### **NANOFILM NAMED AS ONE OF THE INAUGURAL WINNERS OF DELOITTE'S BEST MANAGED COMPANIES SINGAPORE 2021 AWARD**

- *Independent judging panel impressed with Nanofilm's vision, drive to realise new industry opportunities, originality, and ability to scale*
- *Nanofilm committed to uphold high standards of corporate governance, and to further strengthen Environmental, Social and Corporate Governance ("ESG") considerations across operations and business strategies*

**SINGAPORE, 6 July 2021** – Mainboard-listed Nanofilm Technologies International Limited (the "**Company**", and together with its subsidiaries, "**Nanofilm**", "**NTI**" or the "**Group**"), a leading provider of nanotechnology solutions, is pleased to announce that it has been named a winner in Deloitte's inaugural Best Managed Companies Singapore 2021 Award, in recognition of its exemplary business performance in 2020.

Deloitte's Best Managed Companies award program recognises companies for their organisational success and achievement. The program provides a distinct framework for management teams to challenge themselves and benchmark against some of the best private companies in the world. The Best Managed Companies is part of a global awards program active in the Americas, Europe, Australia, China and now Singapore and across Southeast Asia. Companies are evaluated based on factors such as strategy development, capabilities and innovation, culture and commitment, strong governance structures and financial discipline.

Nanofilm was deemed, by an independent judging panel, to exemplify the qualities of a Best Managed company in what was an extraordinary year for businesses globally, amidst the COVID-19 pandemic. The judges commended Nanofilm for its strong company vision of integrating nanotechnology into the daily lives of end-users and plans to achieve mass commercialisation through realising new industry opportunities. This serves as a strong affirmation of Nanofilm's proprietary technologies, core competencies in R&D, engineering and production.

At the heart of Nanofilm’s business lies a robust ESG framework which will continue to govern its strategy and operations as the Group seeks growth and create stakeholder value responsibly. As a global citizen whose green-labelled mission critical applications are proliferated worldwide, Nanofilm’s steadfast commitment to sustainability and ESG will allow the generation of stronger and more sustainable returns over time.

**Dr Shi Xu (史旭), Founder and Executive Chairman of Nanofilm**, said, “The Best Managed Companies award by Deloitte is a well-regarded international stamp of approval, underscoring our gold standard in Environmental, Social and Corporate Governance as the leading nanotechnology solutions provider. At Nanofilm, we view our management team as our heart, and technology as our brain, working together with all the other vital organs that make up our business, to ensure success. This award would not have been possible without the passionate and dedicated team driving Nanofilm. A sincere thanks to the management team and all staff who truly embodies what Nanofilm is today and what it hopes to achieve for the future.”
