To: **The Shareholders of Trans-China Automotive Holdings Limited**

Dear Sir / Madam

1. INTRODUCTION

The Board wishes to refer to (i) the Notice of AGM dated 8 April 2022, accompanying the Company's Annual Report to convene the AGM; and (ii) Resolution 11 being the ordinary resolution for the proposed adoption of the Share Purchase Mandate to allow the Company to purchase or otherwise acquire shares in the capital of the Company.

The Board is convening a AGM to be held by way of electronic means on **26 April 2022 at 2.00 p.m.** to seek Shareholders' approval for, *inter alia*, the proposed adoption of the Share Purchase Mandate by way of an ordinary resolution.

The purpose of this Appendix is to provide Shareholders with information relating to the Share Purchase Mandate and to seek Shareholders' approval for the same in respect thereof to be tabled at the AGM.

Under the Cayman Islands Companies Act, only a person who agrees to become a shareholder of a Cayman Islands company and whose name is entered in the register of members of such a Cayman Islands company is considered a member with rights to attend and vote at general meetings of such company. Accordingly, under the laws of the Cayman Islands, a Depositor holding Shares through CDP would not be recognised as a shareholder of the Company, and would not have the right to attend and vote at general meetings convened by the Company. In the event that a Depositor wishes to attend and vote at the AGM, the Depositor would have to do so through CDP appointing him as a proxy, pursuant to the Articles of Association.

Pursuant to Article 77 of the Company's Articles of Association, unless CDP specifies otherwise in a written notice to the Company, CDP shall be deemed to have appointed the Depositors who are individuals and whose names are shown in the records of the CDP as at a time not earlier than 72 hours prior to the time of the relevant general meeting supplied by the CDP to the Company as the CDP's proxies to vote on behalf of the CDP at a general meeting of the Company.

Administrative arrangements have been made with CDP to allow Depositors to take part in the AGM. Depositors (other than Depositors which are corporations) who wish to attend and exercise their votes at the AGM, and whose names are shown in the records of CDP as at a time not earlier than 72 hours prior to the time of the AGM supplied by CDP to the Company, may participate in the AGM as CDP's proxies. A Depositor which is a corporation and who wishes to attend and vote at the AGM must complete and return the Proxy Form, for the nomination of person(s) to attend and vote at the AGM on its behalf as CDP's proxy, in accordance with the instructions printed thereon.

If you are in any doubt as to the course of action you should take, you should consult your stockbroker, bank manager, solicitor, accountant or other professional adviser immediately.

The SGX-ST assumes no responsibility for the accuracy of any statements made, opinions expressed or reports contained in this Appendix.

2. THE PROPOSED ADOPTION OF THE SHARE PURCHASE MANDATE

2.1 Background

As a Cayman Islands-incorporated company which is listed on the Catalist, any purchases or acquisitions of Shares by the Company will have to be made in accordance with and subject to the provisions of the Memorandum and Articles of Association, the Catalist Rules, the Take-Over Code, the Cayman Islands Companies Act, and such other laws and regulations as may from time to time be applicable.

Article 3(2) of the Articles of Association of the Company provides, *inter alia*, that subject to the Cayman Islands Companies Act, the Memorandum and Articles of Association and, where applicable, the rules or regulations of the SGX-ST, the Company shall have the power to purchase or otherwise acquire its own Shares and such power shall be exercisable by the Board in such manner, upon such terms and subject to such conditions as it thinks fit. The Company is also required to obtain prior approval of its members in a general meeting if it wishes to purchase or acquire its own Shares. Accordingly, approval is being sought from Shareholders at the AGM for the proposed adoption of the Share Purchase Mandate to enable the Company to purchase or acquire its issued Shares.

If approved at the AGM, the authority conferred by the Share Purchase Mandate will take effect from the date thereof and continue in force until (i) the conclusion of the next AGM of the Company following the passing of the resolution granting the said authority or the date by which such AGM is required to be held (whereupon it will lapse, unless renewed at such meeting), or (ii) it is varied or revoked by the Company in general meeting (if so varied or revoked prior to the next AGM), or (iii) the date on which purchases and acquisitions of Shares pursuant to the Share Purchase Mandate are carried out to the full extent mandated, whichever is the earliest.

