, mainly due to collections received, additional provision of loss allowance, offset by invoices issued for events held near the financial year end.
 - Other receivables decreased by S\$0.41 million, mainly due to collections received.
 - Deposit increased by S\$0.41 million, due to event-related deposits for events held near the financial year end.
- (b) Other current assets decreased by S\$4.16 million or 84.4% from S\$4.93 million as at 31 March 2025 to S\$0.77 million as at 31 March 2026, mainly due to prepaid costs that were charged out as completed event expenses during the financial year and partially offset by prepaid costs for upcoming events.
- (c) Financial assets, at FVPL increased by S\$0.49 million or 36.7% from S\$1.34 million as at 31 March 2025 to S\$1.83 million as at 31 March 2026, mainly due to additional investments and change in fair value (net), offset by the settlement and reclassification to trade receivables.
- (d) Other investment, at amortised cost increased by S\$7.48 million, mainly due to investment made near the financial year end.

Non-current assets

The non-current assets decreased by S\$8.43 million or 50.1% from S\$16.82 million as at 31 March 2025 to S\$8.39 million as at 31 March 2026. This was mainly due to:

- (a) Property, plant and equipment decreased by S\$2.60 million or 26.4% from S\$9.85 million as at 31 March 2025 to S\$7.25 million as at 31 March 2026, mainly due to impairment loss recognised and depreciation charges, offset by acquisition of additional property, plant and equipment.
- (b) Intangible assets decreased by S\$5.82 million or 92.8% from S\$6.27 million as at 31 March 2025 to S\$0.45 million as at 31 March 2026, due to amortisation charges and impairment loss.

Current liabilities

Current liabilities increased by S\$1.67 million or 18.5% from S\$9.06 million as at 31 March 2025 to S\$10.73 million as at 31 March 2026. This was mainly due to:

- (a) Trade and other payables decreased by S\$0.72 million or 9.8%, from S\$7.33 million as at 31 March 2025 to S\$6.61 million as at 31 March 2026, which comprised:
 - Trade payables increased by S\$0.25 million, mainly due to lower payments made to suppliers and invoices were received near the financial year end.
 - Other payables increased by S\$0.41 million, mainly due to lower payments made to related and non-related parties, offset by higher payments made to associated companies.
 - Contract liabilities increased by S\$0.33 million, mainly due to advance receipts from the upcoming events for which the performance obligations are yet to be fulfilled and recognised as revenue by our Group.
 - Deposit received decreased by S\$1.55 million, mainly due to refunds of deposit.
 - Accrual for operating expenses decreased by S\$0.16 million, mainly due to reversal of accrual upon receipt of invoices.
- (b) Borrowings increased by S\$2.39 million, mainly due to increase in bank borrowings and lease liabilities.

OPERATING FINANCIAL REVIEW

Non-current liabilities

The non-current liabilities decreased by S\$0.18 or 44.3% from S\$0.42 million as at 31 March 2025 to S\$0.24 million as at 31 March 2026. This was mainly due to:

- (a) Borrowings increased by S\$0.09 million, mainly due to the increase in lease liabilities.
- (b) Deferred income tax liabilities decreased by S\$0.28 million, mainly due to movement in the net book value of property, plant and equipment and unutilised losses.

CASH POSITION

As at 31 March 2026, our Group's cash and cash equivalents amounted to S\$6.47 million, compared to S\$9.51 million as at 31 March 2025.

Overall, our Group's cash and cash equivalents fell by S\$3.04 million from S\$9.51 million as at 31 March 2025 to S\$6.47 million as at 31 March 2026. This change was mainly due to:

Net cash (used in)/generated from operating activities

In FY2026, net cash used in operating activities amounted to S\$1.28 million, which arose from net loss of S\$9.10 million adjusted for non-cash items, offset with positive working capital movements.

Net cash used in investing activities

In FY2026, net cash used in investing activities amounted to S\$3.35 million, mainly due to investment in financial assets, at amortised cost and acquisition of additional property, plant and equipment, offset with proceed from disposal of property, plant and equipment.

Net cash generated from/(used in) financing activities

In FY2026, net cash generated from financing activities amounted to S\$1.55 million, mainly due to proceeds from bank borrowings, offset with purchase of treasury shares, repayment of lease liabilities and bank borrowings and interest expenses paid.

CHAIRMAN'S STATEMENT

DEAR SHAREHOLDERS,

On behalf of the Board of Directors of the Company (the “**Board**”), I am pleased to present the Chairman’s Statement for UnUsUaL Limited for the financial year ended 31 March 2026.

During the year, the Group continued to operate in a competitive live entertainment environment. Management focused on disciplined execution, operational efficiency, and quality event experiences. The Board is encouraged by the Group’s resilience across concert promotion, event production, and related services.

The Group delivered notable events in Singapore, Malaysia, and Australia. These included high-profile live entertainment offerings, concert-related activities, and event formats that demonstrated our ability to reach a wide range of audiences and partners.

The Board remains committed to supporting management, strengthening our foundations, and pursuing opportunities that align with our long-term interests. We will continue to emphasise good governance, transparency, and compliance.

On behalf of the Board, I thank our employees for their dedication, and our shareholders, partners, and stakeholders for their continued support.

MELVIN ANG WEE CHYE
Non-Executive Chairman and
Non-Independent Director

CEO'S STATEMENT

DEAR SHAREHOLDERS,

The year presented many challenges to our business fundamentals that necessitated unprecedented decisions to position UnUsUaL for the future.

In summary, the Group generated revenue of S\$43.6 million during the year, a S\$9.58 million or 18.0% decrease as compared to revenue of S\$53.22 million in the previous year. The decrease in revenue was mainly due to fewer high-value projects which, compounded with cost pressures, resulted in a net loss of S\$9.10 million. This outcome arose against the backdrop of intense competitive pressures and, as previously mentioned, reflects deliberate strategic decisions taken to reposition the business for long-term growth sustainability.

We took decisive steps to reshape our portfolio by streamlining underperforming initiatives and redirecting resources toward higher-potential segments. The impairments recorded during the year were necessary and reflected a forward-looking reassessment of asset values amid evolving market dynamics.

Despite these pressures, we remained focused and resilient, successfully delivering a series of concerts featuring artistes and groups such as Doh Kyung Soo, Super Junior, Michael Learns to Rock (MLTR) and

ATEEZ. We also recently announced that will be bringing back all-time favourites like Westlife. Apart from this, we ventured into a new audience segment with Jack Neo's inaugural Talk Show 2026 in Singapore, a project that demonstrates our strategic pivot toward content diversification.

Looking ahead, the live entertainment landscape remains vibrant and filled with new opportunities for us to curate our project pipeline. Despite the challenges faced over the past year, we are confident in our ability to regain our footing and move ahead in the upcoming year, and we will make the necessary announcements when we are ready.

I would like to take this opportunity to thank our shareholders, partners, and team for your continued support and trust. I want to assure you that we are committed in our mission to regain our rightful share in our business domain.

CORPORATE GOVERNANCE REPORT

The Board of Directors (the “**Board**”) and the Management (the “**Management**”) of UnUsUaL Limited (the “**Company**”) and together with its subsidiary corporations, (the “**Group**”), are committed to achieving high standards of corporate governance to ensure investor confidence in the Group as a trusted business enterprise. The Board and the Management of the Company continue to uphold good corporate governance practices to enhance the long-term sustainability of the Group’s business, performance and shareholders’ interest.

This Report describes the Group’s corporate governance structures and practices adopted by the Group for the financial year ended 31 March 2026 (“**FY2026**”), with specific reference made to the principles and provisions of the Code of Corporate Governance 2018 (last amended 11 January 2023) (the “**Code**”) and accompanying Practice Guidance, which forms part of the continuing obligations of the Singapore Exchange Securities Trading Limited (“**SGX-ST**”) Listing Manual Section B: Rules of Catalyst (the “**Catalist Rules**”).

The Board believes that it has substantially complied with the principles and guidelines as set out in the Code where appropriate. Appropriate explanations have been provided in the relevant sections below where there are deviations from the Code.

- A. **BOARD MATTERS**
- B. **REMUNERATION MATTERS**
- C. **ACCOUNTABILITY AND AUDIT**
- D. **SHAREHOLDER RIGHTS AND ENGAGEMENT**
- E. **MANAGING STAKEHOLDERS RELATIONSHIP**

A. **BOARD MATTERS**

The Board’s Conduct of its Affairs

Principle 1: The company is headed by an effective Board which is collectively responsible and works with Management for the long-term success of the company.

Provision 1.1 - Duties of the Board

The Board assumes responsibility for stewardship of the Company and the Group, and is primarily responsible for the protection and enhancement of long-term value and returns for the shareholders. It has oversight responsibility over the management of the business and affairs of the Group. The Board also sets the tone for the Group where ethics and values are concerned.

The Company is headed by an effective Board which comprises six Directors (the “**Directors**”) of whom the Chairman is a Non-Executive Chairman and Non-Independent Director, two Executive Directors, and three Independent Directors. Together, the Directors command a vast array of experiences, business entrepreneurship, music and entertainment, media, and financial investment experience that collectively contribute to the success of the Group. The Board oversees the business activities, and management’s performance, formulates strategic direction, basically responsible for the protection and enhancement of long-term value and returns for shareholders.

Besides its statutory responsibilities, the Board also:

1. provides entrepreneurial leadership and guidance on the overall strategic direction, oversees the proper conduct of the business, performance and affairs of the Group and ensures that the necessary financial, human and operational resources are in place for the Group to meet its objectives;

CORPORATE GOVERNANCE REPORT

2. sets objective performance criteria to evaluate itself, fellow directors and each of the committees of its performance and succession planning process;
3. reviews the adequacy and effectiveness of the Group's risk management and internal controls framework including financial, operational, compliance and information technology controls and establishes risk appetite and parameters to safeguard shareholders' interests and the Group's assets;
4. reviews and approves key operational and business initiatives, major funding proposals and other corporate actions, significant investment and divestment proposals, including determining the Group's operating and financial performance, the Group's annual budgets and capital expenditure, release of the Group's half-year and full-year financial results and other strategic initiatives proposed by Management;
5. approves all Board appointments/re-appointments and appointment of Chief Executive Officer and other persons having authority and responsibility for planning, directing and controlling the activities of the Company ("**Key Management Personnel**" or "**KMP**"), evaluates their performance and reviews their remuneration packages;
6. establishes goals and priorities for Management and reviews Management's performance by monitoring the achievement of these goals;
7. approves the nominations for the Board by the Nominating Committee;
8. reviews recommendations made by the Audit Committee ("**AC**") on the appointment, re-appointment or removal of Financial Controller ("**FC**"), independent auditor and internal auditor;
9. reviews recommendations made by the Remuneration Committee and approves the remuneration packages for the Board and KMP;
10. identifies the key stakeholder groups and recognises their perceptions that affect the Company's reputation;
11. sets the Company's values and standards (including ethical standards), and ensures that obligations to shareholders and other stakeholders are understood and met; and
12. considers sustainability issues, e.g. environmental and social factors, as part of its strategic formulation.

Independent Judgement

All Directors exercise due diligence and independent judgment in dealing with the business affairs of the Group and are obliged to act in good faith and to take objective decisions in the interest of the Group. The Directors have the appropriate core competencies and diversity of experience that enable them to contribute effectively. They are able to objectively raise issues and seek clarification as and when necessary from the Board and the Management on matters relating to their area of responsibilities and actively help the Management in the development of strategic proposals and oversee the effective implementation by the Management to achieve the objectives set. The Board puts in place a code of conduct and ethics, set an appropriate tone-from-the-top and desired organisation culture and ensures proper accountability within the Company.

CORPORATE GOVERNANCE REPORT

Conflict of Interest

Every Director of the Company is required to disclose any conflict or potential conflict of interest, whether direct or indirect, in relation to a transaction or proposed transaction within the Group as soon as practicable after the relevant facts have come to his or her knowledge. On an annual basis, each Director is also required to submit details of his or her associates for the purpose of monitoring interested person transactions. When there is conflict or potential conflict of interest, the concerned Directors shall, abstain from voting, and recuse themselves from discussion or decision-making involving the issue of conflict and related matters.

Provision 1.2 - Directors' Orientation and Training

All newly-appointed Directors attend an orientation programme to familiarise themselves with the Group's business, operations and governance practices. The Board has the opportunity to visit/participate in concerts and/or events hosted by the Company and meet with the staff to gain a better understanding of the Group's business operations. In addition, Directors are provided with the contact numbers and email addresses of key executives, the Company Secretary and Auditors to facilitate efficient and direct access of information to make informed decision to properly discharge their duties and responsibilities. A formal letter of appointment would be furnished to every newly-appointed Director upon their appointment explaining, among other matters, their roles, obligations, duties and responsibilities as member of the Board. There was no new Director appointed during the relevant financial year.

To keep pace with a fast-changing regulatory environment, the Board is kept informed of any relevant changes to legislation and regulatory requirements. New releases issued by the SGX-ST and Accounting and Corporate Regulatory Authority ("ACRA") which are relevant to the Directors are also circulated to the Board. The Company Secretary and/or her representatives inform the Directors of upcoming conferences and seminars relevant to their roles as Directors of the Company as well as the key amendments and impact of the Code and Catalist Rules. The Independent Auditor would update the Audit Committee and the Board on new and revised financial reporting standards annually.

The Directors and Management also attend courses to keep abreast of changes in the law and governance matters that may affect the Group. The Board values ongoing professional development and recognises the importance of all Directors receiving regular training so as to be able to serve effectively and contribute to the Board.

As at the date of this report, all Directors of the Company have attended and completed the sustainability training courses conducted by providers that represent different constituencies in the capital markets as prescribed by the SGX-ST under Practice Note 4D of the Catalist Rules.

The Board as a whole is updated regularly on risk management, corporate governance, insider trading (if any) and key changes to the relevant regulatory requirements and financial standards, so as to enable them to properly discharge their duties as Board or Board Committee members. Our Independent Directors are engaged full time in their respective professions, that also keep them updated in their fields of knowledge.

In FY2026, the independent auditor, Messrs CLA Global TS Public Accounting Corporation ("CLA Global TS") briefed the AC and Board on the developments in financial reporting standards.

Provision 1.3 - Board Approval

The Group has adopted internal guidelines on governing matters that require the Board's approval which has been clearly communicated to the Management.

The Board approves transactions exceeding certain threshold limits, while delegating authority for transactions below those prescribed limits to Board Committees and specific members of the key management via a structured Delegation of Authority matrix, which is reviewed on a regular basis and accordingly revised when necessary.

CORPORATE GOVERNANCE REPORT

The matters require Board's approval include:

- annual budget, corporate strategies and business plans;
- material and/or significant acquisition and disposal of assets/investments;
- corporate/financial restructurings;
- incorporation and dissolution of subsidiaries and/or associates entities;
- any non-ordinary business agreement, e.g. joint venture agreement, investment, guarantee, banking facilities, profit sharing agreement;
- financing activities;
- issuance of shares, declaration of dividend and other returns to shareholders;
- risk appetite and risk tolerance for different categories of risk;
- nomination of Directors and Key Management Personnel;
- matters as specified under the SGX-ST's interested person transaction policy;
- announcement of the Group's financial results and the release of the Annual Reports; and
- any other matters as prescribed under the relevant legislations and regulations, as well as the provisions of the Company's Constitution.

While matters relating in particular to the Company's objectives, strategies and policies require the Board's direction and approval, Management is responsible for the day-to-day operation and administration of the Company in accordance with the objectives, strategies and policies set by the Board.

Provision 1.4 - Delegation by the Board to Board Committees

To assist in the execution of its responsibilities, the Board had established three Board Committees consisting of the AC, the Nominating Committee ("NC") and Remuneration Committee ("RC") (collectively "**Board Committees**") and delegate specific areas of responsibilities to these Board Committees. Each of the Board Committee functions within written terms of reference ("**TOR**"), which have been approved by the Board. As at the date of this report, the composition of the Board Committees is tabulated below:

Directors	AC	NC	RC
Ang Wee Chye (" Melvin Ang ")	–	–	–
Ong Chin Soon (" Leslie Ong ")	–	Member	–
Ong Chin Leong (" Johnny Ong ")	–	–	–
Tan Wee Peng Kelvin (" Kelvin Tan ")	Chairman	Member	Member
Tang Tung Kin (" Michael Tang ")	Member	Chairman	Member
Tan Yew Chee William (" William Tan ")	Member	–	Chairman

CORPORATE GOVERNANCE REPORT

The Board Committees have the delegated power to deliberate any issue that arises in their specific areas of responsibilities within their respective TOR and report to the Board with their decisions and/or recommendations. The ultimate responsibility and authority for the decisions and actions on all matters rests with the Board. Each Board Committee's activities and roles are elaborated further in Provisions 4.1, 6.1 and 10.1.

Provision 1.5 - Board Meetings and Attendance

Provision 1.6 - Access of Information

The Board and Board Committees meet regularly and whenever necessary to discharge their duties. When required, the Board also sets aside time at scheduled meetings to meet without the presence of Management. An annual schedule of Board and Board Committees meeting dates is set by the Directors in advance.

Ad-hoc meetings are convened when required to address any significant issues that may arise in-between scheduled meetings. Where physical meetings are not possible, timely communication with members of the Board and Board Committees is achieved through electronic means and circulation of written resolutions for approval by the Board or relevant Board Committees. The Company's Constitution ("**Constitution**") provides the flexibility for the Directors to conduct meetings via telephone conference calls or video conference or other methods of simultaneous communication.

All draft agendas for meetings are reviewed by the Chairman of the Board and the Chairman of the respective Board Committees. Meeting materials are forwarded to the Directors prior to the meeting for their review and perusal. Members of Management are invited to attend the meetings to present information and/or render clarification when required. However, sensitive matters may be tabled or discussed at board meetings without any board papers distributed. Board and Board Committees papers are provided electronically and can be accessed via tablet devices.

Presentations are also made by senior executives on performance of the Group's business and business strategies at these meetings. This allows the Board to have a good understanding of the Group's operations and be actively engaged in robust discussions with the Group's senior executives.

Directors are entitled to request for further explanation, briefings or discussions on any aspect of the Group's operations or business from Management. As and when required, board members meet to exchange views outside the formal settings of board meetings. The number of meetings held by the Board and Board Committees and attendance records taken during FY2026 are as follows:

Name of Director	Board Meeting		NC Meeting		RC Meeting		AC Meeting		Annual General Meeting

Provision 1.7 - Independent Access to Management and Company Secretary

The Board has a separate and independent access to the Management as well as the Company Secretary where required, to obtain additional information to facilitate informed decision-making. Information provided includes background or explanatory materials related to matters to be reviewed and matters under review by the Board, copies of disclosure documents, budgets, forecasts and internal financial statements. Any material variance between the projections and actual results in respect of budgets, is also disclosed and explained.

Minutes of the Board and Board Committee meetings which provide a fair and accurate record of the discussions and key deliberations and decisions taken during the meetings, are circulated and made available to the Board and Board Committees so that Directors are aware of and kept updated as to the proceedings and matters discussed during such meetings.

The Company Secretary and/or her representatives attend the Board and Board Committees meetings and are responsible for ensuring that board procedures are observed and that applicable rules and regulations are complied. The Company Secretary and/or her representatives also periodically update the Board on relevant regulatory changes affecting the Company. The appointment and removal of the Company Secretary is a matter for the Board as a whole.

Access to independent professional advice at the Company's expense

The Company has in place the procedure to enable the Directors, whether as a group or individual, to obtain independent professional advice at the Company's expense as and when necessary in furtherance of their duties. Independent advisors include legal, financial, tax, board compensation and merger & acquisition functions. The appointment of such professional advisor is subject to approval by the Board.

Principle 2: The board has an appropriate level of independence and diversity of thought and background in its composition to enable it to make decisions in the best interests of the company.

Board Composition and Guidance

Provision 2.1 - Board Independence

Provisions 2.2 and 2.3 - Proportion of Non-Executive and Independent Directors

Provision 2.4 - Board Composition & Diversity

Provision 2.5 - Meetings of Non-Executive Directors and Independent Directors

The Board comprises six Directors, three of whom are independent and non-executive Directors (the “**Independent and Non-Executive Directors**”), one Non-Executive and Non-Independent Director and two Executive Directors. Majority of the Board is made up of Non-Executive Directors which is in compliance with Provision 2.3 of the Code. The Chairman is not independent and although the Independent Directors of the Company do not make up a majority of the Board pursuant to Provision 2.2 of the Code, the Board and the NC are satisfied that the Board has substantial independent elements to ensure that objective judgment is exercised on corporate affair. In addition, the Board has put in place a Lead Independent Director, who is available to shareholders where they have concerns. The NC will continue to review the board composition and size as and when the circumstances arise and make appropriate recommendations to the Board. There is no individual or small group of individuals that dominate the Board's decision-making process. Matters requiring the Board's approval are discussed and deliberated with participation from each member of the Board and all major decisions are made collectively.

