**MEDIA REPORTS ON INVESTIGATION BY THE INDONESIAN NATIONAL POLICE
FOOD TASK FORCE REGARDING RICE QUALITY VIOLATIONS**

We refer to recent media reports that the Indonesian authorities have commenced criminal investigations against some rice producers, including Wilmar Group, for suspected violations of rice quality and measurement standards.

In connection with the investigations, certain employees of the Wilmar Group have been called up for questioning.

The Wilmar Group denies the allegations of selling adulterated rice and will continue to assist with the investigations to clear its name.
