

STRATECH SYSTEMS LIMITED

(Incorporated in the Republic of Singapore)

(Company Registration No: 199608251Z)

REDEMPTION OF CONVERTIBLE BONDS

The Directors of Stratech Systems Limited ("the Company") wish to update that as previously announced, that the Company had in FY2013 issued, among others, \$506,000 in aggregate principal amount of redeemable 10.0 percent convertible bonds ("Bonds").

As they have not been converted upon maturity, the Company has redeemed the Bonds in full including interest.

There are no other outstanding convertible bonds issued by the Company.

By Order of the Board