CORPORATE GOVERNANCE REPORT

As at the date of this report, the composition of the Board is as follows:

Melvin Ang	(Chairman, Non-Executive and Non-Independent Director)
Leslie Ong	(Executive Director and Chief Executive Officer)
Johnny Ong	(Executive Director and Chief Operating Officer)
Kelvin Tan	(Lead Independent and Non-Executive Director)
Michael Tang	(Independent and Non-Executive Director)
William Tan	(Independent and Non-Executive Director)

The NC reviews annually the independence of each Director taking into account the existence relationships or circumstances, including those provided in the Code. Each Independent and Non-Executive Director is required to complete a Confirmation of Independence form drawn up based on Principal 2 of the Code for the NC review and recommendation to the Board. None of the Independent and Non-Executive Directors and their immediate family member are a substantial shareholder of or partner in or an executive officer of or a Director of, any organisation to which the Company or any of its subsidiaries made, or from which the Company or any of its subsidiaries received, significant payments or material services aggregated over any financial year in excess of S\$50,000 (to an individual) or S\$200,000 (to a firm), which may include auditing, banking, consulting and legal services, in the current or immediate past financial year. To-date, none of the Independent and Non-Executive Directors of the Company has been appointed as Director of the Company's principal subsidiaries, which is based in Singapore and overseas.

Taking into consideration the foregoing, (i) the NC has assessed and is satisfied that all the three (3) Independent and Non-Executive Directors are independent; and (ii) the Board, based on the review conducted by the NC, the NC has determined that Kelvin Tan, Michael Tang and William Tan, to be independent. Each of these Directors has also confirmed their independence.

The Board concurred with the views of the NC. Each of the Independent Director abstained from the deliberation of his own independence.

The Company recognises that Independent Directors may over time develop significant insights into the Group's business and operations, and can continue to provide noteworthy and valuable contribution objectively to the Board as a whole. The independence of the Independent Directors must be based on the substance of their professionalism, integrity and objectivity, and not merely based on the number of years that they have served on the Board.

The dates of appointment and last re-election of each Director are set out below:

Name of Director	Designation	Date of Appointment	Date of Last Re-Election
Melvin Ang	Non-Executive Chairman and Non-Independent Director	11 August 2016	25 July 2023
Leslie Ong	Executive Director and Chief Executive Officer	3 May 2016	29 July 2024
Johnny Ong	Executive Director and Chief Operating Officer	3 May 2016	28 July 2025
Kelvin Tan	Lead Independent and Non-Executive Director	17 March 2017	29 July 2024
Michael Tang	Independent and Non-Executive Director	17 March 2017	29 July 2024
William Tan	Independent and Non-Executive Director	17 March 2017	28 July 2025

The profile of the Directors including their academic and professional qualifications and other appointments are set out on pages 11 to 13 and 30 to 31 of this Annual Report.

CORPORATE GOVERNANCE REPORT

Kelvin Tan, Michael Tang and William Tan have served on the Board beyond nine (9) years since the date of their first appointment, 17 March 2017. Under the Catalist Rules, a director will no longer be deemed independent if he has been a director of the issuer for an aggregate period of more than nine (9) years (whether before or after listing) and such director may continue to be considered independent until the conclusion of the next annual general meeting of the issuer. In view of the aforementioned nine (9)-year tenure limit for independent directors as prescribed under the Catalist Rules and to support progressive renewal of the Board, Kelvin Tan, Michael Tang and William Tan have expressed that they intend to relinquish their position as Independent and Non-Executive Director upon the conclusion of the Company's forthcoming Annual General Meeting ("**AGM**").

Accordingly, Kelvin Tan, who is due for retirement at the forthcoming AGM, will not seek for re-election and will retire at the conclusion of the forthcoming AGM, while Michael Tang and William Tan has tendered their resignation as an Independent and Non-Executive Director, and will serve their notice until the conclusion of the forthcoming AGM. Following their cessation as Director of the Company, they will also relinquish their position from the respective Board Committees.

The Board, with the assistance of the NC, will appoint new Independent and Non-Executive Directors and reconstitute its Board and Board Committees, and any changes will be announced in due course. The Company shall endeavour to fill the vacancies within two (2) months, but in any case not later than three (3) months from the effective date of cessation of Kelvin Tan, Michael Tang and William Tan as Directors of the Company.

The Board and Board Committees are made up of a team of high caliber leaders whose diverse expertise and experience in accounting and finance, strategic planning, human resource management, business and management, legal and regulatory, media and music entertainment industry knowledge combined provide the core competencies necessary to lead and govern the Group effectively. The Directors' objective judgment, collective experience and knowledge are invaluable to the Group and this has allowed for the useful exchange of ideas and views.

The Board has adopted a Board Diversity Policy to assist the NC and the Board in identifying prospective candidates for directorship that meet the criteria as determined by the NC and that support the diversity's objectives. The Board Diversity Policy promotes the diversity among the Directors in order to improve performance and to avoid groupthink and foster constructive debate and ensure that composition is optimal to support the Group's needs in the short-term and long-term goals. The diversity includes the appropriate mix of complementary skills, business and industry experience, gender, age, ethnicity, geographic background, length of service and other distinctive qualities of the board members. The Company recognises that an effective Board requires Directors to possess not only integrity, commitment, relevant experiences, qualifications and skills in carrying out their duties effectively but also include right blend of skills, industry knowledge and diverse background towards promoting good corporate governance. The NC will discuss and agree on the relevant measurable objectives for promoting and achieving diversity on the Board and make recommendations for consideration and approval by the Board. At any given time, the Board may seek to improve one or more aspects of its diversity and measure progress accordingly. The NC will review and modify this Board Diversity Policy periodically, as appropriate, to ensure effective governance of the Company.

In concurrence with the NC, the Board is of the view that the current board members have the appropriate structure, size, diversity and composition to provide effective guidance and make decisions in the best interests of the Group. During FY2026, the Board comprises six male Directors in the age group of his forties to sixties respectively. Each Director has been appointed based on the strength of his calibre, experience, grasp of corporate strategy and potential contribution to the Company and its business.

CORPORATE GOVERNANCE REPORT

As the NC has assessed the current level of diversity on the Board to be satisfactory, the Company generally does not set concrete timeline for achieving board diversity targets. Instead, the Company takes the approach that maintaining a satisfactory level of diversity as an ongoing process. The targets to ensure the existing skill sets and core competencies of the Board are complementary and enhances the efficacy of the Board and to achieve diversity on the Board are assessed from time to time by the NC, based on the composition of the Board and operations of the Group at the relevant time. The Board is seeking and will continue to explore opportunities to appoint a female director, and the NC will request for female candidates to be fielded for consideration when seeking to identify a new director for appointment for the Board.

The NC reviews the size and composition of the Board and Board Committees of the Company to ensure that the size of the Board and Board Committees are conducive for effective discussions and decision-making and that the Board and Board Committees have the appropriate mix of skills, knowledge and experience as well as an appropriate balance of Independent Directors. The NC with the concurrence of the Board and Board Committees, consider their current board size appropriate for effective decision-making, taking into account the scope and nature of the Group's operations.

The Independent and Non-Executive Directors exercise objective judgment on the Group's affairs independently from Management. The Independent and Non-Executive Directors also contribute to the board process by monitoring and reviewing Management's performance against goals and objectives. Their views and opinions provide alternate perspectives to the Group's business. When challenging Management's proposals or decisions, they bring independent judgment to bear on business activities and transactions involving conflicts of interest and other complexities. The Independent and Non-Executive Directors also meet regularly without presence of Management to facilitate more open discussions and feedback was thereafter provided to the Chairman of the Board after such meeting.

Principle 3: There is a clear division of responsibilities between the leadership of the Board and Management, and no one individual has unfettered powers of decision-making.

Provision 3.1 - Chairman and Chief Executive Officer ("CEO") should be separate persons

The roles of the Chairman and CEO are separate to ensure an appropriate balance of power, and accountability to achieve greater independent decision-making to the Board.

Melvin Ang, was appointed as the Non-Executive Chairman of the Board on 11 August 2016 and Leslie Ong was appointed as the CEO of the Company on 3 May 2016. Both the Chairman and the CEO are not related to each other and will act independently in their own capacity.

Provision 3.2 - Role of Chairman and CEO

The Chairman presides over the business of the Board and monitors the translation of the Board's decisions and directions into executive action. In addition, the Chairman provides close oversight, guidance, advice and leadership to the CEO and senior management. The Chairman also plays a crucial role in fostering constructive dialogue between shareholders, the Board and Management at the Company's general meeting. The Chairman leads the Company's drive to achieve and maintain a high standard of corporate governance with the full support of the Board, Management and Company Secretary.

The Chairman leads the Board and ensures the effectiveness on all aspects of its role. His responsibilities include, *inter alia*:

1. constructively determining and approving, with the Board, the Company's strategy;
2. ensuring that the Board is properly organised, functioning effectively and meeting its obligations and responsibilities;

CORPORATE GOVERNANCE REPORT

3. setting the agenda and ensuring adequate time is available for discussion of all agenda items, in particular, strategic issues;
4. ensuring that Directors receive complete, adequate and timely information;
5. fostering effective communication and constructive relations amongst the Directors, within Board Committees, between shareholders, between the Directors and Management;
6. encouraging the constructive exchange of views within the Board and between board members and Management;
7. facilitating the effective contribution of Non-Executive and Independent Directors;
8. promoting a culture of openness and debate at the board level and promoting high standards of corporate governance; and
9. establishing a relationship of trust with the CEO.

The role of CEO includes the execution of strategic business directions as well as oversight of the operations and business development of the Group.

All major decisions made by the Board are subject to majority approval of the Board. The Board believes that there are adequate safeguards in place to ensure an appropriate balance of power and authority within the spirit of good corporate governance.

Provision 3.3 - Lead Independent Director

As the Non-Executive Chairman is not independent, to be in compliance with Provision 3.3 of the Code, the Board has appointed Kelvin Tan as the Lead Independent Director to lead the Independent Directors, to provide independent view and foster constructive discussion. He also acts as the main liaison on board issues and is available to shareholders where they have concerns and for which contact through the normal channels of communication with the Non-Executive Chairman or Management are inappropriate or inadequate. The Independent Directors, led by Kelvin Tan meet at least once annually without the presence of the Executive Directors to discuss matters of significance, which are thereon reported to the Board and/or Chairman accordingly.

Board Membership

Principle 4: The Board has a formal and transparent process for the appointment and re-appointment of directors, taking into account the need for progressive renewal of the Board.

Provisions 4.1 and 4.2 - Nominating Committee Composition and Role

The NC comprises three members, majority of whom including the Chairman are independent. The Lead Independent Director, Kelvin Tan is also a member of the NC. Please refer to Provision 1.4 above on the names of the members and the composition of the NC.

CORPORATE GOVERNANCE REPORT

The NC, which has written terms of reference, is responsible for making recommendations to the Board on all board appointments and re-appointments. The NC's responsibilities include the following:

- a) make recommendations to the Board on new appointments and re-appointment of Directors (including Alternate Director, if any) to the Board;
- b) make recommendations to the Board on the re-nomination of retiring Directors standing for re-election at the Company's AGM, having regard to the Directors' contribution and performance (e.g. attendance, preparedness, participation and candour);
- c) ensure that all Directors submit themselves for re-nomination and re-election at regular intervals and at least once in every three years;
- d) review of succession plans for Directors, in particular the appointment and/or replacement of the Chairman, the CEO and KMPs;
- e) review the process and criteria for evaluation of the performance of the Board, its Board Committees and individual Directors;
- f) review the size and composition of the Board with the objective of achieving a balanced board in terms of the mix of experience and expertise;
- g) determine annually whether or not a Director is independent;
- h) in respect of a Director who has multiple board representation on various companies, to decide whether or not such Director is able to and has been adequately carrying out his/her duties as Director, having regard to the competing time commitments that are faced when serving on multiple boards;
- i) review and approve any new employment of related persons and the proposed terms of their employment;
- j) ensure complete disclosure of key information of Directors in the Company's annual reports as required under the Code;
- k) decide on how the Board's performance may be evaluated and recommend objective performance criteria to the Board;
- l) report to the Board on its activities and proposals;
- m) review training and professional development programs for the Board, if necessary; and
- n) carry out such other duties as may be agreed to by the NC and the Board.

Provision 4.3 - Reviewing and Recommending Nomination for Re-appointment of Directors

The NC is responsible for identifying and recommending new Directors to the Board, after considering the necessary and desirable competencies. In selecting potential new Directors, the NC will seek to identify the competencies required as well as evaluate the profession, knowledge and experience of the candidate to enable the Board to fulfill its responsibilities. The NC may engage consultants to undertake research on, or assess candidates applying for new positions on the Board, or to engage such other independent experts, as it considers necessary to carry out its duties and responsibilities. Recommendations for new Directors are put to the Board for consideration and/or approval.

CORPORATE GOVERNANCE REPORT

Under the Catalist Rule 720(4) of the SGX-ST and Regulation 97 of the Constitution, all Directors are required to submit themselves for re-nomination and re-election at least once every three years, and at least one-third of the Directors for the time being to retire from office by rotation. New Directors appointed during the year are subject to retirement and re-election at the following AGM of the Company in accordance with Regulation 96 of the Constitution. The NC makes recommendation to the Board on reappointment of Directors based on, among others, the Director's attendance, preparedness, participation at Board and Board Committees meetings, his and her qualification, experience and expertise and the time and effort dedicated to the activities of each Board Committee and contributions to the Group's business and affairs, including the Management's access to the Directors for guidance or exchange of views as and when necessary.

The Board and the NC have endeavoured to ensure that the Directors appointed to the Board possess the relevant experience, knowledge and expertise critical to the Group's business.

Melvin Ang and Kelvin Tan are subject to retiring pursuant to Regulation 97 of the Constitution at the forthcoming AGM of the Company. Melvin Ang and Kelvin Tan have informed the NC that they will not be seeking for re-election at the forthcoming AGM of the Company. Kelvin Tan has served on the Board beyond the nine (9) year tenure limit for independent director as prescribed under the Catalist Rules and his retirement also to support progressive renewal of the Board.

Each of these Directors, being interested in the matter, had abstained from voting and making recommendation and/or participating in any deliberations in respect of their own re-election as Directors of the Company.

Information regarding the Directors nominated for re-election, including the information required under Appendix 7F of the Catalist Rule is given in the "Board of Directors" section, pages 11 to 13 of this Annual Report.

Provision 4.4 - Continuous Review of Director's Independence

The NC is guided by the definition and criteria of independence given in the Code in determining if a Director is independent.

NC has annually, and as and when circumstances require, determined if a Director is independent, bearing in mind the circumstances and other salient factors set forth in Provision 2.1 of the Code and Rule 406(3)(d) of the Catalist Rules.

Each Independent Director is required to complete a Confirmation of Independence form drawn up based on Principle 2 of the Code for the NC's review and recommendation to the Board.

For the financial year under review, the Board concurred with the NC's view that the three Independent Directors are independent (as defined in the Code and its accompanying Practice Guidance, Rule 406(3)(d) of the Catalist Rules and any other salient factors) in character and judgement and there were no circumstances which would likely affect or appear to affect their independent judgement in the best interest of the Company.

During FY2026, there was no appointment of Alternate Directors on the Board.

Provision 4.5 - Directors' Commitments

Where a Director has multiple board representations, the NC will determine if the Director has been able to devote sufficient time and attention to the Company's affairs and if he or she has been adequately carrying out his or her duties as a Director. The recommendation of the NC for the nomination of a Director for re-election is made to the Board. The Board will review this recommendation.

CORPORATE GOVERNANCE REPORT

The NC is of the view that the number of directorships a Director can hold and his and her principal commitments should not be prescriptive as the time commitment for each board membership will vary. The NC will review the number of listed company board representations which each Director holds on an annual basis or from time to time when the need arises. In this respect, the NC believes that it would not be necessary to prescribe a maximum number of listed company board representations a Director may hold. The Board affirms and supports this view.

During the year, the NC had reviewed the directorships and principal commitments disclosed by each Director and was of the view that the existing directorships and principal commitments of the respective Directors have not impinged on their abilities to discharge their duties. The Board concurred with the NC.

The table below - Key Information of Directors, also shows the disclosure of directorships and chairmanships held over the preceding three years in other listed companies as well as other principal commitments of each respective Director:

CORPORATE GOVERNANCE REPORT

Board Performance

Principle 5: The Board undertakes a formal annual assessment of its effectiveness as a whole, and that of each of its board committees and individual directors.

Provision 5.1 - Performance Criteria and Evaluation

Provision 5.2 - Assessment of the Board, Board Committees and Individual Directors

Based on the recommendations by the NC, the Board has established processes and objective performance criteria for evaluating the effectiveness of the Board as a whole and each of its Board Committees and individual Directors. Such processes are aimed to assess whether each Director continues to contribute effectively and demonstrate commitment to the role.

During the financial year under review, each Director was required to complete the evaluation form and individual Director's annual assessments adopted by the NC on the overall effectiveness of the Board as a whole, Board Committees and each Director's contributions, and the results have been collated by the Chairman of the NC for review or discussion.

In evaluating the Board's performance, the NC considers a set of quantitative and qualitative performance criteria. The performance criteria for the Board evaluation are in respect of board size and composition, board process, board information and accountability, board performance in relation to discharging its principal functions and responsibilities and financial targets. The individual Directors' performance criteria were in relation to their industry knowledge and/or functional expertise, contribution and workload requirements, sense of independence and attendance at the Board and Board Committees meetings.

The NC evaluated the performance of the Board as a whole, each of its Board Committee and individual Directors taking into consideration the Board's discharge of its principal responsibilities and Board's deliberation of Company's long-term strategy. The NC considered the Board's performance to be satisfactory and met its performance objectives. In addition, the NC is also satisfied that sufficient time and attention have been given by the Directors to the affairs of the Company, notwithstanding that some of the Directors have multiple board representations. The Board concurred with the NC's recommendation.

No external facilitator was used in the evaluation process. However, if need arises, the NC has full authority to engage external facilitator to assist the NC to carry out the evaluation process at the Company's expense.

CORPORATE GOVERNANCE REPORT

B. REMUNERATION MATTERS

Procedures for Developing Remuneration Policies

Principle 6: The Board has a formal and transparent procedure for developing policies on director and executive remuneration, and for fixing the remuneration packages of individual directors and key management personnel. No director is involved in deciding his or her own remuneration.

Provisions 6.1 and 6.2 - Remuneration Committee Composition and Role

Provision 6.3 - Reviewing of Remuneration Terms

Provision 6.4 - Remuneration Consultants

The RC comprises three members, all of whom including the Chairman are independent. Please refer to Provision 1.4 above on the names of the members and the composition of the RC.

The members of the RC carried out their duties in accordance with the term of references, which include the following:

- a) make recommendations to the Board on the framework of remuneration for the Executive Director and Executive Officers;
- b) make recommendations to the Board on the specific remuneration packages for each Executive Director, CEO, Chief Operating Officer (“COO”) (or executive of equivalent rank) and KMP of the Company. If such KMP is not an Executive Director, such recommendations must be submitted for endorsement by the Board and should cover all aspects of remuneration, including but not limited to Directors’ fees, salaries, allowances, bonuses, options and benefits in kind;
- c) review all benefits (including share schemes) and compensation packages for Directors, Executive Directors and KMP of the Company;
- d) report to the Board on its activities and proposals; and
- e) carry out such other duties as may be agreed by the RC and the Board.

The Company adopts a formal procedure for fixing of the remuneration packages of individual Directors, CEO and KMPs. No Director is involved in deciding his or her own remuneration. The Directors’ fees to be paid to the Non-Executive and Independent Directors are subject to shareholders’ approval at the forthcoming AGM.

The RC may, from time to time and where necessary, seek advice from external remuneration consultant in framing the remuneration policy and determining the level and mix of remuneration for Directors and KMPs. The Board has not engaged any external remuneration consultant to advise on remuneration matters in FY2026.

The RC reviews the Company’s obligations arising in the event of termination of Executive Directors and KMP’s contracts of service to ensure such contracts of service contain fair and reasonable termination clauses.

CORPORATE GOVERNANCE REPORT

Level and Mix of Remuneration

Principle 7: The level and structure of remuneration of the Board and key management personnel are appropriate and proportionate to the sustained performance and value creation of the company, taking into account the strategic objectives of the company.

Provision 7.1 - Remuneration of Executive Directors and Key Management Personnel

Provision 7.2 - Remuneration of Non-Executive Directors

Provision 7.3 - Appropriateness of Remuneration

In setting remuneration packages, the Company takes into account pay and employment conditions within the same industry and in comparable companies, as well as the Group's relative performance and the performance of each individual Director. The RC also ensures that the remuneration policies support the Company's objectives and strategies.

As part of its review, the RC ensures that the performance-related elements of remuneration form an appropriate part of the total remuneration package of the KMP and that each package is designed to align their interests with those of shareholders and link rewards to corporate and individual performances. The RC will review the key performance indicators ("KPIs") of the KMP and such KPIs will be tied to the profitability of the specific business which the individuals are managing.

Executive Directors do not receive Directors' fees. The remuneration policy for Executive Directors and KMP consists of two key components, that is, fixed cash and annual variable components. The fixed components include salary and other allowances. The variable component comprises performance-based bonus which forms a significant proportion of the total remuneration package of Executive Directors and KMP and is payable on the achievement of individual and corporate performance targets. The Executive Directors' performance bonus would be calculated based on a percentage of the Group's profit before tax ("PBT") for each financial year, provided that the Group's PBT is not less than \$3.5 million for that financial year.

