Tittel:	Oslo Børs - Move to special observation
Meldingstekst:	See the latest announcements issued by the company. Until the company has restored compliance with the financial reporting requirements of the continuing obligations of Oslo Børs, cf. Securities Trading Act section 5-5, and until clarification on the situation regarding possible going concern issues has been reached, price quotation will be subject to special observation. Oslo Børs would also like to draw attention to the statement from the Financial Supervisory Authority of Norway regarding trading halts in listed financial instruments on grounds of failure to publish periodic financial reports. The statement is available here: English: http://www.finanstilsynet.no/en/Listed-issuers-prospectuses/Periodic-information/Supervision/Reporting/Suspension-and-temporary-halt-to-trading-in-quoted-financial-instruments-on-grounds-of-failure-to-publish-periodic-financial-reports/ Norwegian: http://www.finanstilsynet.no/no/Artikkelarkiv/Aktuelt/2009/4-kvartal/Suspensjon-og-stans-av-handel-i-noterte-verdipapirer-ved-manglende-periodisk-finansiell-rapportering/