2.2 Rationale for the Share Purchase Mandate

The Company is proposing to undertake the purchase or acquisition of its Shares following the Proposed Share Purchase Mandate for the following reasons:

- (a) the Share Purchase Mandate will provide the Company with the flexibility to undertake share purchases and acquisitions at any time, subject to market conditions, during the period when the Share Purchase Mandate is in force;
- (b) to provide the Company with a mechanism to facilitate the return of surplus cash over and above its ordinary capital requirement in an expedient, effective and cost-efficient manner. It will also provide the Directors with greater flexibility over the Company's share capital structure with a view to enhancing the EPS and/or NTA per Share when the Share Purchase Mandate is in force;
- (c) to help mitigate short-term market volatility, offset the effects of short-term speculation and bolster Shareholders' confidence; and
- (d) Shares purchased pursuant to the Share Purchase Mandate will either be cancelled or held by the Company as Treasury Shares as may be determined by the Directors, and such Treasury Shares may be transferred for the purposes of or pursuant to the Company's employee share option scheme in order to satisfy exercise of any options granted thereunder (if any).

The purchase or acquisition of Shares will only be undertaken if the Directors believe it can benefit the Company and its Shareholders. No purchase or acquisition of Shares will be made

in circumstances which would have or may have a material adverse effect on the liquidity and capital adequacy position of the Group as a whole and/or affect the listing status of the Company on the SGX-ST. Shareholders should note that purchases or acquisitions of Shares pursuant to the Share Purchase Mandate may not be carried out to the full limit as authorised.

2.3 Authority and Limits of the Share Purchase Mandate

The authority and limitations placed on purchases of Shares by the Company under the Share Purchase Mandate are summarised below:

2.3.1 Maximum Number of Shares

Only Shares which are issued and fully paid-up may be purchased or acquired by the Company.

The total number of Shares that may be purchased or acquired by the Company pursuant to the Share Purchase Mandate is limited to that number of Shares representing no more than 10.0% of the total number of issued Shares (excluding any Treasury Shares and subsidiary holdings) as at the Approval Date, unless the Company has effected a reduction of the share capital of the Company in accordance with the applicable provisions of the Cayman Islands Companies Act, at any time during the Relevant Period, in which event the total number of issued Shares shall be taken to be the amount of the total number of issued Shares as altered by the capital reduction (excluding any Treasury Shares that may be held by the Company from time to time).

Purely for illustrative purposes, on the basis of the existing total number of issued Shares, being 584,323,950 Shares (and there being no Treasury Shares and subsidiary holdings) as at the Latest Practicable Date, and assuming that no further Shares are issued on or prior to the AGM, not more than 58,432,395 Shares (representing 10.0% of the total number of issued Shares as at that date) may be purchased or acquired by the Company pursuant to the Share Purchase Mandate.

However, as stated in Section 2.2 above and Section 2.7 below, purchases or acquisitions of Shares pursuant to the Share Purchase Mandate need not be carried out to the full extent mandated, and, in any case, would not be carried out to such an extent that would affect the listing status of the Company on the SGX-ST. The public float in the issued Shares as at the Latest Practicable Date is disclosed in Section 2.9 below.

2.3.2 Duration of Authority

Purchases or acquisitions of Shares by the Company may be made, at any time and from time to time, on and from the Approval Date, up to the earliest of:

- (a) the conclusion of the next AGM of the Company or the date by which such AGM is required to be held (whereupon it will lapse, unless renewed at such meeting);
- (b) the date on which the authority conferred by the Share Purchase Mandate is revoked or varied by the Company at a general meeting (if so varied or revoked prior to the next AGM); or
- (c) the date on which purchases and acquisitions of Shares pursuant to the Share Purchase Mandate are carried out to the full extent mandated.

The authority conferred on the Directors by the Share Purchase Mandate to purchase or acquire Shares may be renewed by the members in a general meeting of the Company, such as at the next AGM or at an extraordinary general meeting to be convened immediately after the conclusion or adjournment of the next AGM.

2.3.3 Manner of Purchase or Acquisition of Shares

Purchases or acquisitions of Shares by the Company may be made by way of:

- (a) on-market purchases, through the SGX-ST's trading system, or as the case may be, on any other stock exchange on which the Shares may for the time being be listed and quoted, through one or more duly licensed stockbrokers appointed by the Company for the purpose ("**Market Purchases**"); and/or
- (b) off-market purchases in accordance with an equal access scheme as defined in Section 76C of the Companies Act ("**Off-Market Purchases**").