The service contracts for the Executive Directors have a fixed appointment period of three years and clauses relating to early termination. The Executive Directors' service contracts shall be automatically renewed annually. None of the service contracts has any onerous removal clauses.

Non-Executive and Independent Directors, including the Non-Executive Chairman, have no service contract with the Company and their terms are specified in the Constitution of the Company. The Independent Directors are paid with a basic fee for serving as Director and any of the Board Committees roles. The Non-Executive Chairman and Non-Executive Director does not collect fees for their positions. In determining the quantum of such fees, factors such as time spent and responsibilities of Directors are taken into account. Such fees are subject to the approval of the shareholders at the AGM of the Company.

The Company has adopted the UnUsUaL Employee Share Option Scheme ("UnUsUaL ESOS") and UnUsUaL Performance Share Plan ("UnUsUaL PSP"). The Group's Executive Directors and Non-Executive Directors (including Independent Directors), controlling shareholders or associates of a controlling shareholder are eligible to participate in the UnUsUaL ESOS and UnUsUaL PSP in accordance with the Rules of the UnUsUaL ESOS and UnUsUaL PSP. The UnUsUaL ESOS and UnUsUaL PSP are administered by the RC which consists of William Tan, Kelvin Tan and Michael Tang. There have been no options or share awards granted under the UnUsUaL ESOS and UnUsUaL PSP in FY2026.

There are, at present, no contractual provisions allowing the Company to reclaim incentive components of remuneration from Executive Directors and KMPs save for exceptional circumstances of misstatement of financial results, or of misconduct resulting in financial loss to the Company. The Executive Directors owe a fiduciary duty to the Company. The Company should be able to avail itself of remedies against the Executive Directors in the event of such breach of fiduciary duties.

CORPORATE GOVERNANCE REPORT

Disclosure on Remuneration

Principle 8: The company is transparent on its remuneration policies, level and mix of remuneration, the procedure for setting remuneration, and the relationships between remuneration, performance and value creation.

Provision 8.1 - Remuneration of Directors and Key Management Personnel

Directors

A breakdown of compensation table of Directors' remuneration from the Company for FY2026 is set out below:

NAME OF DIRECTOR	TOTAL REMUNERATION (S\$'000)	SALARY %	BONUS/ PROFIT SHARING %	OTHER BENEFITS ⁽¹⁾ %	FEES %	TOTAL %
Melvin Ang	–	–	–	–	–	–
Leslie Ong	478	79	6	15	–	100
Johnny Ong	276	93	7	–	–	100
Kelvin Tan	40	–	–	–	100	100
Michael Tang	30	–	–	–	100	100
William Tan	30	–	–	–	100	100

Note:

(1) Other benefits refer to benefits-in-kind such as car etc made available to Directors as appropriate.

Key Management Personnel

A summary compensation table of the KMP receiving remuneration from the Company for FY2026 is appended below:

REMUNERATION BAND ⁽¹⁾ & NAME OF KEY MANAGEMENT PERSONNEL	SALARY %	BONUS %	OTHER BENEFITS ⁽²⁾ %	TOTAL %
Below S\$250,000				
Ling Ee Dee	91	9	–	100

Notes:

(1) Remuneration amounts are inclusive of salary, bonus, incentives, allowances and Central Provident Fund contributions

(2) Other benefits refer to allowance

The Board is of the view that the remuneration of the key management personnel was shown in bands of S\$250,000 due to the Company's concern over poaching of these executives by competitors. The aggregate remuneration paid to the aforesaid KMP (who are not Directors or CEO of the Company) in FY2026 is approximately S\$123,777.

The Company has disclosed the remuneration paid to each key management personnel using percentage terms and remuneration bands, as well as the breakdown of the components of their remuneration, for transparency. Accordingly, the Board is of the view that the non-disclosure of the exact quantum of the remuneration of each key management personnel will not be prejudicial to the interest of shareholders and complies with the intent of Provision 8.1 of the Code.

CORPORATE GOVERNANCE REPORT

The RC has reviewed and approved the remuneration packages of the Executive Directors and key management personnel, having regard to their contributions as well as the financial performance and commercial needs of the Group and has ensured that the Executive Directors and key management personnel are adequately but not excessively remunerated. The RC will consider and deliberate on the performance conditions to which Executive Directors and key management personnel entitlement to short-term and long-term incentive schemes and will make the necessary disclosures as and when it deems necessary.

Provision 8.2 - Employees who are substantial shareholders of the company, or are immediate family member of Directors, CEO or substantial shareholder of the company whose remuneration amounts exceed S\$100,000 per annum

Leslie Ong, the Executive Director and CEO and Johnny Ong, the Executive Director and COO, of the Company are siblings, whose remuneration exceeds S\$100,000 in FY2026.

The basis of determining the remuneration of the related employees is the same as the basis of determining the remuneration of other unrelated employees.

Save for the above disclosure, there were no employees who are substantial shareholders of the Company, or are immediate family members of a Director, CEO or substantial shareholder whose remuneration amounts exceed S\$100,000 per annum.

Provision 8.3 - All forms of remuneration and other payments and benefits paid by the Company and its subsidiaries to Directors and KMP

The Company has adopted the UnUsUaL ESOS and UnUsUaL PSP. The Group's Executive Directors and Non-Executive Directors (including Independent Directors), controlling shareholders or associates of a controlling shareholder are eligible to participate in the UnUsUaL ESOS and UnUsUaL PSP in accordance with the Rules of the UnUsUaL ESOS and UnUsUaL PSP. The UnUsUaL ESOS and UnUsUaL PSP are administered by the RC which consists of William Tan, Kelvin Tan and Michael Tang. There have been no options or share awards granted under the UnUsUaL ESOS and UnUsUaL PSP to Directors and KMPs in FY2026.

The Company is of the view that the current disclosure provides sufficient overview of the remuneration of the Group while maintaining confidentiality of staff remuneration matters. Annual variable bonuses would be linked to achievement of financial and non-financial KPIs such as core values, competencies, key result areas, performance rating and potential of the employees (including key management). Long-term incentive plans are conditional upon pre-determined performance targets being met and the long-term incentive plans serve to motivate and reward employees and align their interests to maximise long term shareholders' value. The RC will continue to review the share grant option when appropriate.

The RC ensures that there is a strong correlation between bonuses payable, and the achievement and performance of the Group and individual staff. The RC also ensures that there is a good balance of short-term and long-term incentive schemes to motivate continuous and sustainable performance.

CORPORATE GOVERNANCE REPORT

C. ACCOUNTABILITY AND AUDIT

Risk Management and Internal Controls

Principle 9: The Board is responsible for the governance of risk and ensures that Management maintains a sound system of risk management and internal controls, to safeguard the interests of the company and its shareholders.

Provision 9.1 - Nature and Extent of Significant Risks

The Board has overall responsibilities for the governance of risk and exercises oversight of the significant risks in the Group's business. The Board ensures that the Management maintains a sound system of internal controls and effective risk management policies to safeguard shareholders' interests and the Group's assets and in this regard, is assisted by the AC which reviews the adequacy and effectiveness of the Group's internal controls and risk management systems.

Given the nature and size of the Group's business and operations, the Board did not establish a separate risk committee to review and assess the internal controls systems and risk management framework. The Board is currently assisted by the AC, internal auditor and independent auditor in carrying out its responsibility of overseeing the Group's risk management framework and policies.

The Group's risks profile is updated based on Management inputs on a yearly basis and reported to the AC together with the proposed counter measures to mitigate identified risks.

To further enhance the risk management procedures in place, the Group had established a structured Enterprise Risk Management ("ERM") framework which provide documented guidance on the process for identifying and assessing risks, adequacy of countermeasures and the manner in which risk matters are reported to the Board and AC. This risk framework has five principal risk categories, namely strategic, financial, operational, information technology control and compliance risks.

The pilot ERM programmes of the Group covers the following areas:

(1) ERM policies and procedures

An overall framework for risk management has been documented in a manual to be disseminated to personnel responsible for oversight of risk and operations of risk countermeasures. This ERM manual includes the various personnel responsible for monitoring and managing risks in the Group. The ERM process will also require ongoing identification of key risks to the Company and reporting these risks to the Board to better determine whether appropriate measures have been taken to address relevant risks. Risk workshops attended by key management personnel will be conducted to provide a structured approach of identification and assessment of risks.

(2) Risk appetite

The risk appetite of the Group in managing risks was discussed during the ERM project. Generally, the Group will rely on the Management to monitor day to day operations while subjecting key corporate decisions, such as investments or acquisitions of business to the approval of the Board. The Company's performance is monitored closely by the Board periodically and any significant matters that might have an impact on the operating results are required to be brought to the immediate attention of the Board.

CORPORATE GOVERNANCE REPORT

The Company has also taken a strict stance towards avoiding any risks that might result in breaching relevant laws, regulations and risks that could adversely affect the reputation of the Group. Active efforts are also in place to manage risks within impact such as transferring them to third party insurer or having internal control procedures to better mitigate the likelihood of their occurrence. Internal audits will be regularly conducted to assess the ongoing compliance with the established controls to address key risk areas where applicable.

(3) Risk assessment and monitoring

Based on the ERM framework, the nature and extent of risks to the Company will be assessed regularly and risk reports covering top risks to the Group will be submitted periodically to the Board. A set of risk registers to document risks arising from this ERM exercise has also been established to document key risks and the corresponding countermeasures.

The risk framework is reviewed regularly taking into account changes in the Group's business and operating environment as well as evolving corporate governance requirements.

The identification and management of risks are delegated to the Management, who assume ownership and day-to-day management of these risks. The Management is responsible for the effective implementation of risk management strategies, policies and processes to facilitate the achievement of business plans and goals within the risk tolerance established by the Board. Key business risks are proactively identified, addressed and reviewed on an ongoing basis. Identified risks that affect the achievement of the Group's business objectives are compiled in the Group Risks Register and are being ranked according to the likelihood and consequential impact to the Group as a whole.

The main risks arising from the Group's financial operations are liquidity risk, foreign currency risk, credit risk, equity price risk and interest rate risk. These risks are monitored by the AC and the Board on a yearly basis. Details on the foregoing are set out in the Notes to the Financial Statements.

The Board recognises that the risk management and internal control systems established by the Group provides reasonable, but not absolute, assurance that the Group will not be adversely affected by any event that can be reasonably foreseen as it strives to achieve its business objectives. The Board also noted that all internal control systems contain inherent limitations and no system of risk management and internal controls can provide absolute assurance against the occurrence of material errors, poor judgement in decision-making, human error, losses, fraud or other irregularities.

The internal auditor has reviewed key internal controls as part of the internal audit plan and have independently reported their assessment to the AC and the Board on the adequacy and effectiveness of the Group's internal controls and risk management systems.

The internal auditor presents their findings to the AC on a yearly basis. The internal audit report, comprising the details of any non-compliance or internal control weaknesses are noted during the audit, the corresponding recommendations and the Management's responses were submitted and presented to the AC. The AC also follows up on the actions taken by the Management on the recommendations made by the internal auditor and independent auditor arising from their works performed. Based on the reports submitted by the internal auditor and independent auditor received by the AC and the Board, nothing material has come to the attention of the AC and the Board to cause the AC and the Board to believe that the internal controls are not satisfactory based on the current size and nature of the Company's business.

As part of the annual internal audits, the internal auditor also reports any significant deficiencies of such internal controls to the AC, who reviews the adequacy and effectiveness of the risk management and internal controls system.

CORPORATE GOVERNANCE REPORT

Provision 9.2 - Assurance from the CEO, COO and FC

For the financial year under review:

- (a) Written assurance was received from the CEO, COO and FC that the financial records of the Group have been properly maintained and the financial statements give a true and fair view of the Group's operations and finances; and
- (b) Written assurance was received from the CEO, COO, FC and other key management personnel that the Group's risk management and internal controls systems in place were adequate and effective to address the financial, operational, compliance and information technology risks in the context of the current scope of the Group's business operations.

Based on the Group's framework of management controls in place, the internal policies and procedures established and maintained by the Group, as well as the review performed by the independent auditor and internal auditor, the Board with the concurrence of the AC, is of the opinion that risk management and internal controls systems of the Group, addressing the financial, operational, compliance and information technology risks are adequate and effective as at 31 March 2026 to address the risks that the Group considers relevant and material to its operations, while noting that no system of internal control could provide absolute assurance against the occurrence of errors, fraud or other irregularities.

The AC, Executive Directors and FC will continue to review and strengthen the Group's internal controls environment and allocate more resources and expertise towards improving its internal policies and procedures to maintain a high level of governance and internal controls.

Audit Committee

Principle 10: The Board has an Audit Committee which discharges its duties objectively.

Provisions 10.1 and 10.2 - Audit Committee Composition and Role

Provision 10.4 - Internal Audit Function

The AC comprises three members, all of whom including the Chairman are independent. At least two members, including the Chairman, have the relevant accounting or related financial management expertise or experience. Please refer to Provision 1.4 above on the names of the members and the composition of the AC.

The AC has explicit authority to investigate any matter within its terms of reference. It has full access to, and the co-operation of the Management and full discretion to invite any Executive Directors, Non-Executive Director and/or KMP to attend its meetings. The AC has adequate resources, including access to the external consultants and independent auditor, to enable it to discharge its responsibilities properly.

The AC met four times in FY2026 and all the Executive Directors, Non-Executive Director and KMP were invited to attend the meetings.

The Board is of the view that the members of the AC have sufficient financial management expertise and experience to discharge the AC's functions. The AC which has written terms of reference, performs delegated functions:

- (a) review quarterly, half-yearly and annual financial statements and auditor's report of the Group before submitting to the Board;
- (b) review the audit plans of independent auditor of the Company and ensure the adequacy of the Group's system of accounting and co-operation given by the Management to the independent auditor;

CORPORATE GOVERNANCE REPORT

- (c) review the significant financial reporting issues and judgements so as to ensure the integrity of the financial statements of the Company and any announcements relating to the Company's financial performance;
- (d) review all non-audit services provided by the independent auditor to the Group to ensure that the nature and extent of such services would not affect the independence of the independent auditor;
- (e) review the adequacy and effectiveness of the Company's internal controls and risk management systems;
- (f) review the assurance from the CEO, COO and FC on the financial records and financial statements;
- (g) review the adequacy, effectiveness, independence, scope and results of the independent audit and the Company's internal audit function;
- (h) review the policy and arrangements for concern about possible improprieties in financial reporting or other matters to be safely raised, independently investigated and appropriately followed upon;
- (i) review and discuss with the independent auditor and internal auditor of any suspected fraud or irregularity, or suspected infringement of any relevant laws, rules or regulations, which has or is likely to have a material impact on the Group's operating results or financial position, and the Management's response;
- (j) make recommendation to the Board on the proposals to the shareholders on the appointment, re-appointment and removal of the independent auditor, and approve the remuneration and terms of engagement of the independent auditor;
- (k) review interested person transactions in accordance with the requirements of the Catalist Rules;
- (l) review potential conflicts of interests and to set out a framework to resolve or mitigate any potential conflicts of interest;
- (m) review the effectiveness and adequacy of the administrative, operating, internal accounting and financial control procedures;
- (n) review the key financial risk areas, with a view to provide an independent oversight on the Group's financial reporting, the outcome of such review to be disclosed in the annual reports or if the findings are material, immediately announced via SGXNet;
- (o) undertake such other reviews and projects as may be requested by the Board and report to the Board its findings from time to time on matters arising and requiring the attention of the AC;
- (p) generally, undertake such other functions and duties as may be required by statute or the Catalist Rules, and by such amendments made thereto from time to time;
- (q) review arrangements by which the staff may, in confidence, raise concerns about possible improprieties in matters of financial reporting and to ensure that arrangements are in place for the independent investigations of such matter and for appropriate follow-up; and
- (r) review the Group's compliance with such functions and duties as may be required under the relevant statutes or the Catalist Rules, including such amendments made thereto from time to time.

CORPORATE GOVERNANCE REPORT

Independent Audit

The AC reviews the scope and results of the audit carried out by the independent auditor, the cost effectiveness of the audit and the independence and objectivity of the independent auditor. It seeks to balance the maintenance of objectivity of the independent auditor and their ability to provide value-for-money professional services. The AC undertook the review of the independence and objectivity of the independent auditor, CLA Global TS, through discussions with the independent auditor as well as reviewing the non-audit services provided and the fees paid to them. Based on the review, the AC is of the opinion that CLA Global TS is, and is perceived to be, independent for the purpose of the Group's statutory audit. CLA Global TS has provided confirmation of their independence to the AC.

The fees payable to the independent auditor is set out below:

	S\$'000	%
Audit fees	102	68.9
Non-audit fees	46	31.1
Total	148	100.0

The AC recommends to the Board the appointment, re-appointment and removal of independent auditor, and approves the remuneration and terms of engagement of the independent auditor. The re-appointment of the independent auditor is subject to shareholders' approval at the AGM of the Company.

In reviewing the nomination of independent auditor for re-appointment at the AGM of the Company, the AC will take into consideration the adequacy of the resources, experience and competence of independent auditor, including the Audit Quality Indicators relating to independent auditor at the firm level and on the audit engagement level. Consideration will also given to the experience of the engagement director and key team members in handling the audit. Additionally, the AC will also consider the audit team's ability to work in a co-operative manner with Management whilst maintaining integrity and objectivity and to deliver their services professionally and within agreed timelines.

CLA Global TS have expressed that they will not be seeking re-appointment at the forthcoming AGM. Accordingly, for the audit of the current financial year ending 31 March 2027, the AC has recommended to the Board, and the Board has accepted the appointment of Nexia Singapore PAC in place of the retirement of the existing external auditors, CLA Global TS as the Group's external auditors, subject to the shareholders' approval at the forthcoming AGM. Further information on the proposed change of external auditors in the Appendix dated 10 July 2026.

For FY2026, the Company has complied with Catalist Rules 712, 715 and 716 of the SGX-ST in relation to the appointment of its independent auditor. The AC and the Board are satisfied with the standards and the effectiveness of the audits performed by the independent auditor, other than those of the Company.

CORPORATE GOVERNANCE REPORT

Internal Audit

The primary role of internal audit is to assist the Board to evaluate the adequacy and effectiveness of the internal controls and risk management processes of the Group.

The internal audit function plans its internal audit schedule in consultation with, but independent of the Management. The AC examines the internal audit plan, determines the scope of audit examination and approves the internal audit budget.

It also oversees the implementation of the improvements required on internal control weaknesses identified and ensures that Management provides the necessary co-operation to enable the internal auditor to perform its function. The internal auditor reports primarily to the Chairman of the AC and has unrestricted access to the documents, records, properties and personnel of the Group.

The AC annually reviews the adequacy, effectiveness and independence of the internal audit function to ensure that resources are adequate and that the internal audits are performed effectively and independently. It approves the appointment, termination, evaluation and the remuneration of the internal auditor.

The internal audit function of the Group was outsourced to BDO Advisory Pte. Ltd., which is an established international auditing firm. BDO Advisory Pte. Ltd. conducts their internal audits based on the BDO Global Internal Audit Methodology which is consistent with the Global Internal Audit Standards established by the Institute of Internal Auditors. The engagement partner has more than 20 years of audit and advisory experience and is a Chartered Accountant (Singapore), Certified Internal Auditor and Certified Information System Auditor. Members of the internal audit team also have relevant academic qualifications, professional certifications and internal audit experiences.

The AC is satisfied that the internal audit function is adequate, independent and staffed by suitably qualified and experienced professionals with the relevant experience to perform its function effectively. BDO Advisory Pte. Ltd. has provided a confirmation on their independence to the AC.

Fraud and Whistle-blowing Policy

The Group has designated and implemented an independent whistle-blowing policy whereby accessible channels are provided for employees to raise concerns about possible improprieties in matters of financial reporting or other matters which they become aware and to ensure that:

- (i) independent investigations are carried out in an appropriate and timely manner;
- (ii) appropriate action is taken to correct the weakness in internal controls and policies which allowed the perpetration of fraud and/or misconduct and to prevent a recurrence; and
- (iii) administrative, disciplinary, civil and/or criminal actions that are initiated following the completion of investigations are appropriate, balance and fair, while providing reassurance that employees will be protected from reprisals or victimisation for whistle-blowing in good faith and without malice.

The policy is aimed at encouraging the reporting of such matters in good faith, with the confidence that staff of the Company and other persons making such reports will be treated fairly and, to the extent possible, protected from reprisal or unfair treatment.

There was no whistle-blowing report received during FY2026.

CORPORATE GOVERNANCE REPORT

Provision 10.3 - Former Partners or Directors of the Company's existing Audit Firm in AC

No former partner or Director of the Company's existing auditing firm or auditing corporation is a member of the AC.

Provision 10.5 - Meeting Auditors without the Management

The AC meets with the independent auditor and the internal auditor, at least once a year, without the presence of the Management, to review any matter that might be raised. These meetings enable the auditors to raise any issues in the course of their works directly to the AC.

D. SHAREHOLDER RIGHTS AND ENGAGEMENT

Shareholder Rights and Conduct of General Meetings

Principle 11: The company treats all shareholders fairly and equitably in order to enable them to exercise shareholders' rights and have the opportunity to communicate their views on matters affecting the company. The company gives shareholders a balanced and understandable assessment of its performance, position and prospects.

