1.3 Allotment of Rights Shares

In the case of depositors with valid acceptances and successful applications for excess Rights Shares, CDP will send a notification letter stating the number of Rights Shares that have been allotted to their respective Securities Accounts by ordinary post at their own risk, to their respective mailing addresses as maintained with CDP, or by way of an electronic notification. In the case of scripholders with valid acceptances and successful applications for excess Rights Shares, certificates in respect of the Rights Shares will be sent, by ordinary post at their own risk, to their respective mailing addresses as maintained with the Share Registrar.

2. REFUND FOR INVALID OR UNSUCCESSFUL ACCEPTANCES AND EXCESS APPLICATIONS

- (b) where such acceptance and/or Excess Application had been made by way of an Electronic Application through an Accepted Electronic Service, by crediting the designated bank account related to the relevant applicants' Accepted Electronic Applications at their own risk, the receipt by such banks being a good discharge to the Company and CDP of their obligations; or
- (c) where such acceptances and/or Excess Applications had been made by way of an Electronic Application through an ATM of the Participating Bank, by crediting the bank accounts of the relevant applicants with the Participating Bank at their own risk, the