In an Off-Market Purchase, the Directors may impose such terms and conditions, which are not inconsistent with the Share Purchase Mandate, the Catalist Rules, the Cayman Islands Companies Act, the Memorandum and Articles of Association and/or other applicable laws and regulations, as they consider fit in the interests of the Company in connection with or in relation to any equal access scheme(s).

Under the Companies Act, an equal access scheme must satisfy all the following conditions:

- (a) offers for the purchase or acquisition of Shares shall be made to every person who holds Shares to purchase or acquire the same percentage of their Shares;
- (b) all of those persons shall be given a reasonable opportunity to accept the offers made; and
- (c) the terms of all the offers are the same, except that there shall be disregarded (i) differences in consideration attributable to the fact that offers may relate to shares with different accrued dividend entitlements; (ii) differences in consideration attributable to the fact that the offers relate to shares with different amounts remaining unpaid; and (iii) differences in the offers introduced solely to ensure that each person is left with a whole number of shares.

If the Company wishes to make an Off-Market Purchase in accordance with an equal access scheme, the Company must, as required under Rule 870 of the Catalist Rules, issue an offer document to all Shareholders containing at least the following information:

- (a) the terms and conditions of the offer;
- (b) the period and procedures for acceptances;
- (c) the reasons for the proposed purchase or acquisition of Shares;
- (d) the consequences, if any, of the purchases or acquisitions of Shares by the Company that will arise under the Take-Over Code or other applicable take-over rules;
- (e) whether the purchases or acquisitions of Shares, if made, would have any effect on the listing of the Shares on the SGX-ST;
- (f) details of any purchases or acquisitions of Shares made by the Company in the previous 12 months (whether by way of Market Purchases or Off-Market Purchases), including the total number of Shares purchased or acquired, the purchase price per Share or the highest and lowest prices paid for such purchases or acquisitions, where relevant, and the total consideration paid for such purchases or acquisitions; and
- (g) whether the Shares purchased by the Company will be cancelled or held as Treasury Shares.

2.3.4 Maximum Purchase Price

The purchase price (excluding ancillary expenses such as related brokerage, commission, applicable goods and services tax, stamp duties and clearance fees) to be paid for a Share will be determined by the Directors, provided that such purchase price must not exceed:

- (a) in the case of a Market Purchase, 105.0% of the Average Closing Price (as defined hereinafter) of the Shares; and
- (b) in the case of an Off-Market Purchase pursuant to an equal access scheme, 120.0% of the Average Closing Price (as defined hereinafter),

in either case, excluding related expenses of the purchase or acquisition (the "**Maximum Price**").

For the above purposes:

"Average Closing Price" means

- (i) in the case of a Market Purchase, the average of the Closing Market Prices (as defined below) of a Share over the last five (5) Market Days on which the Shares are transacted on the SGX-ST or, as the case may be, such securities exchange on which the Shares are listed or quoted, immediately preceding the date of the Market Purchase by the Company; or
- (ii) in the case of an Off-Market Purchase, the average of the Closing Market Prices (as defined below) of a Share over the last five (5) Market Days on which the Shares are transacted on the SGX-ST or, as the case may be, such securities exchange on which the Shares are listed or quoted, immediately preceding the date of the making of the offer pursuant to the Off-Market Purchase,

and deemed to be adjusted, in accordance with the Catalist Rules, for any corporate action that occurs during such five (5) Market Day period and the day of the Market Purchase or, as the case may be, the date of the making of the offer pursuant to the Off-Market Purchase;

"Closing Market Price" means the last dealt price for a Share transacted through the SGX-ST's trading system as shown in any publication of the SGX-ST or other sources; and

"date of the making of the offer" means the date on which the Company announces its intention to make an offer for the purchase or acquisition of Shares from Shareholders, stating therein the relevant terms of the equal access scheme for effecting the Off-Market Purchase.

2.4 **Status of Purchased Shares**

At the time of each Share Purchase, the Directors of the Company will decide whether the Shares purchased will be (a) cancelled, (b) held by the Company as Treasury Shares in accordance with the Cayman Islands Companies Act, or (c) partly cancelled and partly held as Treasury Shares, depending on the needs of the Company and as the Directors deem fit in the interests of the Company at that time.