Provision 11.1 - Participating and Voting at General Meetings

Provision 11.2 - Tabling of Resolutions

Conduct of General Meetings

The forthcoming AGM will be held in a wholly physical format. The arrangements relating to attendance and voting at the AGM, appointment of proxies, submission of questions in advance of the AGM, addressing of substantial and relevant questions at the AGM and access to documents, will be set out in the Notice of AGM.

Notices for general meetings are announced via SGXNet and advertised in the newspapers within the prescribed timeframe prior to the meetings (or as otherwise disseminated in accordance with such laws and regulations as may be applicable). The notices, together with relevant documents (such as annual report, letter to shareholders or circular) will be published on SGXNet and the Company's website at <https://www.unusual.com.sg>.

In order to provide ample time for the shareholders to review, the notice of general meeting, together with the relevant documents, is distributed to all shareholders at least 14 days before the scheduled general meeting date for ordinary resolutions, or at least 21 days for special resolutions (or as otherwise disseminated in accordance with such laws and regulations as may be applicable). As part of the Group's commitment to conserve the environment, the Company will provide the shareholders printed copies of the Annual Report and circulars (if any) via post upon specific request by them for it. Shareholders are invited to attend the general meetings, to put forth any questions they may have on the motions to be debated and decided upon.

The Constitution allows members of the Company to appoint one or two proxies to attend and vote at general meetings. A relevant intermediary may appoint more than two proxies, but each proxy must be appointed to exercise the rights attached to a different share or shares held by him/her (which number and class of shares shall be specified). An investor who holds shares under the Central Provident Fund Investment Scheme ("**CPF Investor**") and/or the Supplementary Retirement Scheme ("**SRS Investor**") (as may be applicable) may attend and cast his/her vote(s) at the AGM in person. CPF and SRS Investors who are unable to attend the AGM but would like to vote, may inform their CPF and/or SRS Approved Nominees to appoint the Chairman of the AGM to act as their proxy, in which case, the CPF and SRS Investors shall be precluded from attending the AGM.

CORPORATE GOVERNANCE REPORT

All shareholders are entitled to vote in accordance with the established voting rules and procedures at the general meeting. Each share is entitled to one vote.

An external firm is appointed as scrutineer for the general meeting voting process, which is independent of the firm appointed to undertake the poll voting process.

The Chairman of the meeting will read out the total number of votes cast for, against and/or abstained and the respective percentages on each resolution are tallied after each poll conducted during the general meeting.

The resolutions tabled at the general meetings are on each substantially separate issue, including treating the election or re-election of each Director as a separate subject matter.

Detailed information on each item in the general meeting agenda is provided in the explanatory notes to the notice of general meeting in the annual report.

Provision 11.3 - Interaction with Shareholders

At general meetings of the Company, shareholders are given the opportunity to communicate their views and are encouraged to ask the Directors and the Management questions regarding matters affecting the Company. The Directors and Management will present at the AGM to address shareholders' questions.

The Company's independent auditor, CLA Global TS, are also invited to attend the AGM and are available to assist the Directors in addressing any relevant queries by the shareholders relating to the conduct of the audit and the preparation of the auditor's report.

Provision 11.4 - Shareholders' Participation

The Company supports active shareholders' participation at general meetings. All shareholders are encouraged to attend the general meetings to ensure high level of accountability and to stay informed of the Group's strategies and visions. In usual circumstances, if shareholders are unable to attend the meetings, the Constitution allows for shareholders who are not relevant intermediaries to appoint not more than two proxies to attend, speak and vote at general meetings in their absence, and shareholders who are relevant intermediaries to appoint more than two proxies to attend, speak and vote at general meetings. In order to have a valid registration of proxy, the proxy forms must be completed and deposited in advance to the place(s) as specified in the notice of the general meetings at least 72 hours before the time set for the general meetings.

The Company is not implementing absentia voting methods such as voting via mail, email or fax until security, integrity and other pertinent issues are satisfactorily resolved.

Provision 11.5 - Minutes of General Meetings

The Board views the AGM as the principal forum for dialogue with shareholders, being an opportunity for shareholders to raise issues relating to the resolutions tabled for approval and/or ask the Directors or the Management questions regarding the Company and its operations. The Company will prepare and publish the minutes of AGM within one month from the AGM on SGXNet. The minutes recorded substantial and relevant queries from shareholders relating to the agenda of the general meeting, and responses from the Board or Management. Such minutes is also available to shareholders upon their request.

CORPORATE GOVERNANCE REPORT

Provision 11.6 - Dividend Policy

The Company does not have a formal dividend policy. The form, frequency and amount of any proposed dividends will take into consideration the Group's profit growth, cash position, positive cash generated from operations, projected capital requirements for business growth and other factors as the Board may deem appropriate. The Company endeavours to pay dividends and where dividends are not paid, the Company will disclose its reason(s) accordingly.

The Company did not declare any dividends in FY2026 as the Group intends to conserve cash for potential upcoming projects.

Engagement with Shareholders

Principle 12: The company communicates regularly with its shareholders and facilitates the participation of shareholders during general meetings and other dialogues to allow shareholders to communicate their views on various matters affecting the company.

Provision 12.1 - Communication between the Board and Shareholders

Provisions 12.2 and 12.3 - Investor Relations Policy

Disclosure of information on timely basis

The Group is firmly committed to corporate governance and transparency by disclosing to its stakeholders, including its shareholders, as much relevant information as is possible, in a timely, fair and transparent manner as well as to hearing its shareholders' views and addressing their concerns.

By supplying shareholders with reliable and timely information, the Company is able to strengthen the relationship with its shareholders based on trust and accessibility.

All the information relevant to shareholders will be disclosed in a timely manner via SGXNet, its corporate website at <https://www.unusual.com.sg> and the social media. Where there is inadvertent disclosure made to a selected group, the Company will make the same disclosure publicly to all others as soon as possible.

The Board acknowledges its obligation to furnish timely information to shareholders and ensures that full disclosure of material information in its Annual Report to comply with statutory requirements and Catalyst Rules of the SGX-ST. The Company focuses on facilitating the communications with all stakeholders, shareholders, analysts and social media on a regular basis, attending to their queries or concerns as well as keeping the investors publicly apprised of the Group's corporate developments and financial performance.

In view of the above, the Company did not implement a formal investor relation policy because there are existing channels to actively engage and promote regular, effective and fair communication with shareholders.

CORPORATE GOVERNANCE REPORT

E. MANAGING STAKEHOLDERS RELATIONSHIPS

Principle 13: The board adopts an inclusive approach by considering and balancing the needs and interests of material stakeholders, as part of its overall responsibility to ensure that the best interests of the company are served.

Provision 13.1 - Arrangements to Identify and Engage with Stakeholders

Provision 13.2 - Management of Stakeholder Relationships

Stakeholders' Engagement

The Group has regularly engaged its stakeholders through various medium and channels to ensure that the business interests are aligned with those of the stakeholders, to understand and address the concerns so as to improve services and products' standards, as well as to sustain business operations for long term growth.

The stakeholders have been identified as those who are impacted by the Group's business and operations and those who similarly are able to impact the Group's business and operations. Eight key group of stakeholders have been identified through an assessment of their significance to the business operations. They are namely, consumers and customers, third party contractors, employees, artists and agents, mainstream media, venue managers, investors and shareholders, and government and regulators.

The Company has undertaken a process to determine the environmental, social and governance (ESG) issues which are important to these stakeholders. These issues form the materiality matrix upon which targets, performance and progress are reviewed and endorsed by the Board annually.

Having identified the stakeholders and the material issues, the Company has mapped out the key areas of focus in relation to the management of the respective stakeholder relationships.

Please refer to the Sustainability Report on the Company's website for further details.

Provision 13.3 - Corporate Website

All material information on the performance and development of the Group and of the Company is disclosed in a timely, accurate and comprehensive manner through SGXNet, press releases and the Company's website. The Company does not practice selective disclosure of material information. All materials on the half-yearly and full year financial results are available on the Company's website - <https://www.unusual.com.sg>. The comprehensive website, which is updated regularly, contains various information on the Group and the Company which serves as an important resource for investors and all stakeholders.

Sustainability Report

The Company recognises that sustainability is an integral component of long-term value creation and responsible business management. Environmental, Social and Governance ("ESG") considerations are incorporated into the Group's decision-making processes and business operations, with a view to supporting sustainable growth and delivering value to stakeholders.

The Group remains committed to strengthening its sustainability practices and enhancing its understanding of climate-related matters. As part of this commitment, the Group continues to evaluate opportunities to improve operational efficiency, manage environmental impacts and integrate sustainability considerations into its business strategies where appropriate.

CORPORATE GOVERNANCE REPORT

The Company has prepared its Sustainability Report for the financial year ended 31 March 2026 in accordance with the sustainability reporting requirements of the Singapore Exchange Securities Trading Limited ("**SGX-ST**") Listing Manual, with reference to the Global Reporting Initiative ("**GRI**") Standards. The Sustainability Report is published together with this Annual Report and is available on SGXNet at <https://www.sgx.com/securities/company-announcements>.

The Sustainability Report outlines the Group's approach to key ESG matters, including procurement practices, anti-corruption, emissions, employment, diversity and equal opportunities, non-discrimination and supplier social assessment. The Company acknowledges that climate-related risks and opportunities may influence its future operations and business development. The Group continues to assess and monitor climate-related matters and is enhancing its climate-related disclosures with reference to the International Financial Reporting Standards ("**IFRS**") S2 Climate-related Disclosures framework issued by the International Sustainability Standards Board ("**ISSB**"). The sustainability report will be made available to shareholders on the SGXNet.

DEALING IN SECURITIES

- Catalist Rule 1204(19) of the SGX-ST

In compliance with Catalist Rule 1204(19) of the SGX-ST on best practices in respect of dealing in securities, the Group has in place an internal compliance policy which prohibits the Company, Directors and employees of the Group and their connected persons from dealing in the Company's shares during the "black-out" period — being one month immediately preceding the announcement of the Company's half-year and full year results respectively, or if they are in possession of unpublished price sensitive information of the Group. In addition, the Company, Directors, employees and connected persons are expected to observe insider trading laws at all times even when dealing in securities within the permitted trading period or while they are in possession of unpublished price-sensitive information of the Group. They are refrained from dealing in the Company's shares on short term considerations.

All Directors are required to seek Board's approval before trading in the Company's shares and are also required to notify the Company Secretary of any change in his or her interest in the Company's shares within two business days of the change.

AUDIT COMMITTEE (CONTINUED)

The AC carried out its functions in accordance with Section 201B(5) of the Singapore Companies Act 1967, (the "Act"), the Singapore Exchange Securities Trading Limited ("SGX-ST") Listing Manual and the Code of Corporate Governance. In performing those functions, the AC (continued)

- Review the co-operation given by the management to independent auditor;
- Review the quarterly results and financial report announcements before submission to the Board for approval, focusing in particular, on changes in accounting policies and practices, major risk areas, significant adjustments resulting from the audit, the going concern statement, compliance with accounting standards as well as compliance with any stock exchange and statutory/regulatory requirements;
- Review any suspected fraud or irregularity, or suspected infringement of any relevant laws, rules or regulations, which has or is likely to have a material impact on the Group's operating results or financial position, and the management's response;
- Consider the appointment or re-appointment of the independent auditor and matters relating to resignation or dismissal of the independent auditor;
- Review transactions falling within the scope of Chapter 9 and Chapter 10 of the Catalist Rules (if any);
- Review potential conflicts of interests (if any) and to set out a framework to resolve or mitigate any potential conflicts of interest;
- Review the effectiveness and adequacy of the administrative, operating, internal accounting and financial control procedures;
- Review the key financial risk areas, with a view to providing an independent oversight on the Group's financial reporting, the outcome of such review to be disclosed in the annual reports or if the findings are material, immediately announced via SGXNet;
- Undertake such other reviews and projects as may be requested by the Board and report to the Board its findings from time to time on matters arising and requiring the attention of the AC;
- Undertake such other functions and duties as may be required by statute or the Catalist Rules, and by such amendments made thereto from time to time; and
- Review arrangements by which the staff may, in confidence, raise concerns about possible improprieties in matters of financial reporting and to ensure that arrangements are in place for the independent investigations of such matter and for appropriate follow-up.

DIRECTORS' STATEMENTS

For the Financial Year Ended 31 March 2026

AUDIT COMMITTEE (CONTINUED)

The AC confirmed that they have undertaken a review of all non-audit services provided by the independent auditor to the Group and is satisfied that the nature and the extent of such services would not affect the independences of the independent auditor.

INDEPENDENT AUDITOR'S REPORT

to the Members of UnUsUaL Limited

REPORT ON THE AUDIT OF THE FINANCIAL STATEMENTS

Disclaimer of Opinion

We were engaged to audit the financial statements of UnUsUaL Limited (the “**Company**”) and its subsidiary corporations (the “**Group**”), which comprise the consolidated statement of financial position of the Group and the statement of financial position of the Company as at 31 March 2026, the consolidated statement of comprehensive income, consolidated statement of changes in equity and consolidated statement of cash flows of the Group for the year then ended, and notes to the financial statements, including material accounting policy information, as set out on pages 57 to 123.

We do not express an opinion on the accompanying consolidated financial statements of the Group or the statement of financial position of the Company. Because of the significance of the matters described in the Basis for Disclaimer of Opinion section of our report, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

Basis for Disclaimer of Opinion

Revenue recognised arising from partnership agreement

On 1 August 2025, the Group entered into a partnership agreement with a counterparty in relation to two concerts held in the People’s Republic of China. Under the agreement, the Group was designated as the investor and event owner, while the counterparty was responsible for the production, marketing, ticketing management and overall operational execution of the concerts. The agreement did not require the Group to make any upfront investment. Ticketing proceeds were collected and managed by the counterparty and, after deduction of agreed concert costs, the Group was to receive the residual profits arising from the concerts.

Following completion of the concerts, management received a settlement summary from the counterparty setting out the reported ticket sales and concert-related costs. Based on the settlement summary, the Group issued an invoice of approximately CNY57,889,747 in respect of ticket sales and received invoices totalling approximately CNY37,937,177 for concert-related costs from the counterparty on behalf of the counterparty’s affiliate (collectively the “**counterparties**”). Subsequently, the Group entered into an offset agreement with the counterparties to settle the respective balances arising from the partnership agreement. Following the offset, a net receivable of approximately CNY19,952,570 (\$3,627,986) remained due to the Group, which management recognised as net revenue of CNY19,952,570 (\$3,627,986).

Management did not obtain, and we were unable to obtain, the underlying documentation supporting the reported ticket sales, and concert costs. Accordingly, we were not able to obtain sufficient appropriate audit evidence to substantiate the reported concert revenue, concert costs and resulting profit entitlement on which the revenue and receivable transactions were recognised. Consequently, we were unable to determine whether the revenue and related receivable transactions were appropriately recognised and measured in accordance with SFRS(I) 15 *Revenue from Contracts with Customers*.

INDEPENDENT AUDITOR'S REPORT

to the Members of UnUsUaL Limited

REPORT ON THE AUDIT OF THE FINANCIAL STATEMENTS (CONTINUED)

Basis for Disclaimer of Opinion (continued)

Second arrangement and balances recognised at financial year end

Subsequent to the partnership agreement, the Group entered into a second arrangement with the same counterparty, described as an "investment arrangement". The receivable amounting to \$3,627,986 arising from the earlier partnership agreement was derecognised and incorporated into this second arrangement. Another receivable amounting to \$350,000 from another transaction was also derecognised and incorporated into this second arrangement. In addition, the Group remitted \$3,278,000 in cash to the counterparty under the said arrangement. The contractual terms of the "investment arrangement" provide for repayment of the \$7,255,986 together with a fixed contractual return of 10%, payable over a specified repayment period. Management recognised a financial asset measured at amortised cost of \$7,478,199 (Note 16) and a related interest income of \$222,213 (Note 7) during the financial year.

Management represented that certain future concert activities were expected to generate the economic returns from which the counterparty would satisfy its contractual obligation to repay the principal amount together with the contractual 10% return.

We were not able to obtain sufficient appropriate audit evidence to substantiate management's accounting of the transactions under the second arrangement. In particular, we were not able to determine whether the original receivables were appropriately derecognised, whether the \$222,213 interest income recognised was appropriate and whether the financial asset balance amounting to \$7,478,199 was appropriately accounted for as a financial asset measured at amortised cost (Note 16).

Recoverability of the financial asset

No impairment losses were recognised in respect of the "financial asset measured at amortised cost" balance of \$7,478,199 (Note 16). We were not able to obtain sufficient appropriate audit evidence to substantiate that no impairment losses should be recognised in accordance with SFRS(I) 9.

Because of the significance of the matters described above, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the financial statements. The possible effects of these matters on the financial statements could be both material and pervasive.

Responsibilities of Management and Directors for the Financial Statements

Management is responsible for the preparation of financial statements that give a true and fair view in accordance with the provisions of the Act and SFRS(I)s, and for devising and maintaining a system of internal accounting controls sufficient to provide a reasonable assurance that assets are safeguarded against loss from unauthorised use or disposition; and transactions are properly authorised and that they are recorded as necessary to permit the preparation of true and fair financial statements and to maintain accountability of assets.

In preparing the financial statements, management is responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The directors' responsibilities include overseeing the Group's financial reporting process.

REPORT ON THE AUDIT OF THE FINANCIAL STATEMENTS (CONTINUED)

Auditor's Responsibilities for the Audit of the Financial Statements

Our responsibility is to conduct an audit of the consolidated financial statements of the Group and the statement of financial position of the Company in accordance with Singapore Standards on Auditing and to issue an auditor's report. However, because of the matters described in the Basis for Disclaimer of Opinion section of our report, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

We are independent of the Company in accordance with the Accounting and Corporate Regulatory Authority (ACRA) *Code of Professional Conduct and Ethics for Public Accountants and Accounting Entities* (ACRA Code) together with the ethical requirements that are relevant to our audit of the financial statements in Singapore, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ACRA Code.

REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

In our opinion, in view of the significance of the matters referred to in the Basis for Disclaimer of Opinion section of our report, we do not express an opinion on whether the accounting and other records required by the Act to be kept by the Company and by those subsidiary corporations incorporated in Singapore of which we are the auditors have been properly kept in accordance with the provisions of the Act.

The engagement director on the audit resulting in this independent auditor's report is Tan Da Xun.

NOTES TO THE FINANCIAL STATEMENTS

For the Financial Year Ended 31 March 2026

These notes form an integral part of and should be read in conjunction with the accompanying financial statements.

1 CORPORATE INFORMATION

The Company

UnUsUaL Limited (the “**Company**”) is listed on Catalist, the sponsor-supervised listing platform of Singapore Exchange Securities Trading Limited (“**SGX-ST**”) and incorporated and domiciled in Singapore. The address of its registered and principal place of business is located at 45 Kallang Pudding Road, #01-01 Alpha Building, Singapore 349317.

The principal activity of the Company is that of investment holding. The principal activities of the subsidiary corporations and associated companies are described in Notes 19 and 20 to the financial statements.

The Company’s immediate holding corporation is UnUsUaL Management Pte. Ltd. incorporated in Singapore. The ultimate holding corporation of the Company is mm2 Asia Ltd., incorporated in Singapore and is listed in SGX-ST.

2 MATERIAL ACCOUNTING POLICIES

2.1 Basis of preparation

These financial statements have been prepared in accordance with Singapore Financial Reporting Standards (International) (“**SFRS(I)**”) under the historical cost convention, except as disclosed in the accounting policies below.

The preparation of financial statements in conformity with SFRS(I) requires management to exercise its judgement in the process of applying the Group’s accounting policies. It also requires the use of certain critical accounting estimates and assumptions. The areas involving a higher degree of judgement or complexity, or areas where assumptions and estimates are significant to the financial statements are disclosed in Note 3 to the financial statements.

The consolidated financial statements are presented in Singapore Dollars except otherwise indicated.

Interpretations and amendments to published standards effective in 2026

On 1 April 2025, the Group has adopted the new or amended SFRS(I) and Interpretations of SFRS(I) (“**INT SFRS(I)**”) that are mandatory for application for the financial year. Changes to the Group’s accounting policies have been made as required, in accordance with the transitional provisions in the respective SFRS(I) and INT SFRS(I).

The adoption of these new or amended SFRS(I) and INT SFRS(I) did not result in substantial changes to the Group’s accounting policies and had no material effect on the amounts reported for the current or prior financial years.

NOTES TO THE FINANCIAL STATEMENTS

For the Financial Year Ended 31 March 2026

2 MATERIAL ACCOUNTING POLICIES (CONTINUED)

2.2 Revenue recognition

Revenue is recognised when the Group satisfied a performance obligation by transferring a promised good and service to the customer, which is when the customer obtains control of the good and service. A performance obligation is satisfied at a point in time. The amount of revenue recognised is the amount allocated to the satisfied performance obligation. No significant element of financing is deemed present as the sales are made with a credit term of 30 days, which is consistent with market practice.

(a) *Production*

(i) *Supply of equipment*

Revenue from provision of stage sound system and equipment is recognised upon completion of the events.

