PT GARUDA INDONESIA (PERSERO) TBK. ANNOUNCES THAT ITS EUROBONDS SHALL BEAR INTEREST AT THE PIK RATE OF INTEREST WITH RESPECT TO CERTAIN INTEREST PERIODS

Jakarta, 28 December 2023 – PT Garuda Indonesia (Persero) Tbk. (the “**Issuer**”) has elected that its U.S.\$624,211,705 in aggregate principal amount of 6.5 per cent. notes due 2031 (the “**Notes**”) shall bear interest at the PIK Rate of Interest with respect to the Interest Periods ending on 28 March 2023, 28 June 2023, 28 September 2023 and 28 December 2023.

The election has been made in accordance with, and in satisfaction of, the applicable requirements of the Notes and the terms and conditions set out in part C of schedule 2 of the trust deed between the Issuer and The Bank of New York Mellon, London Branch constituting the Notes (the “**Trust Deed**”).

The total amount of PIK Interest payable in respect of the Interest Period ending on 28 December 2023 is US\$9,939,966. There is no cash interest payable in respect of the Interest Period ending on 28 December 2023. As a result of this election in respect of the Interest Period ending on 28 December 2023, the total principal amount of Notes outstanding is now US\$558,351,891.

Terms that are used but have not been defined in this announcement shall have the meaning given to them in the Trust Deed.
