(the “**Company**”)

EXTENSION OF TIME TO COMPLY WITH RULES 705 (1) AND 705(2)

The Company refers to its announcements made on 28 February 2016, 26 July 2016 and 23 August 2016.

The Company submitted applications to the SGX-ST for:

- a) A 2 month extension of time from 30 November 2016 till 29 January 2017 to announce the financial results for the third quarter ended 31 December 2015 (“**3QFY2016**”) pursuant to Listing Rule 705(2);
- b) A 2 month extension of time from 30 November 2016 till 29 January 2017 to announce the financial results for the full year ended 31 March 2016 (“**FYE2016**”) pursuant to Listing Rule 705(1); and
- c) A 2 month extension of time from 30 November 2016 till 29 January 2017 to announce the financial results for the first quarter ended 30 June 2016 (“**1QFY2017**”) pursuant to Listing Rule 705(2);

On 7 December 2016, the SGX-ST replied that it has no objection to the Applications subject to the following:

- a) the Company announcing the period of extension granted, the reasons for seeking the extension of time and the conditions as required under Listing Rule 107;
- b) submission of a written confirmation from the Company that the waivers do not contravene any laws and regulations governing the Company and the articles of association of the Company; and
- c) submission of a written confirmation from the Company that it is not aware of any information that will have a material bearing on investors’ decision which has yet to be announced by the Company.

To date, the Company has insufficient funds to hire an accountant to prepare the financial statements as well as to engage auditors to assist the accountant with the preparation of the aforementioned financial statements. Accordingly, the Company was not able to announce its 3QFY2016, FYE2016 and 1QFY2017 financial results by 30 November 2016 and has therefore requested and obtained an extension of time till 29 January 2017.

With respect to the written confirmations mentioned above, the Company has provided the same in the Applications.