(ii) *Rendering of services*

Revenue from the rendering of technical services is recognised when the services are rendered upon completion of the events.

(b) *Promotion*

(i) *Admission fees and sponsorship*

Revenue from artistic performances and other special events, including the related sponsorship received is recognised when the events have taken place. When subscriptions to a number of events are sold, the fee is allocated to each event on a basis which reflects the extent to which services are performed at each event.

(ii) *Other promotion*

Revenue from trading of performance rights is recognised when the customer obtains control of the rights.

(iii) *Investment income*

Investment in concerts and other entertainment events are measured at fair value through profit or loss with gain or loss arising from net changes in fair value of such financial instrument recognised as revenue in the statement of comprehensive income.

The accounting policy on the recognition and measurement of investment in concerts and other entertainment events is disclosed in Note 2.10 to the financial statements.

(c) *Others*

(i) Revenue from co-management of exhibition/concert halls is recognised upon completion of the events.

(ii) Revenue from provision of exhibition/concert halls and related equipment is recognised upon completion of the events.

(iii) Revenue from provision of equipment is recognised on a straight-line basis over the lease term.

NOTES TO THE FINANCIAL STATEMENTS

For the Financial Year Ended 31 March 2026

2 MATERIAL ACCOUNTING POLICIES (CONTINUED)

2.2 Revenue recognition (continued)

(d) *Interest income*

Interest income is recognised using the effective interest method.

Revenue is deferred until completion of related show/event. These are included under contract liabilities disclosed in Note 22 to the financial statements.

2.3 Government grants

Grants from the government are recognised as a receivable at their fair value when there is reasonable assurance that the grant will be received and the Group will comply with all the attached conditions.

Government grants receivable are recognised as income over the periods necessary to match them with the related costs which they are intended to compensate, on a systematic basis. Government grants relating to expenses are shown separately as other income.

2.4 Group accounting

(a) *Subsidiary corporations*

(i) *Consolidation*

Subsidiary corporations are all entities (including structured entities) over which the Group has control. The Group controls an entity when the Group is exposed to, or has rights to, variable returns from its involvement with the entity and has the ability to affect those returns through its power over the entity. Subsidiary corporations are fully consolidated from the date on which control is transferred to the Group. They are deconsolidated from the date on that control ceases.

In preparing the consolidated financial statements, transactions, balances and unrealised gains on transactions between group entities are eliminated. Unrealised losses are also eliminated unless the transaction provides evidence of an impairment indicator of the transferred asset. Accounting policies of subsidiary corporations have been changed where necessary to ensure consistency with the policies adopted by the Group.

Non-controlling interests comprise the portion of a subsidiary corporation's net results of operations and its net assets, which is attributable to the interests that are not owned directly or indirectly by the equity holders of the Company. They are shown separately in the consolidated statement of comprehensive income, statement of changes in equity, and consolidated statement of financial position. Total comprehensive income is attributed to the non-controlling interests based on their respective interests in a subsidiary corporation, even if this results in the non-controlling interests having a deficit balance.

For the Financial Year Ended 31 March 2026

2 MATERIAL ACCOUNTING POLICIES (CONTINUED)

2.4 Group accounting (continued)

(a) *Subsidiary corporations (continued)*

(ii) *Acquisitions*

The acquisition method of accounting is used to account for business combinations entered into by the Group, other than those entities which are under common control.

The consideration transferred for the acquisition of a subsidiary corporation or business comprises the fair value of the assets transferred, the liabilities incurred and the equity interests issued by the Group. The consideration transferred also includes any contingent consideration arrangement and any pre-existing equity interest in the subsidiary corporations measured at their fair values at the acquisition date.

Acquisition-related costs are expensed as incurred.

Identifiable assets acquired and liabilities and contingent liabilities assumed in a business combination are, with limited exceptions, measured initially at their fair values at the acquisition date.

On an acquisition-by-acquisition basis, the Group recognises any non-controlling interest in the acquiree at the date of acquisition either at fair value or at the non-controlling interest's proportionate share of the acquiree's identifiable net assets.

The excess of (a) the consideration transferred, the amount of any non-controlling interest in the acquiree and the acquisition-date fair value of any previous equity interest in the acquiree over the (b) fair value of the identifiable net assets acquired is recorded as goodwill.

Acquisitions of entities under common control have been accounted for using the pooling-of-interest method. Under this method:

- The consolidated financial statements of the Group have been prepared as if the Group structure immediately after the transaction has been in existence since the earliest date the entities are under common control;
- The assets and liabilities are brought into the consolidated financial statements at their existing carrying amounts from the perspective of the controlling party;
- The consolidated statement of comprehensive income includes the results of the acquired entities since the earliest date the entities are under common control;
- The cost of investment is recorded at the aggregate of the nominal value of the equity shares issued, cash and cash equivalents and fair values of other consideration; and
- On consolidation, the difference between the cost of investment and the nominal value of the share capital of the merged subsidiary corporation is taken to merger reserve.

NOTES TO THE FINANCIAL STATEMENTS

For the Financial Year Ended 31 March 2026

2 MATERIAL ACCOUNTING POLICIES (CONTINUED)

2.4 Group accounting (continued)

(a) *Subsidiary corporations (continued)*

(iii) *Disposals*

When a change in the Group's ownership interest in a subsidiary corporation results in a loss of control over the subsidiary corporation, the assets and liabilities of the subsidiary corporation including any goodwill are derecognised. Amounts previously recognised in other comprehensive income in respect of that entity are also reclassified to profit or loss or transferred directly to retained profits if required by a specific SFRS(I).

Any retained equity interest in the entity is remeasured at fair value. The difference between the carrying amount of the retained interest at the date when control is lost and its fair value is recognised in profit or loss.

The accounting policy on the investments in subsidiary corporations in the separate financial statements of the Company is disclosed in Note 2.8 to the financial statements.

(b) *Transactions with non-controlling interests*

Changes in the Group's ownership interest in a subsidiary corporation that do not result in a loss of control over the subsidiary corporation are accounted for as transactions with equity owners of the Company. Any difference between the change in the carrying amounts of the non-controlling interest and the fair value of the consideration paid or received is recognised within equity attributable to the equity holders of the Company.

(c) *Associated companies*

Associated companies are entities over which the Group has significant influence, but not control, generally accompanied by a shareholding giving rise to voting rights of 20% and above.

Investments in associated companies are accounted for in the consolidated financial statements and the separate financial statements of the Company using the equity method of accounting less impairment losses, if any.

(i) *Acquisitions*

Investments in associated companies are initially recognised at cost. The cost of an acquisition is measured at the fair value of the assets given, equity instruments issued or liabilities incurred or assumed at the date of exchange, plus costs directly attributable to the acquisition. Goodwill on associated companies represent the excess of the cost of acquisition of the associated companies over the Group's share of the fair value of the identifiable net assets of the associated companies are included in the carrying amount of the investments.

NOTES TO THE FINANCIAL STATEMENTS

For the Financial Year Ended 31 March 2026

2 MATERIAL ACCOUNTING POLICIES (CONTINUED)

2.4 Group accounting (continued)

(c) *Associated companies (continued)*

(iii) *Equity method of accounting*

Under the equity method of accounting, the investments are initially recognised at cost and adjusted thereafter to recognise the Group's share of its associated companies' post-acquisition profits or losses of the investee in profit or loss and its share of movements in other comprehensive income of the investee's other comprehensive income. Dividends received or receivable from the associated companies are recognised as a reduction of the carrying amount of the investments. When the Group's share of losses in associated companies equals to or exceeds its interest in the associated companies, the Group does not recognise further losses, unless it has legal or constructive obligations to make, or has made, payments on behalf of the associated companies. If the associated companies subsequently reports profits, the Group resumes recognising its share of those profits only after its share of the profits equals the share of losses not recognised.

Unrealised gains on transactions between the Group and its associated companies are eliminated to the extent of the Group's interest in the associated companies. Unrealised losses are also eliminated unless the transactions provide evidence of impairment of the assets transferred. The accounting policies of associated companies are changed where necessary to ensure consistency with the accounting policies adopted by the Group.

(iii) *Disposals*

Investments in associated companies are derecognised when the Group and the Company loses significant influence. If the retained equity interest in the former associated company is a financial asset, the retained equity interest is remeasured at fair value. The difference between the carrying amount of the retained interest at the date when significant influence is lost, and its fair value and any proceeds on partial disposal, is recognised in profit or loss.

The accounting policy on the investments in associated companies in the separate financial statements of the Company is disclosed in Note 2.8 to the financial statements.

2.5 Property, plant and equipment

(a) *Measurement*

(i) *Property, plant and equipment*

Property, plant and equipment are initially recognised at cost and subsequently carried at cost less accumulated depreciation and accumulated impairment losses.

(ii) *Components of costs*

The cost of an item of property, plant and equipment initially recognised includes its purchase price and any cost that is directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management.

NOTES TO THE FINANCIAL STATEMENTS

For the Financial Year Ended 31 March 2026

2 MATERIAL ACCOUNTING POLICIES (CONTINUED)

2.5 Property, plant and equipment (continued)

(b) Depreciation

Depreciation on property, plant and equipment is calculated using the straight-line method to allocate their depreciable amounts over their estimated useful lives as follows:

	<u>Useful lives</u>
Computers and office equipment	3 to 5 years
Furniture, fittings and renovation	5 years
Lighting equipment	10 years
Motor vehicles	5 years
Rental equipment	5 and 10 years

The residual values, estimated useful lives and depreciation method of property, plant and equipment are reviewed, and adjusted as appropriate, at each reporting date. The effects of any revision are recognised in profit or loss when the changes arise.

Fully depreciated property, plant and equipment are retained in the financial statements until they are no longer in use.

(c) Subsequent expenditure

Subsequent expenditure relating to property, plant and equipment that has already been recognised is added to the carrying amount of the asset only when it is probable that future economic benefits associated with the item will flow to the entity and the cost of the item can be measured reliably. All other repair and maintenance expenses are recognised in profit or loss when incurred.

(d) Disposal

On disposal of an item of property, plant and equipment, the difference between the disposal proceeds and its carrying amount is recognised in profit or loss within "Other losses – net".

2.6 Intangible assets

Intangible assets comprised of intellectual property rights and development content recognised by the Group for conceptual ideas or specific content. It is initially recognised at cost and subsequently carried at cost less accumulated amortisation and accumulated impairment losses. Amortisation on IP rights and development content is calculated on straight-line basis over maximum useful life of 10 years. The amortisation is recognised to profit or loss over its useful life.

The remaining amortisation period for intellectual property rights is 2 years (2025: 3 years) and development content is 7 years (2025: 8 years).

NOTES TO THE FINANCIAL STATEMENTS

For the Financial Year Ended 31 March 2026

2 MATERIAL ACCOUNTING POLICIES (CONTINUED)

2.7 Borrowing costs

Borrowing costs are recognised in profit or loss using the effective interest method.

2.8 Investments in subsidiary corporations and associated companies

Investments in subsidiary corporations are carried at cost less accumulated impairment losses in the Company's statement of financial position.

Investments in associated companies is accounted using the equity method of accounting less impairment losses, if any, in the Company's statement of financial position.

On disposal of such investments, the difference between disposal proceeds and the carrying amounts of the investments are recognised in profit or loss.

2.9 Impairment of non-financial assets

Property, plant and equipment, intangible assets, other current assets and investments in subsidiary corporations and associated companies are tested for impairment whenever there is any objective evidence or indication that these assets may be impaired.

For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less costs of disposal ("**FVLCOD**") and the value-in-use ("**VIU**")) is determined on an individual asset basis unless the asset does not generate cash inflows that are largely independent of those from other assets. If this is the case, the recoverable amount is determined for the cash-generating units ("**CGU**") to which the asset belongs.

If the recoverable amount of the asset (or CGU) is estimated to be less than its carrying amount, the carrying amount of the asset (or CGU) is reduced to its recoverable amount.

The difference between the carrying amount and recoverable amount is recognised as an impairment loss in profit or loss.

For an asset other than goodwill, management assesses at the end of the reporting period whether there is any indication that an impairment recognised in prior periods may no longer exist or may have decreased. If any such indication exists, the recoverable amount of that asset is estimated and may result in a reversal of impairment loss. The carrying amount of this asset is increased to its revised recoverable amount, provided that this amount does not exceed the carrying amount that would have been determined (net of any accumulated amortisation or depreciation) had no impairment loss been recognised for the asset in prior years.

A reversal of impairment loss for an asset is recognised in profit or loss.

2 MATERIAL ACCOUNTING POLICIES (CONTINUED)

2.10 Financial assets

(a) *Classification and measurement*

The Group classifies its financial assets at amortised cost and fair value through profit or loss ("**FVPL**").

The classification depends on the Group's business model for managing the financial assets as well as the contractual terms of the cash flows of the financial asset.

The Group reclassifies debt instruments when and only when its business model for managing those assets changes.

At initial recognition

At initial recognition, the Group measures a financial asset at its fair value plus, in the case of a financial asset not at FVPL, transaction costs that are directly attributable to the acquisition of the financial asset. Transaction costs of financial asset carried at FVPL are expensed in profit or loss.

At subsequent measurement

Debt instruments mainly comprise of cash and cash equivalents, trade and other receivables and investment in debt instruments.

There are two subsequent measurement categories, depending on the Group's business model for managing the assets and the cash flow characteristics of the asset.

- *Amortised cost*

Debt instruments that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost. A gain or loss on a debt instrument that is subsequently measured at amortised cost and is not part of a hedging relationship is recognised in profit or loss when the asset is derecognised or impaired.

Interest income from these financial assets is recognised using the effective interest rate method.

- *Fair value through profit or loss ("**FVPL**")*

Debt instruments that are held for trading as well as those that do not meet the criteria for classification as amortised cost or FVOCI are classified as FVPL. Movement in fair values and interest income is recognised in profit or loss in the period in which it arises and presented in revenue as set out in Note 2.2(b)(iii) to the financial statements.

Foreign exchange gains and losses that related to financial assets, at FVPL are presented within "Other losses – net".

2 MATERIAL ACCOUNTING POLICIES (CONTINUED)

2.10 Financial assets (continued)

(b) Impairment

The Group assesses on a forward-looking basis the expected credit losses associated with its debt financial assets carried at amortised cost. The impairment methodology applied depends on whether there has been a significant increase in credit risk. Note 29(b) to the financial statements details how the Group determines whether there has been a significant increase in credit risk.

For trade receivables, the Group applies the simplified approach permitted by SFRS(I) 9, which requires expected lifetime losses to be recognised from initial recognition of the receivables.

For cash and bank balances and other receivables, the general 3 stage approach is applied. Credit loss allowance is based on 12-month expected credit loss if there is no significant increase in credit risk since initial recognition of the assets. If there is a significant increase in credit risk since initial recognition, lifetime expected credit loss will be calculated and recognised.

(c) Recognition and derecognition

Regular way purchases and sales of financial assets are recognised on trade date – the date on which the Group commits to purchase or sell the asset.

Financial assets are derecognised when the rights to receive cash flows from the financial assets have expired or have been transferred and the Group has transferred substantially all risks and rewards of ownership.

On disposal of a debt instrument, the difference between the carrying amount and the sales proceed is recognised in profit or loss. Any amount previously recognised in other comprehensive income relating to that asset is reclassified to profit or loss.

2.11 Other current assets

The other current assets comprised of prepaid expenses relate to event expenses including show/event fee advances or deposits and other costs directly related to future shows/events. These prepaid costs are charged to statement of comprehensive income upon completion of the related shows/events.

2.12 Offsetting of financial instruments

Financial assets and liabilities are offset and the net amount reported in the statement of financial position when there is a legally enforceable right to offset and there is an intention to settle on a net basis or realise the asset and settle the liabilities simultaneously.

NOTES TO THE FINANCIAL STATEMENTS

For the Financial Year Ended 31 March 2026

2 MATERIAL ACCOUNTING POLICIES (CONTINUED)

2.13 Financial guarantees

The Company has issued a corporate guarantee to a bank for a banking facility of its subsidiary corporation. This guarantee is a financial guarantee as it requires the Company to reimburse the banks if the subsidiary corporation fail to make principal or interest payments when due in accordance with the terms of its borrowings. Intra-group transactions are eliminated on consolidation.

Financial guarantee contracts are initially measured at fair value plus transaction costs and subsequently measured at the higher of:

- (a) premium received on initial recognition less the cumulative amount of income recognised in accordance with the principles of SFRS(I) 15 *Revenue from Contracts with Customers*; and
- (b) the amount of expected loss computed using the impairment methodology under SFRS(I) 9 under Note 2.10 to the financial statements.

2.14 Borrowings

Borrowings are presented as current liabilities unless the Group has an unconditional right to defer settlement for at least 12 months after the reporting date, in which case they are presented as non-current liabilities.

Covenants that the Group is required to comply with on or before the end of the reporting period are considered in classifying loan arrangements with covenants as current or non-current. Covenants that the Group is required to comply with after the reporting period do not affect the classification at the reporting date.

Borrowings are initially recognised at fair value (net of transaction costs) and subsequently carried at amortised cost. Any difference between the proceeds (net of transaction costs) and the redemption value is recognised in profit or loss over the period of the borrowings using the effective interest method.

2.15 Trade and other payables

Trade and other payables represent liabilities for goods and services provided to the Group prior to the end of financial year which are unpaid. They are classified as current liabilities if payment is due within one year or less (or in the normal operating cycle of the business if longer). Otherwise, they are presented as non-current liabilities.

Trade and other payables are initially recognised at fair value, and subsequently carried at amortised cost using the effective interest method.

2.16 Leases

(i) *When the Group is the lessee:*

At the inception of the contract, the Group assesses if the contract contains a lease. A contract contains a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. Reassessment is only required when the terms and conditions of the contract are changed.

- Right-of-use assets (presented within “**Property, plant and equipment**”)

The Group recognised a right-of-use asset and lease liability at the date which the underlying asset is available for use. Right-of-use assets are measured at cost which comprises the initial measurement of lease liabilities adjusted for any lease payments made at or before the commencement date and lease incentive received.

Any initial direct costs that would not have been incurred if the lease has not been obtained are added to the carrying amounts of the right-of-use assets.

This right-of-use asset is subsequently depreciated using the straight-line method from the commencement date to the earlier of the end of the useful life of the right-of-use asset or the end of the lease term.

	<u>Useful lives</u>
Motor vehicle	2 years
Office and warehouse spaces	3 years
Office equipment	5 years

- Lease liabilities

The initial measurement of a lease liability is measured at the present value of the lease payments discounted using the implicit rate in the lease, if the rate can be readily determined. If that rate cannot be readily determined, the Group shall use its incremental borrowing rate.

Lease payments include the following:

- Fixed payment (including in-substance fixed payments), less any lease incentives receivables;
- Variable lease payment that are based on an index or rate, initially measured using the index or rate as at the commencement date;
- Amount expected to be payable under residual value guarantees;
- The exercise price of a purchase option if it is reasonably certain to exercise the option; and
- Payment of penalties for terminating the lease, if the lease term reflects the Group exercising that option.

2 MATERIAL ACCOUNTING POLICIES (CONTINUED)

2.16 Leases (continued)

(i) When the Group is the lessee: (continued)

- Lease liabilities (continued)

For a contract that contain both lease and non-lease components, the Group allocates the consideration to each lease component on the basis of the relative stand-alone price of the lease and non-lease component. The Group has elected to not separate lease and non-lease component for property leases and account these as one single lease component.

Lease liability is measured at amortised cost using the effective interest method. Lease liability shall be remeasured when:

- There is a change in future lease payments arising from changes in an index or rate;
- There is a change in the Group's assessment of whether it will exercise an extension option; or
- There is a modification in the scope or the consideration of the lease that was not part of the original term.

Lease liability is remeasured with a corresponding adjustment to the right-of-use asset, or is recorded in profit or loss if the carrying amount of the right-of-use asset has been reduced to zero.

- Short term and low value leases

The Group has elected to not recognise right-of-use assets and lease liabilities for short-term leases and leases of low value leases. Lease payments relating to these leases are expensed to profit or loss on a straight-line basis over the lease term.

The Group leases equipment under operating leases to non-related party.

- Lessor – operating leases

Leases where the Group retains substantially all risks and rewards incidental to ownership are classified as operating leases. Rental income from operating leases (net of any incentives given to the lessees) is recognised in profit or loss on a straight-line basis over the lease term.

Initial direct costs incurred by the Group in negotiating and arranging operating leases are added to the carrying amount of the leased assets and recognised as an expense in profit or loss over the lease term on the same basis as the lease income.

Contingent rents are recognised as income in profit or loss when earned.

2.17 Income taxes

Current income tax for current and prior periods is recognised at the amount expected to be paid to or recovered from the tax authorities, using the tax rates and tax laws that have been enacted or substantively enacted by the reporting date. Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation and considers whether it is probable that a tax authority will accept an uncertain tax treatment. The Group measures its tax balances either based on the most likely amount or the expected value, depending on which method provides a better prediction of the resolution of the uncertainty.

Deferred tax is recognised for all temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements except when the deferred tax arises from the initial recognition of goodwill or an asset or liability in a transaction that is not a business combination and affects neither accounting nor taxable profit or loss at the time of the transaction.

