FOR IMMEDIATE RELEASE

TeleChoice wins Investor Relations Award at the Singapore Corporate Awards 2018

Singapore, 19 July 2018 – SGX mainboard-listed TeleChoice International Limited ("TeleChoice" or the "Group"), a regional diversified provider and enabler of innovative info-communications products and services, is pleased to announce that it was conferred the Best Investor Relations Award (Bronze) in the category for listed companies with market capitalisation of $300 million and below at the Singapore Corporate Awards ("SCA") 2018. The winners of the Best Investor Relations Award are recognised as exemplary role models in investor relations practices who go beyond the mandatory regulatory requirements in terms of quality and fairness of disclosure, and corporate transparency.

Mr Vincent Lim, President of TeleChoice said, "We are very honoured to receive this prestigious award in recognition of our investor relations efforts. 2018 marks the 20th corporate anniversary of TeleChoice, and this award certainly adds another feather to our cap of achievements.

"We like to thank the organising committee and the investing community for their endorsement and support. This award will serve to further strengthen our commitment in upholding best practices in corporate governance, content disclosure and delivery, and motivate us to continue to improve our engagement and communication with stakeholders."

Launched in 2005, the SCA (www.scawards.com.sg) acknowledges and celebrates excellence and best practices in corporate governance and investor relations among listed companies in Singapore. The annual event is organised by the Institute of Singapore Chartered Accountants, the Singapore Institute of Directors and The Business Times, with the support of the Accounting and Corporate Regulatory Authority and the Singapore Exchange, and sponsored by Bank Julius Baer.

This release may contain forward-looking statements that involve risks and uncertainties. Actual future performance, outcomes and results may differ materially from those expressed in forward-looking statements as a result of risks, uncertainties and assumptions. Representative examples of these factors include (without limitation) general industry and economic conditions, interest rate trends, cost of capital and capital availability, competition from other companies and venues for the sale/distribution of goods and services, shifts in customer demands, customers and partners, changes in operating expenses, including employee wages, benefits and training, and governmental and public policy changes. You are cautioned not to place undue reliance on these forward-looking statements, which are based on current view of management on future events.