Under the Cayman Islands Companies Act, any Share which is purchased by the Company may either be held by the Company as a Treasury Share in accordance with the Cayman Islands Companies Act or treated as cancelled immediately on purchase (and all rights and privileges attached to that Share will expire on such cancellation). When Shares purchased or acquired by the Company are cancelled and not held as Treasury Shares, the issued share capital of the Company will be diminished by the nominal value of such Shares purchased or

acquired by the Company. This shall not be taken as reducing the amount of the Company's authorised share capital.

Any Shares purchased or acquired by the Company (and not held as Treasury Shares by the Company) and cancelled will automatically be delisted by the SGX-ST and (where applicable) all certificates in respect thereof will be cancelled and destroyed by the Company as soon as reasonably practicable following the settlement of any such purchase.

2.5 Treasury Shares

Under the Cayman Islands Companies Act, Shares purchased or acquired by the Company may be held as Treasury Shares, provided that:

- (a) the Memorandum and Articles of Association of the Company do not prohibit it from holding treasury shares;
- (b) the relevant provisions of the Memorandum and Articles of Association (if any) are complied with; and
- (c) the Company is authorised in accordance with the Articles of Association or by a resolution of the directors to hold such shares in the name of the Company as treasury shares prior to the purchase, redemption or surrender of such shares.

Some of the provisions on treasury shares under the Cayman Islands Companies Act and the Catalist Rules are summarised below:

2.5.1 Maximum Holdings

Shares purchased by the Company will be treated as cancelled on purchase unless, subject to the Memorandum and Articles of Association, the Directors resolve, prior to the purchase, to hold such Shares in the name of the Company as Treasury Shares.

Under laws of the Cayman Islands, where Shares are held as Treasury Shares, the Company shall be entered in the Register of Members as holding those Shares.

2.5.2 Voting and Other Rights

The Company cannot exercise any right in respect of Treasury Shares. In particular, the Company cannot exercise any right to attend or vote at meetings and any purported exercise of such a right shall be void. A Treasury Share shall not be voted, directly or indirectly, at any meeting of the Company, and shall not be counted in determining the total number of issued Shares at any given time, whether for the purposes of the Articles of Association of the Company or the Cayman Islands Companies Act.

In addition, no dividend may be declared or paid, and no other distribution (whether in cash or otherwise) of the Company's assets may be made, to the Company in respect of Treasury Shares. However, the allotment of shares as fully paid bonus shares in respect of Treasury Shares is allowed and shares allotted as fully paid bonus shares in respect of a Treasury Share shall be treated as Treasury Shares.

2.5.3 Disposal and Cancellation

Where Shares are held as Treasury Shares, the Company may at any time (but subject always to the Take-Over Code):

- (a) cancel the Treasury Shares in accordance with the provisions of the Articles of Association of the Company or (in the absence of any applicable provisions in the Company's Articles of Association) by resolution of the Directors, and if so cancelled, the amount of the Company's issued share capital (but not the Company's authorised share capital) shall be diminished by the nominal or par value of those Treasury Shares accordingly;

- (b) transfer the Treasury Shares for the purposes of or pursuant to share schemes implemented by the Company, including the Company's employee share option scheme; or
- (c) transfer the Treasury Shares to any person, whether or not for valuable consideration (including at a discount to the nominal or par value of such Treasury Shares).

Under Rule 704(31) of the Catalist Rules, an immediate announcement must be made of any sale, transfer, cancellation and/or use of treasury shares (in each case, the "usage"). Such announcement must include details such as the date of the usage, the purpose of the usage, the number of treasury shares comprised in the usage, the number of treasury shares before and after the usage, the percentage of the number of treasury shares comprised in the usage against the total number of issued shares (of the same class as the treasury shares) which are listed before and after the usage, and the value of the treasury shares if they are used for a sale or transfer, or cancelled.

2.6 Source of Funds

In purchasing or acquiring Shares, the Company shall only apply funds legally available in accordance with the Articles of Association, the Cayman Islands Companies Act and any other applicable laws in Singapore and the Cayman Islands. Furthermore, the Company may not purchase or acquire its Shares on the SGX-ST in accordance with the Articles of Association or for settlement otherwise than in accordance with the trading rules of the SGX-ST.

