Civil Proceedings instituted by Ruznie

Dr. AR. Ruznie OMS (**"Ruznie"**) commenced certain litigation proceedings in Indonesia between 2011 to 2013, either in the capacity as the attorney of PT Rinjani Kartanegara (**"PT Rinjani"**) or as the direct aggrieved party, against, *inter alia*, Nordiansyah Nasrie, claiming, *inter alia*, that several documents in relation to the acquisition of PT Rinjani by PT Pilar Mas Utama Perkasa (**"PT PMUP"**) in 2008 should be revoked.

On 7 May 2013, (i) Ruznie; (ii) PT PMUP and (iii) PT Rinjani, through their respective legal counsels, have also entered into an amicable settlement agreement to agree on certain matters relating, *inter alia*, to the foregoing proceedings.

As at the date of this announcement, all such claims and/or appeals in relation to such claims have either been rejected by the Indonesian courts, withdrawn by Ruznie or have been otherwise considered concluded, with no material impact on, *inter alia*, Nordiansyah Nasrie.
