Profit Guidance

The Board of Directors of Lion Asiapac Limited (the "**Company**") and together with its subsidiaries, the "**Group**") wishes to inform that, in anticipation of the Company's announcement of the Group's unaudited financial results for the second quarter and half year ended 31 December 2016 ("**Q2 Results**"), which is expected to be released in the middle of February 2017, the Directors consider it appropriate to issue a profit guidance announcement in respect of the Q2 Results.

Based on a preliminary review of the Q2 Results, the Group is expected to report losses for the second quarter as well as for the half year. This is mainly due to a decrease in turnover as a result of a decline in demand amid adverse market conditions.

Further details of the Group's performance will be disclosed when the Company announces its Q2 Results in the middle of February 2017.

In the meantime, shareholders of the Company and potential investors are advised to exercise caution when dealing in the shares of the Company. If in doubt about the action that they should take, they should seek advice from their stockbrokers, bankers, solicitors, accountants, tax advisers or other professional advisers.