Under the Cayman Islands Companies Act, such purchases may be effected out of profits of the Company or out of the share premium account or out of the proceeds of a fresh issue of Shares made for that purpose. In order to effect a purchase of Shares out of profits or the share premium account, the Company will have to ensure that it has sufficient profits and amounts in the share premium account. Further, subject to Section 37 of the Cayman Islands Companies Act and in the manner authorised by the Articles of Association, a purchase of Shares by the Company may also be effected by a payment out of capital. A payment out of capital by the Company for the purchase of Shares is not lawful unless immediately following the date on which the payment out of capital is proposed to be made, the Company shall be able to pay its debts as they fall due in the ordinary course of business.

The Company intends to use internal resources or external borrowings, or a combination of both, to finance its purchase or acquisition of Shares pursuant to the Share Purchase Mandate. In purchasing or acquiring Shares pursuant to the Share Purchase Mandate, the Directors will, principally, consider the availability of internal resources. In addition, the Directors will also consider the availability of external financing. The Directors do not propose to exercise the Share Purchase Mandate in a manner and to such extent that the liquidity and capital adequacy position of the Group would be materially adversely affected. The purchase of its own Shares will only be effected after considering relevant factors such as the working capital requirements, availability of financial resources, the expansion and investment plans of the Group, and the prevailing market conditions.

2.7 Financial Effects

It is not possible for the Company to realistically calculate or quantify the impact of a Share purchase or acquisition made pursuant to the Share Purchase Mandate on the NTA value and EPS of the Company as the resultant effect would depend on, *inter alia*, whether the Shares are purchased or acquired out of the Company's profits or share premium account or the proceeds of a fresh issue of Shares made for that purpose or, subject to Section 37 of the Cayman Islands Companies Act, by a payment out of capital, the amount (if any) borrowed by the Company to fund the purchases or acquisitions, the aggregate number of Shares purchased or acquired, the purchase price paid at the relevant time for such Shares and whether the Shares purchased or acquired are held as Treasury Shares or cancelled.

The Company's issued share capital (but not its authorised share capital) will be diminished by the nominal value of the Shares purchased by the Company and which are cancelled. The net

tangible assets of the Group will be reduced by the aggregate purchase price paid by the Company for the Shares.

For illustrative purposes only, the financial effects of the Share Purchase Mandate on the Company and the Group, based on the audited consolidated financial statements of the Group for FY2021, are based on the assumptions set out below.

2.7.1 Purchase or Acquisition of Shares made out of Capital and/or Profits

Where the consideration paid by the Company for the purchase or acquisition of Shares is made out of profits, such consideration (excluding any expenses incurred directly in the purchase or acquisition of Shares) will correspondingly reduce the amount available for the distribution of cash dividends by the Company. Notes:

- (1) NTA refers to net assets less intangible assets.
- (2) NTA per Share equals to NTA divided by the number of issued Shares outstanding as at the Latest Practicable Date.
- (3) Basic Earnings Per Share (EPS) equals to net profit attributable to owners of the Company divided by the weighted average number of issued Shares during FY2021.
- (4) Based on the total number of 584,323,950 issued Shares (excluding any Treasury Shares and subsidiary holdings) as at the Latest Practicable Date.
- (5) Gearing equals to total bank and other borrowings divided by total shareholders' equity.

Shareholders should note that the financial effects set out above, based on the respective assumptions stated above, are purely for illustration purposes only and are not necessarily representative of future financial performance. In particular, (i) it is important to note that the above analysis is based on historical audited figures for FY2021 and is not necessarily representative of future financial performance of the Company, (ii) the actual impact will depend on, *inter alia*, the actual number and price of Shares that may be purchased or acquired by the Company and whether the Shares purchased or acquired by the Company are held as Treasury Shares or cancelled and (iii) the Company will not undertake any purchase or acquisition of Shares under the Share Purchase Mandate (if approved) if the public float is below 10%, or if any such purchase or acquisition of Shares will result in the public float falling below 10%.

It should be noted that although the Share Purchase Mandate would authorise the Company to purchase or acquire up to 10.0% of the total number of issued Shares, the Company may not necessarily purchase or acquire or be able to purchase or acquire the entire 10.0% of the total number of issued Shares as mandated. In addition, the Company may cancel or hold as Treasury Shares all or part of the Shares purchased or acquired by it. The Company will take into account both financial and non-financial factors (for example, the public float of the Company, stock market conditions and the performance of the Shares) in assessing the relative impact of a share purchase or acquisition before execution.

2.8 Tax Implications

Shareholders who are in doubt as to their respective tax positions or any tax implications arising from the purchase or acquisition of Shares by the Company, including those who may be subject to tax in a jurisdiction outside Singapore, should consult their own professional advisers.