A deferred tax liability is recognised on temporary differences arising on investments in subsidiary corporations except where the Group is able to control the timing of the reversal of the temporary difference and it is probable that the temporary difference will not reverse in the foreseeable future.

A deferred tax asset is recognised to the extent that it is probable that future taxable profit will be available against which the deductible temporary differences and tax losses can be utilised.

Deferred tax is measured:

- (i) at the tax rates that are expected to apply when the related deferred tax asset is realised or the deferred tax liability is settled, based on tax rates and tax laws that have been enacted or substantively enacted by the reporting date; and
- (ii) based on the tax consequence that will follow from the manner in which the Group expects, at the reporting date, to recover or settle the carrying amounts of its assets and liabilities.

Current and deferred taxes are recognised as income or expense in profit or loss.

2.18 Provisions

Provisions are recognised when the Group has a present legal or constructive obligation as a result of past events, it is more likely than not that an outflow of resources will be required to settle the obligation and the amount has been reliably estimated. Provisions are not recognised for future operating losses.

Provisions are measured at the present value of the expenditure expected to be required to settle the obligation using a pre-tax discount rate that reflects the current market assessment of the time value of money and the risks specific to the obligation. The increase in the provision due to the passage of time is recognised in the statement of comprehensive income as finance expense.

Changes in the estimated timing or amount of the expenditure or discount rate are recognised in profit or loss when the changes arise.

2 MATERIAL ACCOUNTING POLICIES (CONTINUED)

2.19 Employee compensation

Employee benefits are recognised as an expense, unless the cost qualifies to be capitalised as an asset.

(a) *Defined contribution plans*

Defined contribution plans are post-employment benefit plans under which the Group pays fixed contributions into separate entities such as the Central Provident Fund on a mandatory, contractual or voluntary basis. The Group has no further payment obligations once the contributions have been paid.

(b) *Employee leave entitlements*

Employee entitlements to annual leave are recognised when they accrue to employees. A provision is made for the estimated liability for annual leave as a result of services rendered by employees up to the reporting date.

(c) *Profit sharing and bonus plan*

The Group recognises a liability and an expense for bonuses, based on a formula that takes into consideration of profit attributable to the Company's shareholders after certain adjustments. The Group recognises a provision when contractual obliged to pay or when there is a past practice that has created a constructive obligation to pay.

2.20 Currency translation

(a) *Functional and presentation currency*

Items included in the financial statements of each entity in the Group are measured using the currency of the primary economic environment in which the entity operates ("**functional currency**"). The financial statements are presented in Singapore Dollars, which is the functional currency of the Company.

(b) *Transactions and balances*

Transactions in a currency other than the functional currency ("**foreign currency**") are translated into the functional currency using the exchange rates at the dates of the transactions. Currency exchange differences resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at the closing rates at the reporting date are recognised in profit or loss. Monetary items include primarily financial assets and financial liabilities. However, in the consolidated financial statements, currency translation differences arising from borrowings in foreign currencies and other currency instruments designated and qualifying as net investment hedges and net investment in foreign operations, are recognised in other comprehensive income and accumulated in the currency translation reserve.

When a foreign operation is disposed of or any loan forming part of the net investment of the foreign operation is repaid, a proportionate share of the accumulated currency translation differences is reclassified to profit or loss, as part of the gain or loss on disposal.

All foreign exchange gains and losses impacting profit or loss are presented in the consolidated statement of comprehensive income within "Other losses – net".

Non-monetary items measured at fair values in foreign currencies are translated using the exchange rates at the date when the fair values are determined.

2 MATERIAL ACCOUNTING POLICIES (CONTINUED)

2.20 Currency translation (continued)

(c) Translation of Group entities' financial statements

The results and financial position of all the Group entities (none of which has the currency of a hyperinflationary economy) that have a functional currency different from the presentation currency are translated into the presentation currency as follows:

- (i) assets and liabilities are translated at the closing exchange rates at the reporting date;
- (ii) income and expenses are translated at average exchange rates (unless the average is not a reasonable approximation of the cumulative effect of the rates prevailing on the transaction dates, in which case income and expenses are translated using the exchange rates at the dates of the transactions); and
- (iii) all resulting currency translation differences are recognised in other comprehensive income and accumulated in the currency translation reserve. These currency translation differences are reclassified to profit or loss on disposal or partial disposal with loss of control of the foreign operation.

Goodwill and fair value adjustments arising on the acquisition of foreign operations are treated as assets and liabilities of the foreign operations and translated at the closing rates at the reporting date.

2.21 Segment reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the Group's chief operating decision-maker whose members are responsible for allocating resources and assessing performance of the operating segments.

2.22 Cash and cash equivalents

For the purpose of presentation in the consolidated statement of cash flows, cash and cash equivalents include cash on hand and deposits with financial institutions which are subject to an insignificant risk of change in value.

2.23 Share capital and treasury shares

Ordinary shares are classified as equity. Incremental costs directly attributable to the issuance of new ordinary shares are deducted against the share capital account.

When any entity within the Group purchases the Company's ordinary shares ("**treasury shares**"), the carrying amount which includes the consideration paid and any directly attributable transaction cost is presented as a component within equity attributable to the Company's equity holders, until they are cancelled, sold or reissued.

When treasury shares are subsequently cancelled, the cost of treasury shares are deducted against the share capital account if the shares are purchased out of capital of the Company, or against the retained profits of the Company if the shares are purchased out of earnings of the Company.

When treasury shares are subsequently sold or reissued pursuant to an employee share option scheme, the cost of treasury shares is reversed from the treasury share account and the realised gain or loss on sale or reissue, net of any directly attributable incremental transaction costs and related income tax, is recognised in the capital reserve.

Dividends to the Company's shareholders are recognised when the dividends are approved for payment.

3 CRITICAL ACCOUNTING ESTIMATES, ASSUMPTIONS AND JUDGEMENTS

Estimates, assumptions and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

(a) Expected credit losses ("**ECL**") on trade and other receivables

The loss allowance for trade and other receivables are based on expected credit losses. The Group uses judgements and estimates in making these assumptions and selecting the inputs to the ECL, which take into accounts relevant historical information to evaluate the probability of default of trade and other receivables and incorporated forward-looking information including, inflation rate, GDP growth rate and unemployment rate at the end of each reporting period. The amount of ECL is sensitive to changes in circumstances and forward-looking information. The Group's historical credit loss experience and applied forward looking information may also not be representative of a debtor's actual default in the future. Changes in these assumptions and estimates could materially affect the results of the assessment and it may be necessary to make an additional loss allowance to profit or loss.

The carrying amount of the Group's and the Company's trade and other receivables are disclosed in Note 13 to the financial statements.

The Group's credit risk exposure for trade and other receivables is set out in Note 30(b) to the financial statements.

(b) Valuation of property, plant and equipment ("**PPE**") and intangible assets

Intangible assets with finite useful lives and property, plant and equipment are tested for impairment whenever there is any objective evidence or indication that these assets may be impaired.

During the financial year, impairment indicators were identified in certain items of PPE and an intangible asset following a reassessment of the Group's strategic plans and future business prospects. These indicators arose primarily from changing market conditions and a reduction in the expected of future economic benefits to be derived from the assets. Accordingly, management performed impairment assessments and estimated the recoverable amounts of the respective assets. No impairment indicators were identified for the Group's remaining PPE and intangible asset.

For the Financial Year Ended 31 March 2026

3 CRITICAL ACCOUNTING ESTIMATES, ASSUMPTIONS AND JUDGEMENTS (CONTINUED)

(b) Valuation of property, plant and equipment ("PPE") and intangible assets (continued)

Intangible assets

For the intangible assets related to development content, with a carrying amount of \$4,856,541 as at 31 March 2026, management identified impairment indicators and performed an impairment assessment to determine the recoverable amount. The recoverable amount was assessed based on the FVL COD and VIU methods. In assessing FVL COD, management take into consideration market participants information, including observable market prices and comparable transaction evidence. In assessing the VIU, the estimated future cash flow is discounted to their present value using a pre-tax discount rate that reflects market assessment of the time value of money and risk specific of the asset.

Based on the impairment assessment, there are no observable market transactions involving comparable assets, and no third-party interest in acquiring or licensing the content. Accordingly, the FVL COD has been assessed to be insignificant. In estimating VIU, management determined that future cash flows could not be reliably estimated as there is currently no defined timeline for project execution, no supportable revenue projections, and no approved budgets or operational plans demonstrating the ability of the development content to generate future economic benefits. Accordingly, future cash flows cannot be reliably estimates, and VIU were assessed to be insignificant. Consequently, management concluded that recoverable amount of the development content was nil and recognised a full impairment loss of \$4,856,541 during the current financial year. The carrying amount of intangible assets as at 31 March 2026 are disclosed in Note 21 to the financial statements.

Property, plant and equipment

The Group reviews its PPE for indications of impairment at the end of each reporting period. In the event potential impairment indicators are identified, the Group will use projections of future cash flows to determine the recoverable amounts from the assets based on management assumptions.

As at 31 March 2026, management has assessed that apart from PPE held by its subsidiary corporation – UnUsUaL Development Pte. Ltd. ("**UDSG**"), comprising lighting and rental equipment with carrying amount of \$555,596, there was no indication of impairment for remaining PPE.

In assessing the VIU, management considered factors such as the lack of secured major projects in current financial year, uncertainty regarding the future project pipeline, reduced equipment utilisation rates, and continued loss-making performance by UDSG. Given these conditions, there are no reliable and supportable future cash flow projections. Accordingly, the recoverable amount based on VIU is assessed to be significantly lower than the carrying amount.

In assessing the FVL COD, management considered the estimated resale value of the equipment, taking into account its specialised nature, age, condition and current market demand. The estimated recoverable value from disposal is limited and substantially below the carrying amount. In addition, the costs and time required to identify potential buyers, market the equipment and complete a sale would likely outweigh any economic benefit derived from disposal.

Based on the impairment assessment, the Group recognised an impairment loss of \$555,596 and the carrying amount of PPE as at 31 March 2026 are disclosed in Note 17 to the financial statements.

The recoverable amount of certain PPE is assessed based on the equipment's resale value, market demand, condition, and the costs and time required to effect disposal, which involves significant management judgement and estimation, all of which are influenced by prevailing market and economic conditions.

(c) Financial assets, at FVPL

When the fair value of financial instruments at FVPL recorded in the statement of financial position cannot be measured/derived based on quote prices in active markets, their fair values are determined using valuation techniques including discounted cash flow models. The inputs of these models taken relevant observable markets/sources where possible, but where this is not feasible, certain degrees of judgement and estimates are required in establishing fair values. The valuation requires management to make certain key assumptions with significant estimates and judgements, including, inter alia, estimated ticket sales, estimated cost of sales, discount rate and other relevant factors. Changes in assumptions and estimates relating to these factors could affect the reported fair value of the financial assets.

The carrying amount of the financial assets, at FVPL are disclosed in Note 15 to the financial statements.

(i) Included in the settlement is an outstanding receivable amounting to \$93,989 (2025: \$557,433) relating to the events has been completed but which remained unpaid as at year-end. This amount is included under trade receivables.

The financial assets, at FVPL represent investments in concerts and other entertainment events, which entitle the Group to, among others, the rights to share a certain percentage of the net profit or loss of the respective concerts and entertainment events attributed to the Group, as appropriate, in accordance with the terms of the respective investment agreements. These investments are classified as financial assets at FVPL as their contractual cash flows are not solely payments of principal and interest.

The Group performed valuation assessment for the financial assets, at FVPL to determine the fair value for its investment in concerts and other entertainment events at each financial year end. As these instruments are not traded in an active market, their fair values have been determined by using valuation techniques, including discounted cash flow approach, taking into consideration market participants information to evaluate the fair value of these investments in concerts and other entertainment events as at 31 March 2026 and 2025. The key assumptions used in the valuation includes, but not limited to, estimated ticket sales, estimated cost of sales, and discount rate. Based on the Group's evaluation, the fair value gain on the investments amounting to \$178,209 (2025: fair value loss of \$2,146,065) had been recognised under revenue for the financial year ended 31 March 2026.

Total unrealised fair value gain for the financial year ended 31 March 2026 included in consolidated statement of comprehensive income for financial assets, at FVPL at the end of the financial year amounting to \$234,321 (2025: fair value loss of \$1,441,486).

The fair values are within Level 3 of the fair value hierarchy.

On 1 August 2025, the Group entered into a partnership agreement with a counterparty in relation to two concerts held in the People's Republic of China. Under the agreement, the Group was designated as the investor and event owner, while the counterparty was responsible for the production, marketing, ticketing management and overall operational execution of the concerts. The agreement did not require the Group to make any upfront investment. Ticketing proceeds were collected and managed by the counterparty and, after deduction of agreed concert costs, the Group became entitled to the residual profits arising from the concerts.

Following completion of the concerts, management received a settlement summary from the counterparty setting out the reported ticket sales and concert-related costs. Based on the settlement summary, the Group issued an invoice of approximately CNY57,889,747 in respect of ticket sales and received invoices totalling approximately CNY37,937,177 for concert-related costs from the counterparty on behalf of the counterparty's affiliate (collectively the "counterparties"). Subsequently, the Group entered into an offset agreement with the counterparties to settle the respective balances arising from the partnership agreement. Following the offset, a net receivable of approximately CNY19,952,570 (\$3,627,986) remained due to the Group, which management recognised as net revenue of CNY19,952,570 (\$3,627,986).

16 OTHER INVESTMENT, AT AMORTISED COST (CONTINUED)

Subsequent to the partnership agreement, the Group entered into a second arrangement with the same counterparty, described as an investment arrangement was signed. The receivable amounting to \$3,627,986 arising from the earlier partnership agreement was derecognised and incorporated into this second arrangement. Another receivable amounting to \$350,000 from another transaction was also derecognised and incorporated into this second arrangement. In addition, the Group remitted \$3,278,000 in cash to the counterparty under the said arrangement. The contractual terms of the investment arrangement provide for repayment of the \$7,255,986 together with a fixed contractual return of 10%, payable over a specified repayment period. Under the original terms of the investment arrangement, repayment was scheduled in four instalments in April 2026, July 2026, October 2026 and January 2027. Subsequent to the financial year end, the parties agreed to revise the repayment schedule, with the repayment dates deferred to June 2026, August 2026, November 2026 and February 2027.

Certain future concert activities were expected to generate the economic returns from which the counterparty would satisfy its contractual obligation to repay the principal amount together with the contractual 10% return. Management has recognised a related interest income of \$222,213 during the financial year.

The investment is measured at amortised cost as management has assessed that it is held within a business model whose objective is to collect contractual cash flows. In addition, the contractual terms of the investment give rise to cash flows that are solely payments of principal and interest on the principal amount outstanding and with interest income recognised using the effective interest method.

Management assessed the impact of the revised repayment schedule and concluded that the revised repayment plan does not result in a substantial change to the contractual cash flows of the investment. Management has further evaluated the expected credit risk associated with the investment and is of the view that the deferment of the repayment dates, in and of itself, does not indicate a significant increase in credit risk. Accordingly, no loss allowance was recognised on the investment during the financial year.

NOTES TO THE FINANCIAL STATEMENTS

For the Financial Year Ended 31 March 2026

17 PROPERTY, PLANT AND EQUIPMENT (CONTINUED)

Right-of-use assets acquired under the leasing arrangement are presented together with owned assets of the same class. Details of such leased assets are disclosed in Note 18 to the financial statements.

As at 31 March 2026, no impairment indicators were identified for the Group's property, plant and equipment, except for lighting and rental equipment with a carrying amount of \$555,596. During the current financial year, the utilisation of certain lighting and rental equipment declined significantly due to the absence of major confirmed projects by the subsidiary corporation, UDSG.

In assessing the recoverable amount, management considered both value-in-use ("VIU") and fair value less costs of disposal ("FVLCD") approaches:

- VIU approach: Management considered various factors, including the absence of any secured major projects during the current financial year, uncertainty surrounding the future project pipeline, reduced utilisation of the equipment, and the continuing loss-making performance of UDSG. In light of these factors, management concluded that reliable and supportable future cash flow projections could not be established. Accordingly, the recoverable amount determined under VIU was assessed to be significantly lower than the carrying amount.
- FVLCD approach: Management estimated the potential resale value of the equipment, by considering factors such as its specialised nature, age, condition and prevailing market demand. Due to the limited secondary market for such equipment, the estimated proceeds from disposal were assessed to be significantly lower than the carrying amount. In addition, management considered the costs and practical challenges associated with disposal, including time required to identify suitable potential buyers, market the equipment and complete the sale process. Based on these considerations, management concluded that the net recoverable amount under the FVLCD approach would be substantially lower than the carrying amount.

Accordingly, the recoverable amount of the lighting and rental equipment was assessed to be insignificant, and a full impairment loss was recognised during the financial year.

In the prior financial year ended 31 March 2025, no impairment indicators were identified, except for rental equipment with carrying amount of \$5,173,587. This was due to the end of the previous tenancy arrangement, following which management had been actively exploring alternative uses or seeking new tenants. However, the market for this type of asset is niche, no conclusive agreements have been reached despite a few potential negotiations. Due to absence of continued expected future economic benefits, the management was unable to reliably determine the recoverable amount using VIU method. Accordingly, management determined the recoverable amount using the FVLCD method based on the available market quotations.

Based on the impairment assessment, the Group has recognised an impairment loss of \$555,596 (2025: \$5,173,587) for the financial year ended 31 March 2026.

If the quoted price increase by 10%, the recoverable amount of the rental equipment would have been higher by \$26,129) as at 31 March 2025.

The depreciation charge for the financial year included in cost of sales and administrative expenses amounting to \$1,870,290 (2025: \$2,384,848) and \$495,342 (2025: \$332,683) respectively.

As at 31 March 2026, impairment indicators were identified for development content. Management has determined the recoverable amount using both FVLCO and VIU methods. There is no observable market for the sale or licensing of the development content, and no third-party interest has been identified. Accordingly, the FVLCO has been assessed to be insignificant. In addition, management noted that there is no defined timeline for project execution, no supportable revenue forecasts due to lack of detailed planning, and no committed budgets or operational plans. As such, future cash flows cannot be reliably estimated, and the VIU has been assessed to be insignificant.

In prior financial year ended 31 March 2025, impairment indicators were identified for development content. Management has engaged an independent certified valuer to assist in determining the recoverable amount as at 31 March 2025. The recoverable amount of the development content is determined by FVLCO using income approach which is higher of FVLCO and VIU methods for the financial years ended 31 March 2025.

NOTES TO THE FINANCIAL STATEMENTS

For the Financial Year Ended 31 March 2026

21 INTANGIBLE ASSETS (CONTINUED)

The key assumptions used in the estimation of recoverable amount by FVLCOD as at 31 March 2025 are as follows:

- The cash flow projection is based on market participants information which includes the estimated average ticket price and number of tickets sold per city, derived from comparable show/event. The cash flow projection also includes an industry profit margin of 20% and annual inflation rate of 3%.
- The pre-tax discount rate of 22.7% is derived from weighted average cost of capital ("WACC"). The WACC takes into account of cost of debt and cost of equity. The cost of equity is derived from the similar industry as benchmark. The cost of debt is based on the interest-bearing borrowing the Group is obliged to service.
- This fair value was based on an estimated cumulative net profit ranging from approximately \$1.3 million to \$3 million for the relevant period.

Based on the impairment assessment, the Group recognised an impairment loss of \$4,856,541 (2025: \$5,454,155) for the financial year ended 31 March 2026.

The fair values are within Level 3 of the fair value hierarchy.

The amortisation charge for the financial year is included in administrative expenses in the statement of comprehensive income.

Sensitivity analysis

If industry profit margin, annual inflation rate, and discount rate had changed by 2%) respectively with all other variables held constant as at 31 March 2025, the effects would have been:

30 FINANCIAL RISK MANAGEMENT

Financial risk factors

The Group's activities expose it to market risk (including currency risk, price risk and interest rate risk), credit risk, liquidity risk and capital risk. The Group's overall risk management strategy seeks to minimise adverse effects from the unpredictability of financial markets on the Group's financial performance.

The Board of Directors is responsible for setting the objectives and underlying principles of financial risk management for the Group. This includes establishing detailed policies such as authority levels, oversight responsibilities, risk identification and measurement, and exposure limits.

Financial risk management is carried out by the finance department in accordance with the policies set by the Board of Directors. The finance personnel identifies, evaluates and monitors financial risks in close co-operation with the Group's operating units. The finance personnel measures actual exposures against the limits set and prepares periodic reports for review by the Executive Directors. Regular reports are also submitted to the Board of Directors.

(a) Market risk

(i) *Currency risk*

The Group operates in Asia with dominant operations in Singapore, Malaysia, Hong Kong and People's Republic of China. Entities in the Group regularly transacts in currencies other than their respective functional currencies ("**foreign currencies**").

Currency risk arises within entities in the Group when transactions are denominated in foreign currencies such as the United States Dollar ("**USD**"), Hong Kong Dollar ("**HKD**"), Malaysian Ringgit ("**MYR**") and Chinese Yuan ("**CNY**"). To manage the currency risk, individual Group entities manage as far as possible by natural hedges of matching assets and liabilities.

