- 1) In the Company's announcement of 15 April 2019, it was announced that statutory demands were served to the Company on 26 December 2018 and 6 March 2019. Please explain why these were only announced on 15 April 2019.

Reply 1:

Upon receipt of the statutory demands, the Company began discussions with the claimants and their solicitors to establish the basis and veracity of the claims and to negotiate a payment proposal with them, and this took time. At the same time, the Company sought advice from its own legal advisers on the legitimacy and validity of the claims based on the background, terms and nature, including the circumstances in which the funds were provided to the Company. Company was and is still pursuing a viable payment proposal to meet these claims.