2.9 Listing Status of the Shares

The Company is required under Catalist Rule 723 to ensure that at least 10% of its issued Shares are in the hands of the public ("**public float**"). Based on the register of Directors' shareholdings and the register of Substantial Shareholders maintained by the Company as at the Latest Practicable Date, the public float was approximately 16.96%. Notwithstanding the current level of the public float, the Company believes that having the flexibility to conduct more buybacks under appropriate circumstances will be beneficial to the Company. The Company will continue to closely monitor the public float prior to undertaking any purchases or acquisitions of Shares through Market Purchases pursuant to the Share Purchase Mandate.

The Company will consider investor interests when maintaining a liquid market in its securities, and will ensure that there is sufficient public float so that the purchases or acquisitions of Shares will not adversely affect the listing status of the Shares on the SGX-ST, cause market illiquidity or adversely affect the orderly trading of the Shares.

In particular, the Company will not undertake any purchase or acquisition of Shares under the Share Purchase Mandate (if approved) if the public float is below 10%, or if any such purchase or acquisition of Shares will result in the public float falling below 10%.

2.10 **Share Purchases in the Previous 12 Months**

The Company has not purchased or acquired any Shares during the 12-month period preceding the Latest Practicable Date.

2.11 **Limits on Shareholdings**

The Company does not have any limits on the shareholding of any Shareholder.

2.12 **Catalist Rules**

Whilst the Catalist Rules do not expressly prohibit any purchase of shares by a listed company during any particular time or times, because the Company would be regarded as an “insider” in relation to any proposed purchase or acquisition of its issued Shares, the Company will not undertake any purchase or acquisition of Shares pursuant to the Share Purchase Mandate at any time after a price sensitive development has occurred or has been the subject of a consideration and/or decision of the Board until the price sensitive information has been publicly announced.

In particular, in line with the best practices on securities dealings set out in Rule 1204(19) of the Catalist Rules, the Company will not purchase or acquire any Shares through Market Purchases or Off-Market Purchases during the period of one month immediately preceding the announcement of the Company's half-year and full-year financial statements (if the Company does not announce its quarterly financial statements) and the period of two weeks immediately preceding the announcement of the Company's financial statements for each of the first three quarters of the financial year and one month before the announcement of the Company's full-year financial statements (if the Company announces its quarterly financial statements, whether required by SGX-ST or otherwise), as the case may be, and ending on the date of announcement of the relevant financial statements.

2.13 **Reporting Requirements**

Under Rule 871 of the Catalist Rules, the Company shall report all purchases or acquisitions of its Shares to the SGX-ST no later than 9.00 a.m.:

- (a) in the case of a Market Purchase, on the Market Day following the day of purchase or acquisition of any of its Shares; and
- (b) in the case of an Off-Market Purchase under an equal access scheme, on the second Market Day after the close of acceptances of the offer.

Such announcement (which must be in the form of Appendix 8D to the Catalist Rules) must include, *inter alia*, details of the total number of Shares authorised for purchase, the date of the purchase, the total number of Shares purchased, the number of Shares cancelled, the number of Shares held as Treasury Shares, the purchase price per share or the highest and lowest prices paid for such Shares, as applicable, the total consideration (including stamp duties and clearing charges) paid or payable for the Shares, the number of Shares purchased as at the date of announcement (on a cumulative basis), the number of issued Shares (excluding any Treasury Shares and subsidiary holdings) and the number of Treasury Shares after the purchase.

2.14 **Take-Over Code Implications**

Appendix 2 of the Take-Over Code ("**Appendix 2**") contains the Share Buy-Back Guidance Note. The take-over implications arising from any purchase or acquisition of Shares by the Company pursuant to the Share Purchase Mandate are summarised below.

2.14.1 Obligation to make a Take-Over Offer

If, as a result of any purchase or acquisition by the Company of its Shares under the Share Purchase Mandate, the proportionate interest in the voting capital of the Company of a Shareholder and persons acting in concert with him increases, such

increase will be treated as an acquisition for the purposes of Rule 14 of the Take-Over Code. If such increase results in a change of effective control, or, as a result of such increase, a Shareholder or group of Shareholders acting in concert obtains or consolidates effective control of the Company, such Shareholder or group of Shareholders acting in concert could become obliged to make a take-over offer for the Company under Rule 14 of the Take-Over Code.