NOTES TO THE FINANCIAL STATEMENTS

For the Financial Year Ended 31 March 2026

30 FINANCIAL RISK MANAGEMENT (CONTINUED)

(a) Market risk (continued)

(i) Currency risk (continued)

The Company is not exposed to significant currency risk as most of its financial assets and liabilities as at 31 March 2026 and 2025 are denominated in SGD. The currency risk exposure has been determined by the management as not material to the Company's profit for the financial years ended 31 March 2026 and 2025.

If the USD, MYR and CNY change against the SGD respectively with all other variables including tax rate being held constant, the effects arising from the net financial liability/asset position will be as follows:

	Group	
	2026	2025
	%	%

(ii) Price risk

The Group does not have exposure to equity price risk as it does not hold equity financial assets.

NOTES TO THE FINANCIAL STATEMENTS

For the Financial Year Ended 31 March 2026

30 FINANCIAL RISK MANAGEMENT (CONTINUED)

(a) Market risk (continued)

(iii) *Cash flow and fair value interest rate risks*

Cash flow interest rate risk is the risk that the future cash flows of a financial instrument will fluctuate because of changes in market interest rates. Fair value interest rate risk is the risk that the fair value of a financial instrument will fluctuate due to changes in market interest rates. As the Group has no significant interest-bearing assets, the Group's income is substantially independent of changes in market interest rates.

The Group's and the Company's borrowings at variable rates on which effective hedges have not been entered into are denominated mainly in SGD. If the SGD interest rates had been higher/lower by 0.50% (2025: 0.50%) with all other variables including tax rate being held constant, the loss after tax would have been higher/lower by \$20,000 (2025: \$6,875) as a result of higher/lower interest expense on these borrowings.

(b) Credit risk

Credit risk refers to the risk that a counterparty will default on its contractual obligations resulting in financial loss to the Group and the Company. The major classes of financial assets of the Group and the Company are cash and cash equivalents, trade and other receivables and other investment, at amortised cost. The Group's and the Company's exposure to credit risk arises primarily from trade and other receivables.

For banks and financial institutions, the Group mitigates its credit risks by transacting only with counterparties who are rated "A" and above by independent rating agencies.

For trade receivables, the Group performs credit reviews on new customers before acceptance and an annual review for existing customers. Credit reviews take into account customers' financial strength, the Group's past experiences with the customers and other relevant factors. For other receivables, the Group and the Company minimise credit risk by dealing only with reputable and/or good credit quality counterparties.

Management is of the view that the credit risk on the amount due from subsidiary corporations is mitigated as it is within the control of the Group to make repayments when necessary.

As the Group and the Company do not hold any collateral, the maximum exposure to credit risk for each class of financial instruments is the carrying amount of that class of financial instruments presented on the statement of financial position. There are no significant concentrations of credit risk, whether through exposure to individual customers, specific industry sectors and/or regions.

NOTES TO THE FINANCIAL STATEMENTS

For the Financial Year Ended 31 March 2026

30 FINANCIAL RISK MANAGEMENT (CONTINUED)

(b) Credit risk (continued)

(i) Trade receivables

The trade receivables of the Group comprise 3 debtors (2025: 3 debtors), which represented 41% (2025: 44%) of the total trade receivables.

The credit risk of trade receivables (before net of expected credit losses) based on the information provided to key management are as follows:

	Group	
	2026	2025
	\$	\$
<u>By geographical areas</u>		
Singapore	346,934	1,302,261
Malaysia	2,478,039	970,824
Hong Kong	3,130,956	3,309,353
Others	3,660,613	3,501,892
	9,616,542	9,084,330
<u>By types of customers</u>		
Related parties	734,388	812,833
Non-related parties	8,882,154	8,271,497
	9,616,542	9,084,330

The Group and the Company have applied the simplified approach by using the provision matrix to measure the lifetime expected credit losses ("ECL") for all trade receivables without significant financing component.

To measure the ECL, trade receivables have been grouped based on debtor-specific characteristics of its customers and days past due by reference to the Group's historical observed default rates, customers' ability to pay and adjusted to reflect current and forward-looking macroeconomic factors affecting the ability of the customers to settle the receivables. In calculating the ECL rates, the Group has identified the unemployment rate of the countries in which it generates revenue, GDP growth rate and inflation rate to be the most relevant factor, and accordingly adjusts the historical loss rates based on expected changes in these factors.

There has been no change in the estimation techniques or significant assumptions made during the current financial year.

For the Financial Year Ended 31 March 2026

30 FINANCIAL RISK MANAGEMENT (CONTINUED)

(b) Credit risk (continued)

(i) Trade receivables (continued)

Trade receivables are written off when there is no reasonable expectation of recovery. Indicators that there is no reasonable expectation of recovery include, amongst others, the failure of a debtor to engage in a repayment plan with the Group, and a failure to make contractual payments. The Group considers a financial asset as default if the counterparty fails to make contractual payments, unless it is rebuttable with reasonable and supportable information available that more lagging default criterion is more appropriate, and, writes off the financial asset when the counterparty has shown the indicators of financial difficulty and the Group has exhausted all means to recover the outstanding receivables. Where trade receivables have been written off, the Group continues to engage in enforcement activity to attempt to recover the receivables due. Where recoveries are made, these are recognised in profit or loss.

As at 31 March 2026, management has identified a group of specific trade receivables which is either with repayment plan with the Group or those which the Group did not expect to receive future cash flows. Hence, management has assessed the recoverability of these credit impaired receivables separately from the provision matrix below.

(b) Credit risk (continued)

(i) Trade receivables (continued)

The Group's credit risk exposure in relation to the remaining trade receivables under SFRS(I) 9 as at 31 March 2026 and 2025 are set out in the provision matrix as follows:

	← Past due →					
31 March 2026	Current	Within 365 days	1 to 2 years	2 to 3 years	More than 5 years	Total
Group	\$	\$	\$	\$	\$	\$

Loss allowance	–	14,394	25,006	277,350	3,890,830	4,207,580

No other loss allowance is recognised as the management believes that the amounts that are past due are collectible, based on historical payment behavior and credit-worthiness of the customers.

The movement in credit loss allowance on trade receivables are as follows:

	2026	2025
	\$	\$
Beginning of financial year	(6,351,320)	(4,601,309)
Loss allowance recognised in profit or loss	(814,483)	(1,762,533)

Currency translation differences	63,316	12,522
End of financial year	(7,063,087)	(6,351,320)

(ii) Other receivables

The Group and the Company used general approach for assessment of ECL for other receivables, i.e. non-trade amount due from non-related parties, associated companies, subsidiary corporations and loan to subsidiary corporations.

For the purpose of impairment assessment on other receivables, loss allowance is generally measured at an amount equal to 12-month ECL as there is low risk of default and strong capability to meet contractual cash flows. When the credit quality deteriorates and the resulting credit risk of other receivables increase significantly since its initial recognition, the 12-month ECL would be replaced by lifetime ECL.

NOTES TO THE FINANCIAL STATEMENTS

For the Financial Year Ended 31 March 2026

30 FINANCIAL RISK MANAGEMENT (CONTINUED)

(b) Credit risk (continued)

(ii) Other receivables (continued)

When determining whether the credit risk of a financial asset has increased significantly since initial recognition and when estimating the ECL, the Group and the Company considers reasonable and supportable information that is relevant and available without undue cost or effort. This includes both quantitative and qualitative information and analysis, based on the Group's and the Company's historical experience, informed credit assessment and forward-looking information.

As at 31 March 2026 and 2025, the Group and the Company have assessed that the other receivables from associated companies and other related parties have a low risk of default and a strong capacity to meet contractual cash flows, except for amount due from subsidiary corporations, loan to subsidiary corporations and a receivable from a non-related parties which they do not expect to receive cash inflow in near future. Accordingly, the Group and the Company has recognised a loss allowance of \$3,953,192 and \$12,652,752 respectively (2025: \$4,147,966 and \$Nil) as at 31 March 2026.

The movement in credit loss allowance on other receivables are as follows:

End of financial year	(12,652,752)	–

(iii) Other investment, at amortised cost

Other investments at amortised cost amounting to \$7,478,199 (2025: \$Nil) are considered as "low credit risk" based on management's assessment of the investees' financial profiles. These investees are assessed to have the capacity to meet their contractual cash flow obligations in the near term.

(iv) Cash and bank balances

As at 31 March 2026 and 2025, the Group and the Company have assessed that its cash and bank balances have low credit risk based on the external credit ratings of the counterparties. The amount of the allowance on cash and bank balances was negligible.

30 FINANCIAL RISK MANAGEMENT (CONTINUED)

(b) Credit risk (continued)

(v) Financial guarantee contracts

The Company has issued financial guarantees to banks for borrowings of its subsidiary corporations. These guarantees are subject to the impairment requirements of SFRS(I) 9. While certain subsidiary corporations are in a net liabilities position and ECL has been recognised on amounts due from these subsidiaries, the Company has assessed that no material ECL is required on the financial guarantees as the subsidiary corporations are expected to meet their contractual cash flow obligations. Accordingly, the Company does not expect significant credit losses arising from these guarantees.

(c) Liquidity risk

Prudent liquidity risk management includes maintaining sufficient cash and the availability of funding through an adequate amount of committed credit facilities. At the reporting date, assets held by the Group and the Company for managing liquidity risk included cash and cash equivalents as disclosed in Note 12 to the financial statements.

The table below analyses non-derivative financial liabilities of the Group and the Company into relevant maturity groupings based on the remaining period from the reporting date to the contractual maturity date. The amounts disclosed in the table are the contractual undiscounted cash flows. Balances due within 12 months equal their carrying amounts as the impact of discounting is not significant.

30 FINANCIAL RISK MANAGEMENT (CONTINUED)

(d) Capital risk

The Group's objectives when managing capital are to safeguard the Group's ability to continue as a going concern and to maintain an optimal capital structure so as to maximise shareholder value. In order to maintain or achieve an optimal capital structure, the Group may adjust the amount of dividend payment, return capital to shareholders, issue new shares, buy back issued shares, obtain new borrowings or sell assets to reduce borrowings.

Management monitors capital based on the financial position of the Group and the Company. Future decisions to raise capital and funds will be made with the objective to maintain positive working capital structure.

The liabilities-equity ratio is calculated as total liabilities divided by total equity.

	Group		Company	
	2026	2025	2026	2025
	\$	\$	\$	\$
Total liabilities	10,965,990	9,482,295	7,775,740	710,262
Total equity	18,469,898	27,988,635	11,596,908	24,273,322
Liabilities-equity ratio	59%	34%	67%	3%

Under the terms of a major bank borrowing, which has a carrying amount of \$1,000,000 (2025: \$1,375,000), the Group is required to maintain at the subsidiary corporation's level, a bank debt-to-net worth ratio of not more than 1.5 times which is tested on annual basis based on the audited financial statements.

The Group did not meet the financial covenant for the financial year ended 31 March 2026 as the subsidiary corporation was in negative bank debt-to-net worth ratio (2025: 0.34). As the subsidiary corporation was in a net liabilities position, the covenant requirement was not met as at the reporting date. The lending bank has granted a waiver in respect of this breach.

(e) Fair value measurements

The level of fair value measurement hierarchy is as follows:

- (i) Quoted prices (unadjusted) in active markets for identical assets or liabilities (Level 1);
- (ii) Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e., as prices) or indirectly (i.e., derived from prices) (Level 2); and
- (iii) Input for the asset or liability that are not based on observable market data (unobservable inputs) (Level 3).

The fair value of financial instruments that are not traded in an active market is determined by using valuation techniques. The Group uses a variety of methods and makes assumptions that are based on market conditions existing at each reporting date. Valuation techniques, such as estimated discounted cash flows, are used to determine fair value for the remaining financial instruments. Where a valuation technique for these instruments is based on significant unobservable inputs, such instruments are classified as Level 3.

NOTES TO THE FINANCIAL STATEMENTS

For the Financial Year Ended 31 March 2026

30 FINANCIAL RISK MANAGEMENT (CONTINUED)

(e) Fair value measurements (continued)

There were no transfer between Level 1, 2 and 3 during the financial year.

The carrying amount of financial assets and financial liabilities recorded in the consolidated financial statements approximates their fair values, except for financial assets, at FVPL and non-current borrowings. The fair value measurement disclosure can be found at Notes 15, and 23 to the financial statements respectively.

The following table shows the valuation techniques used in measuring Level 3 fair values, as well as the significant unobservable inputs used:

Description	Valuation technique	Significant unobservable inputs	Inter-relationship between key unobservable inputs and fair value measurement
Group			
Financial assets, at FVPL			
- Investments in concerts and other entertainment events	Discounted cash flows/ income approach	Discount rate of 9.0% (2025: 11.8%)	The higher the discount rate, the lower the fair value

32 SEGMENT INFORMATION

The Group's chief operating decision-maker ("**CODM**") comprises Chief Executive Officer and Chief Operating Officer. Management has determined the operating segments based on the reports reviewed by the CODM that are used to make strategic decisions, allocate resources, and assess performance.

The adjusted earnings before income, depreciation, income tax, amortisation and impairment ("**adjusted EBITDA**") is a supplementary indicator of performance used by the Group. The adjusted EBITDA is not governed by SFRS(I).

The Group was organised into three operating segments, which are relating to production, promotion and other activities. This is based on the Group's internal organisation and management structure and the primary way in which the CODM is provided with the financial information.

The three operating segments are mainly:

1. *Production*

Provision of stage sound system and equipment and rendering of technical services.

2. *Promotion*

Admission fees, investment income and sponsorship income and trading of performance rights.

3. *Others*

Provision of exhibition/concert halls and related equipment and co-management of exhibitions/concert halls.

There are no operating segments that have been aggregated to form the above reportable operating segments.

32 SEGMENT INFORMATION (CONTINUED)

Disclosure on the measures of total assets and total liabilities for each reportable segment was not presented as the CODM is of the opinion that it is not meaningful and impracticable as they do not use them for operating decision-making on allocation of resources and performance assessment.

Geographical information

Segmental revenue by geographical location is disclosed in Note 4 to the financial statements.

Information of major customer

Revenues of \$8,833,655 (2025: \$3,258,137) are derived from a single external customer. These revenues are attributable to the Malaysia ticketing sales on concerts and other entertainment events.

33 NEW OR REVISED ACCOUNTING STANDARDS AND INTERPRETATIONS

Below are the mandatory standards, amendments and interpretations to existing standards that have been published and are relevant for the Group's accounting periods beginning on or after 1 April 2026 and which the Group has not early adopted.

Amendments to SFRS(I) 1-21 - Lack of Exchangeability (effective for annual periods beginning on or after 1 January 2026)

SFRS(I) 1-21 is amended to add requirements to help entities to determine whether a currency is exchangeable into another currency, and the spot exchange rate to use when it is not. Prior to these amendments, SFRS(I) 1-21 set out the exchange rate to use when exchangeability is temporarily lacking, but not what to do when lack of exchangeability is not temporary.

Amendments to SFRS(I) 9 and SFRS(I) 7 - Amendments to the Classification and Measurement of Financial Instruments (effective for annual reporting periods beginning on or after 1 January 2026)

SFRS(I) 9 and SFRS(I) 7 are amended to respond to recent questions arising in practice, and to include new requirements not only for financial institutions but also for corporate entities. These amendments:

- clarify the timing of recognition and derecognition of some financial assets and liabilities, with a new exception for some financial liabilities settled through an electronic cash transfer system;
- clarify and add further guidance for assessing whether a financial asset meets the solely payments of principal and interest (SPPI) criterion;
- add new disclosures for certain instruments with contractual terms that can change cash flows (such as some financial instruments with features linked to the achievement of environment, social and governance targets); and
- update the disclosures for equity instruments designated at fair value through other comprehensive income (FVOCI).

33 NEW OR REVISED ACCOUNTING STANDARDS AND INTERPRETATIONS (CONTINUED)

SFRS(I) 18 - *Presentation and Disclosure in Financial Statements* (effective for annual reporting periods beginning on or after 1 January 2027)

SFRS(I) 18 replaces SFRS(I) 1-1 *Presentation of Financial Statements*, introducing new requirements that will help to achieve comparability of the financial performance of similar entities and provide more relevant information and transparency to users. Even though IFRS 18 will not impact the recognition or measurement of items in the financial statements, its impacts on presentation and disclosure are expected to be pervasive, in particular those related to the statement of financial performance (comprising of the statement of profit or loss and other comprehensive income) and providing management-defined performance measures within the financial statements.

Management is currently assessing the detailed implications of applying the new standard on the group's consolidated financial statements. From the high-level preliminary assessment performed, the following potential impacts have been identified:

- (a) Although the adoption of SFRS(I) 18 will have no impact on the group's net profit, the group expects that grouping items of income and expenses in the statement of profit or loss into the new categories will impact how operating profit is calculated and reported. From the high-level impact assessment that the group has performed, the following items might potentially impact operating profit:
- Foreign exchange differences currently aggregated in the line item 'other income and other gains/ (losses) – net' in operating profit might need to be disaggregated, with some foreign exchange gains or losses presented below operating profit.
 - SFRS(I) 18 has specific requirements on the category in which derivative gains or losses are recognised – which is the same category as the income and expenses affected by the risk that the derivative is used to manage. Although the group currently recognises some gains or losses in operating profit and others in finance costs, there might be a change to where these gains or losses are recognised, and the group is currently evaluating the need for change.
- (b) The line items presented on the primary financial statements might change as a result of the application of the concept of 'useful structured summary' and the enhanced principles on aggregation and disaggregation. In addition, since goodwill will be required to be separately presented in the statement of financial position, the group will disaggregate goodwill and other intangible assets and present them separately in the statement of financial position.
- (c) The group does not expect there to be a significant change in the information that is currently disclosed in the notes because the requirement to disclose material information remains unchanged; however, the way in which the information is grouped might change as a result of the aggregation/disaggregation principles. In addition, there will be significant new disclosures required for:
- management-defined performance measures;
 - a break-down of the nature of expenses for line items presented by function in the operating category of the statement of profit or loss – this break-down is only required for certain nature expenses; and
 - for the first annual period of application of SFRS(I) 18, a reconciliation for each line item in the statement of profit or loss between the restated amounts presented by applying SFRS(I) 18 and the amounts previously presented applying SFRS(I) 1-1.

NOTES TO THE FINANCIAL STATEMENTS

For the Financial Year Ended 31 March 2026

33 NEW OR REVISED ACCOUNTING STANDARDS AND INTERPRETATIONS (CONTINUED)

SFRS(I) 18 - *Presentation and Disclosure in Financial Statements* (effective for annual reporting periods beginning on or after 1 January 2027) (continued)

- (d) From a cash flow statement perspective, there will be changes to how interest received and interest paid are presented. Interest paid will be presented as financing cash flows and interest received as investing cash flows, which is a change from current presentation as part of operating cash flows.

The Group will apply the new standard from its mandatory effective date of 1 January 2027. Retrospective application is required, and so the comparative information for the financial year ending 31 March 2027 will be restated in accordance with SFRS(I) 18.

SFRS(I) 19 - *Subsidiaries without Public Accountability: Disclosures* (effective for annual reporting periods beginning on or after 1 January 2027)

SFRS(I) 19 allows for certain eligible subsidiaries of parent entities that report under SFRS(I) Accounting Standards to apply reduced disclosure requirements. This new standard works alongside other SFRS(I). An eligible subsidiary applies the requirements in other SFRS(I) except for the disclosure requirements; and it applies instead the reduced disclosure requirements in SFRS(I) 19.

SFRS(I) 19 is a voluntary standard for eligible subsidiaries. A subsidiary is eligible if:

- it does not have public accountability; and
- it has an ultimate or intermediate parent that produces consolidated financial statements available for public use that comply with SFRS(I) Accounting Standards.

The Group does not expect this standard to have an impact on its operations or financial statements.

- (ii) make or grant offers, agreements or options (collectively, “**Instruments**”) that might or would require shares to be issued, including but not limited to the creation and issue of (as well as adjustments to) options, warrants, debentures or other instruments convertible into shares,

at any time and upon such terms and conditions and for such purposes and to such persons as the Directors may in their absolute discretion deem fit; and

- (b) (notwithstanding the authority conferred by this Resolution may have ceased to be in force) issue shares pursuant to any Instrument made or granted by the Directors while this Resolution was in force,

(“Share Issue Mandate”)

provided that:

- (1) the aggregate number of shares (including shares to be issued pursuant to the Instruments, made or granted pursuant to this Resolution) and Instruments to be issued pursuant to this Resolution shall not exceed one hundred per centum (100%) of the total number of issued shares (excluding treasury shares and subsidiary holdings) in the capital of the Company (as calculated in accordance with sub-paragraph (2) below), of which the aggregate number of shares and Instruments to be issued other than on a pro rata basis to existing shareholders of the Company shall not exceed fifty per centum (50%) of the total number of issued shares (excluding treasury shares and subsidiary holdings) in the capital of the Company (as calculated in accordance with sub-paragraph (2) below);
- (2) (subject to such calculation as may be prescribed by SGX-ST) for the purpose of determining the aggregate number of Shares that may be issued under sub-paragraph (1) above, the percentage of issued shares and Instruments shall be based on the number of issued shares (excluding treasury shares and subsidiary holdings) in the capital of the Company at the time of the passing of this Resolution, after adjusting for:
 - (a) new shares arising from the conversion or exercise of the Instruments or any convertible securities,
 - (b) new shares arising from exercising share options or vesting of share awards, provided the options or awards were granted in compliance with the Catalist Rules; and
 - (c) any subsequent bonus issue or consolidation or subdivision of shares,

Adjustment in accordance with sub-paragraphs (2)(a) or (2)(b) above are only to be made in respect of new share arising from convertible securities, share options or share awards which were issued and outstanding or subsisting at the time of passing of the Share Issue Mandate.