Rule 14.1 of the Take-Over Code requires, *inter alia*, that, except with the consent of the SIC, where:

- (a) any person acquires, whether by a series of transactions over a period of time or not, shares which (taken together with shares held or acquired by persons acting in concert with him) carry 30.0% or more of the voting rights of a company; or
- (b) any person who, together with persons acting in concert with him, holds not less than 30.0% but not more than 50.0% of the voting rights and such person, or any person acting in concert with him, acquires in any period of six months additional shares carrying more than 1.0% of the voting rights,

such person shall extend immediately an offer on the basis set out below to the holders of any class of shares in the capital which carries votes and in which such person or persons acting in concert with him hold shares. In addition to such person, each of the principal members of the group of persons acting in concert with him may, according to the circumstances of the case, have the obligation to extend an offer.

The offer required to be made under the provisions of Rule 14.1 of the Take-Over Code shall, in respect of each class of shares in the capital involved, be in cash or be accompanied by a cash alternative at the Required Price.

For the above purposes, "**Required Price**" means in relation to the offer required to be made under the provisions of Rule 14.1 of the Take-Over Code, the offer shall be in cash or be accompanied by a cash alternative at a price in accordance with Rule 14.3 of the Take-Over Code which is the highest of the highest price paid by the offerors and/ or person(s) acting in concert with them for the shares (i) during the offer period and within the preceding six months; (ii) acquired through the exercise of instruments convertible into securities which carry voting rights within six months of the offer and during the offer period; or (iii) acquired through the exercise of rights to subscribe for, and options in respect of, securities which carry voting rights within six months of the offer or during the offer period; or at such price as determined by the SIC under Rule 14.3 of the Take-Over Code.

2.14.2 Persons Acting in Concert

Under the Take-Over Code, persons acting in concert comprise individuals or companies who, pursuant to an agreement or understanding (whether formal or informal), co-operate, through the acquisition by any of them of shares in a company to obtain or consolidate effective control of that company.

Unless the contrary is established, the Take-Over Code presumes, *inter alia*, the following individuals and companies to be persons acting in concert:

- (a) the following companies:
 - (i) a company;
 - (ii) the parent company of (i);
 - (iii) the subsidiaries of (i);
 - (iv) the fellow subsidiaries of (i);

- (v) the associated companies of any of (i), (ii), (iii) or (iv);
- (vi) companies whose associated companies include any of (i), (ii), (iii), (iv) or (v); and
- (vii) any person who has provided financial assistance (other than a bank in the ordinary course of business) to any of the above for the purchase of voting rights,

(for the purposes of the foregoing, a company is an associated company of another company if the second company owns or controls at least 20.0% but not more than 50% of the voting rights of the first mentioned company),

- (b) a company with any of its directors (together with their close relatives, related trusts as well as companies controlled by any of the directors, their close relatives and related trusts); and
- (c) the following persons and entities:
 - (i) an individual;
 - (ii) the close relatives of (i);
 - (iii) the related trusts of (i);
 - (iv) any person who is accustomed to act in accordance with the instructions of (i); and
 - (v) companies controlled by any of (i), (ii), (iii) or (iv); and (vi) any person who has provided financial assistance (other than a bank in the ordinary course of business) to any of the above for the purchase of voting rights.

The circumstances under which Shareholders, including Directors and persons acting in concert with them respectively, will incur an obligation to make a take-over offer under Rule 14 of the Take-Over Code after a purchase or acquisition of Shares by the Company are set out in Appendix 2.

2.14.3 Effect of Rule 14 and Appendix 2 of the Take-Over Code

In general terms, the effect of Rule 14 and Appendix 2 is that, unless exempted, Directors and persons acting in concert with them will incur an obligation to make a take-over offer for the Company under Rule 14 if, as a result of the Company purchasing or acquiring Shares, (a) the voting rights of such Directors and their concert parties would increase to 30.0% or more; or (b) if the voting rights of such Directors and their concert parties fall between 30.0% and 50.0% of the Company's voting rights, the voting rights of such Directors and their concert parties would increase by more than 1.0% in any period of six months. The Directors are not aware of any Shareholder who may become obligated to make a mandatory take-over offer in the event that the Company purchases or acquires its Shares up to the full 10.0% limit pursuant to the Share Purchase Mandate.

The statements herein do not purport to be a comprehensive or exhaustive description of all implications that may arise under the Take-Over Code.