- (3) in exercising the Share Issue Mandate conferred by this Resolution, the Company shall comply with the provisions of the Catalist Rules for the time being in force (unless such compliance has been waived by the SGX-ST) and the Company’s Constitution; and

NOTICE OF ANNUAL GENERAL MEETING

- (4) unless revoked or varied by the Company in a general meeting, the Share Issue Mandate shall continue in force (i) until the conclusion of the next AGM of the Company or the date by which the next AGM of the Company is required by law to be held, whichever is earlier or (ii) in the case of shares to be issued in pursuance of the Instruments, made or granted pursuant to this Resolution, until the issuance of such shares in accordance with the terms of the Instruments.

[See Explanatory note (iii)]

(Resolution 4)

7. Authority to issue shares under the UnUsUaL Employee Share Option Scheme ("UnUsUaL ESOS")

That pursuant to Section 161 of the Companies Act, the Directors of the Company be authorised and empowered to offer and grant options under the prevailing UnUsUaL ESOS and to issue from time to time such number of shares in the capital of the Company as may be required to be issued pursuant to the exercise of options granted by the Company under the UnUsUaL ESOS, whether granted during the subsistence of this authority or otherwise, provided always that the aggregate number of additional ordinary shares to be issued pursuant to the UnUsUaL ESOS and UnUsUaL Performance Share Plan shall not exceed fifteen per centum (15%) of the total number of issued shares (excluding treasury shares and subsidiary holdings) in the capital of the Company from time to time and that such authority shall, unless revoked or varied by the Company in a general meeting, continue in force until the conclusion of the next AGM of the Company or the date by which the next AGM of the Company is required by law to be held, whichever is earlier.

[See Explanatory note (iv)]

(Resolution 5)

8. Authority to issue shares under the UnUsUaL Performance Share Plan ("UnUsUaL PSP")

That pursuant to Section 161 of the Companies Act, the Directors of the Company be authorised and empowered to offer and grant share awards under the UnUsUaL PSP and to issue from time to time such number of shares in the capital of the Company as may be required to be issued pursuant to the vesting of share awards under the UnUsUaL PSP, whether granted during the subsistence of this authority or otherwise, provided always that the aggregate number of additional ordinary shares to be issued pursuant to the UnUsUaL PSP and UnUsUaL ESOS shall not exceed fifteen per centum (15%) of the total number of issued shares (excluding treasury shares and subsidiary holdings) in the capital of the Company from time to time and that such authority shall, unless revoked or varied by the Company in a general meeting, continue in force until the conclusion of the next AGM of the Company or the date by which the next AGM of the Company is required by law to be held, whichever is earlier.

[See Explanatory Note (v)]

(Resolution 6)

9. Proposed Renewal of Share Buyback Mandate

That:

- a. for the purposes of Section 76C and 76E of the Companies Act, the exercise by the Directors of the Company of all the powers of the Company to purchase or otherwise acquire the issued and fully-paid ordinary shares in the capital of the Company (the "**Shares**") not exceeding in aggregate the Maximum percentage (as defined below), at such price(s) as may be determined by the Directors from time to time up to the Maximum Price (as defined below), whether by way of:

NOTICE OF ANNUAL GENERAL MEETING

- (i) on-market purchases, transacted through the SGX-ST trading system, through one or more duly licensed stock brokers appointed by the Company for that purpose ("**Market Purchase**"); and/or
- (ii) off-market purchases pursuant to an equal access scheme in accordance with Section 76C of the Companies Act ("**Off-Market Purchase**"),

and otherwise in accordance with all other laws and regulations and rules of the SGX-ST as may for the time being be applicable, be and is hereby authorised and approved generally and unconditionally (the "**Share Buyback Mandate**");

- b. unless varied or revoked by the Company in a general meeting, the authority conferred on the Directors of the Company pursuant to the Share Buyback Mandate may be exercised by the Directors at any time and from time to time during the period commencing from the date of the passing of this Resolution and expiring on the earliest of:
 - a. the date on which the next AGM of the Company is held or required by law to be held;
 - b. the date on which the purchase or acquisition of Shares by the Company pursuant to the Share Buyback Mandate are carried out to the full extent mandated;
 - c. the date on which the authority conferred by the Share Buyback Mandate is varied or revoked by shareholders of the Company in a general meeting;
- c. in this Resolution:

"Average Closing Price" means the average of the closing market prices of a Share over the last five Market Days ("**Market Day**" being a day on which the SGX-ST is open for trading in securities) on which the Shares are transacted on the SGX-ST, immediately preceding the date of the Market Purchase by the Company or, as the case may be, the date of the making of the offer pursuant to the Off-Market Purchase, and deemed to be adjusted, in accordance with the rules of the SGX-ST, for any corporate action that occurs after the relevant five-day period;

"date of the making of the offer" means the date on which the Company makes an offer for the purchase or acquisition of Shares from holder of Shares, stating therein the relevant terms of the equal access scheme for effecting the Off-Market Purchase;

"Maximum Percentage" means that number of issued Shares representing 10% of the total number of issued Shares as at the date of the passing of this Resolution (excluding any Shares which are held as treasury shares or subsidiary holdings as at that date);

"Maximum Price" in relation to a Share to be purchased or acquired, means the purchase price (excluding brokerage, commission, applicable goods and services tax and other related expenses) which shall not exceed:

- (i) in the case of a Market Purchase, 105% of the Average Closing Price of the Shares; and
- (ii) in the case of an Off-Market Purchase, 120% of the Average Closing Price of the Shares;

NOTICE OF ANNUAL GENERAL MEETING

- d. the Directors and/or any one of them be and are hereby authorised to deal with the Shares purchased or acquired by the Company pursuant to the Share Buyback Mandate in any manner as they think fit, which is permissible under the Companies Act; and
- e. the Directors of the Company and/or any of them be and are hereby authorised to complete and do all such acts and things (including executing such documents as may be required) as they and/or he may consider expedient or necessary to give effect to the transactions contemplated and/or authorised by this Resolution.

[See Explanatory Note (vi)]

(Resolution 7)

By Order of the Board

Shirley Tan Sey Liy
Company Secretary
Singapore, 10 July 2026

Explanatory Notes:

- (i) Mr. Melvin Ang has decided to retire at the conclusion of the AGM and will not be seeking for re-election. Mr. Melvin Ang will, upon his retirement as a Director of the Company, cease to be the Non-Executive Chairman and Non-Independent Director at the conclusion of the AGM.

Mr. Kelvin Tan, who has served as a Director of the Company for an aggregate period of nine (9) years, has decided to retire at the conclusion of the AGM and will not be seeking for re-election. Mr. Kelvin Tan will, upon his retirement as a Director of the Company, cease to be the Chairman of the Audit Committee, and a member of the Nominating Committee and the Remuneration Committee at the conclusion of the AGM.

- (ii) **Resolution 3** above, if passed, will approve the appointment of Messrs Nexia Singapore PAC ("**Nexia**") as Independent Auditor of the Company in place of the retiring Auditors, Messrs CLA Global TS Public Accounting Corporation ("**CLA**"), and to authorise the Directors to fix their remuneration (the "**Proposed Change of Auditors**"). An Appendix dated 10 July 2026 is attached to the Annual Report 2026 ("**Appendix**") to provide shareholders with information and the rationale regarding the Proposed Change of Auditors.

In accordance with Rule 712(3) of the Catalist Rules:

- (a) the outgoing Auditors of the Company, CLA, have confirmed by way of its professional clearance letter dated 30 June 2026 to Nexia that they are not aware of any professional reasons why Nexia, being the new Auditors, should not accept appointment as Auditors, save for the announcement on 30 June 2026 in relation to the disclaimer of opinion by the independent auditor on the audited financial statements for the financial year ended 31 March 2026;
- (b) save for the paragraph (a) above, the Company confirms that there were no disagreements with CLA, being the outgoing Auditors, on accounting treatments within the last twelve (12) months up to the Latest Practicable Date;
- (c) save for the paragraph (a) and (b) above, the Company confirms that it is not aware of any circumstances connected with the Proposed Change of Auditors that should be brought to the attention of the Shareholders which has not been disclosed in the Appendix;
- (d) the Company confirms that the specific reasons for the Proposed Change of Auditors are disclosed in the Appendix. The Proposed Change of Auditors is not due to the dismissal of CLA. In addition, CLA was neither dismissed nor directed by SGX-ST for CLA to be replaced under Rule 305(1)(eb) of the Catalist Rules;
- (e) the Company confirms that it is in compliance with Rule 712 and Rule 715 of the Catalist Rules in relation to the appointment of Nexia as its new Auditors; and
- (f) there is no need for the appointment of an additional auditing firm to meet the SGX-ST's requirements in Rule 712(2A) of the Catalist Rules.

NOTICE OF ANNUAL GENERAL MEETING

- (iii) **Resolution 4** above, if passed, will empower the Directors of the Company from the date of this AGM until the date of the next AGM of the Company, or the date by which the next AGM of the Company is required by law to be held or such authority is varied or revoked by the Company in a general meeting, whichever is the earlier, to issue shares, make or grant instruments convertible into shares and to issue shares pursuant to such instruments, up to a number not exceeding, in total, one hundred per centum (100%) of the total number of issued shares (excluding treasury shares and subsidiary holdings) in the capital of the Company, of which up to fifty per centum (50%) may be issued other than on a pro rata basis to existing shareholders of the Company.

For determining the aggregate number of shares that may be issued, the percentage of issued shares in the capital of the Company will be calculated based on the total number of issued shares (excluding treasury shares and subsidiary holdings) in the capital of the Company at the time this Resolution is passed after adjusting for new shares arising from the conversion or exercise of the Instruments or any convertible securities, the exercise of share options or the vesting of share awards outstanding or subsisting at the time when this Resolution is passed and any subsequent consolidation or subdivision of shares.

- (iv) **Resolution 5** above, if passed, will empower the Directors of the Company, from the date of this AGM until the next AGM of the Company, or the date by which the next AGM of the Company is required by law to be held or such authority is varied or revoked by the Company in a general meeting, whichever is the earlier, to allot and issue shares in the Company pursuant to the exercise of options granted or to be granted under the UnUsUaL ESOS provided that the aggregate additional shares to be allotted and issued pursuant to the UnUsUaL ESOS and UnUsUaL PSP do not exceed in total (for the entire duration of the UnUsUaL ESOS) fifteen per centum (15%) of the total number of issued shares (excluding treasury shares and subsidiary holdings) in the capital of the Company from time to time.
- (v) **Resolution 6** above, if passed, will empower the Directors of the Company, from the date of this AGM until the next AGM of the Company, or the date by which the next AGM of the Company is required by law to be held or such authority is varied or revoked by the Company in a general meeting, whichever is the earlier, to allot and issue shares in the Company pursuant to the vesting of share awards under the UnUsUaL PSP provided that the aggregate additional shares to be allotted and issued pursuant to the UnUsUaL PSP and UnUsUaL ESOS do not exceed in total (for the entire duration of the UnUsUaL PSP) fifteen per centum (15%) of the total number of issued shares (excluding treasury shares and subsidiary holdings) in the capital of the Company from time to time.
- (vi) **Resolution 7** above, if passed, will empower the Directors of the Company from the date of this AGM until the next AGM of the Company, or the date by which the next AGM of the Company is required by law to be held, whichever is the earlier, to repurchase ordinary shares of the Company by way of market purchases or off-market purchases of up to ten per centum (10%) of the total number of issued shares (excluding treasury shares and subsidiary holdings) in the capital of the Company at the Maximum Price as defined in the Appendix. The rationale for, the authority and limitation on, the sources of funds to be used for the purchase and acquisition including the amount of financing and the financial effects of the purchase or acquisition of ordinary shares by the Company pursuant to the Share Buyback Mandate on the audited consolidated financial statements of the Group for the financial year ended 31 March 2026 are set out in greater detail in the Appendix.

Notes:

1. A member of the Company (other than a Relevant Intermediary*) entitled to attend and vote at the AGM is entitled to appoint not more than two proxies to attend and vote in his/her stead. A member shall specify the proportion of his/her/its shareholding to be represented by each proxy in the instrument appointing the proxies. A proxy need not be a member of the Company.
2. A Relevant Intermediary may appoint more than two proxies, but each proxy must be appointed to exercise the rights attached to a different share or shares held by him/her (which number and class of shares shall be specified).
3. The Proxy Form must be deposited at the registered office of the Company at **45 Kallang Pudding Road, #01-01 Alpha Building, Singapore 349317** by mail or by email to ir@unusual.com.sg, in each case, no later than **10.00 a.m. on 24 July 2026**, i.e. seventy-two (72) hours before the time appointed for holding the AGM, and failing which, the Proxy Form will not be treated as valid.
4. The Proxy Form must be executed under the hand of the appointor or of his/her attorney duly authorised in writing. Where the Proxy Form is executed by a corporation, it must be executed under its common seal or under the hand of its officer or attorney duly authorised. Where the Proxy Form is signed on behalf of the appointor by an attorney, the power of attorney (or other authority) or a duly certified copy thereof must (failing previous registration with the Company) be lodged with the Proxy Form, failing which the Proxy Form may be treated as invalid.
5. A corporation which is a member may authorise by resolution of its Directors or other governing body such person as it thinks fit to act as its representative with respect to the AGM, in accordance with Section 179 of the Companies Act 1967 and the person so authorised shall upon production of a copy of such resolution certified by a Director of the corporation to be a true copy, be entitled to exercise the powers on behalf of the corporation so represented as the corporation could exercise in person if it were an individual.

NOTICE OF ANNUAL GENERAL MEETING

6. In the case of a member of the Company whose shares are entered against his/her name in the Depository Register, the Company may reject any Proxy Form if the member, being the appointor, is not shown to have shares entered against his/her name in the Depository Register as at seventy-two (72) hours before the time appointed for holding the AGM, as certified by The Central Depository (Pte) Limited to the Company.
7. A member of the Company who holds his/her shares through a Relevant Intermediary* (including CPFIS Members or SRS Investors) and who wishes to exercise his/her votes by appointing the Chairman of the Meeting as proxy should approach his/her Relevant Intermediary (including his/her CPF Agent Bank or SRS Operators) to submit his/her voting instructions at least seven (7) working days prior to the date of the AGM.

Submission of questions prior to the AGM

1. A member of the Company may submit questions relating to the resolutions to be tabled for approval at the AGM or the Company's businesses and operations no later than 10.00 a.m. on 17 July 2026 by email to ir@unusual.com.sg or by post to the registered office of the Company at **45 Kallang Pudding Road, #01-01 Alpha Building, Singapore 349317**. The Company will endeavour to address substantial and relevant questions and will upload the Company's responses to the queries from shareholders on the SGXNet and Company's website by 21 July 2026.
2. If the questions are deposited in physical copy at the Company's registered office or sent via email, and in either case not accompanied by the completed and executed Proxy Form (as defined below), the following details must be included with the submitted questions: (i) the member's full name; and (ii) his/her/ its identification/registration number for verification purposes, failing which the submission will be treated as invalid.

A "Relevant Intermediary" is:

- (a) *a banking corporation licensed under the Banking Act 1970 of Singapore or a wholly-owned subsidiary of such a banking corporation, whose business includes the provision of nominee services and who holds shares in that capacity; or*
- (b) *a person holding a capital markets services licence to provide custodial services for securities under the Securities and Futures Act 2001 of Singapore and who holds shares in that capacity; or*
- (c) *the Central Provident Fund Board established by the Central Provident Fund Act 1953 of Singapore, in respect of shares purchased under the subsidiary legislation made under that Act providing for the making of investments from the contributions and interest standing to the credit of members of the Central Provident Fund, if the Board holds those shares in the capacity of an intermediary pursuant to or in accordance with that subsidiary legislation.*

PERSONAL DATA PRIVACY

Where a member of the Company submits an instrument appointing a proxy(ies) and/or representative(s) to attend, speak and vote at the AGM and/or any adjournment thereof, a member of the Company consents to the collection, use and disclosure of such member's personal data by the Company (or its agents or service providers) for the purpose of the processing, administration, analysis and facilitation by the Company (or its agents or service providers) of his/her/its participation in the AGM (including any adjournment thereof) and the preparation and compilation of the attendance lists, minutes and other documents relating to the AGM (including any adjournment thereof), and in order for the Company (or its agents or service providers) to comply with any applicable laws, listing rules, regulations and/or guidelines.

NOTES TO PROXY FORM

1. Please insert the total number of Shares held by you. If you have Shares entered against your name in the Depository Register (as defined in Section 81SF of the Securities and Futures Act 2001 of Singapore), you should insert that number of Shares. If you have Shares registered in your name in the Register of Members, you should insert that number of Shares. If you have Shares entered against your name in the Depository Register and Shares registered in your name in the Register of Members, you should insert the aggregate number of Shares entered against your name in the Depository Register and registered in your name in the Register of Members. If no number is inserted, the instrument appointing a proxy or proxies shall be deemed to relate to all the Shares held by you.
2. A member of the Company who is not a Relevant Intermediary (as defined below) entitled to attend and vote at this AGM is entitled to appoint one or two proxies to attend and vote in his/her stead. Where such member appoints two proxies, the proportion of his shareholding which each proxy has been appointed shall be specified in the proxy form. A proxy need not be a member of the Company.
3. A Relevant Intermediary may appoint more than two proxies, but each proxy must be appointed to exercise the rights attached to a different share or shares held by him/her (which number or class of shares shall be specified).
4. Subject to note 8, completion and return of the instrument appointing a proxy shall not preclude a member from attending and voting at the Meeting. Any appointment of a proxy or proxies shall be deemed to be revoked if a member attends the meeting in person, and in such event, the Company reserves the right to refuse to admit any person or persons appointed under the instrument of proxy to the Meeting.
5. The Proxy Form must be deposited at the registered office of the Company at 45 Kallang Pudding Road, #01-01 Alpha Building, Singapore 349317 by mail or by email to ir@unusual.com.sg, in each case, no later than 10.00 a.m. on 24 July 2026, i.e. seventy-two (72) hours before the time appointed for holding the AGM, and failing which, the Proxy Form will not be treated as valid.
6. The Proxy Form must be executed under the hand of the appointor or of his/her attorney duly authorised in writing. Where the Proxy Form is executed by a corporation, it must be executed under its common seal or under the hand of its officer or attorney duly authorised. Where the Proxy Form is signed on behalf of the appointor by an attorney, the power of attorney (or other authority) or a duly certified copy thereof must (failing previous registration with the Company) be lodged with the Proxy Form, failing which the Proxy Form may be treated as invalid.
7. A corporation which is a member may authorise by resolution of its Directors or other governing body such person as it thinks fit to act as its representative with respect to the AGM, in accordance with Section 179 of the Companies Act 1967 and the person so authorised shall upon production of a copy of such resolution certified by a Director of the corporation to be a true copy, be entitled to exercise the powers on behalf of the corporation so represented as the corporation could exercise in person if it were an individual.
8. A member of the Company who holds his/her shares through a Relevant Intermediary* (including CPFIS Members or SRS Investors) and who wishes to exercise his/her votes by appointing the Chairman of the Meeting as proxy should approach his/her Relevant Intermediary (including his/her CPF Agent Bank or SRS Operators) to submit his/her voting instructions at least seven (7) working days prior to the date of the AGM.

* A Relevant Intermediary is:

- (a) a banking corporation licensed under the Banking Act 1970 or a wholly-owned subsidiary of such a banking corporation, whose business includes the provision of nominee services and who holds shares in that capacity; or
- (b) a person holding a capital markets services licence to provide custodial services for securities under the Securities and Futures Act 2001 and who holds shares in that capacity; or
- (c) the Central Provident Fund Board established by the Central Provident Fund Act 1953, in respect of shares purchased under the subsidiary legislation made under that Act providing for the making of investments from the contributions and interest standing to the credit of members of the Central Provident Fund, if the Board holds those shares in the capacity of an intermediary pursuant to or in accordance with that subsidiary legislation.

PERSONAL DATA PRIVACY

By submitting an instrument appointing the proxy(ies), the member accepts and agrees to the personal data privacy terms set out in the Notice of Annual General Meeting dated 10 July 2026.

GENERAL:

The Company shall be entitled to reject the instrument appointing a proxy or proxies if it is incomplete, improperly completed or illegible, or where the true intention of the appointor are not ascertainable from the instructions of the appointor specified in the instrument appointing a proxy or proxies. In addition, in the case of Shares entered in the Depository Register, the Company may reject any instrument appointing a proxy or proxies lodged if the member, being the appointor, is not shown to have Shares entered against his name in the Depository Register as at seventy-two (72) hours before the time appointed for holding the AGM, as certified by The Central Depository (Pte) Limited to the Company.
