Acquisition of 75% Interest in Top Ryde City Shopping Centre, Strategic Expansion into Retail Sector

- A high-quality, well-established regional shopping centre focused on non-discretionary retail
- Strategically located along Devlin Street, part of Sydney's A3 arterial route connecting northern and southern Sydney
- Diversification into retail to **enhance portfolio stability and resilience:**
  - ✓ Retail assets continue to offer attractive yields
  - ✓ Capitalise on rising spending and population growth
  - ✓ Suburban retail supported by essential spending, provides resilience and strong growth potential
- Purchase consideration of **A$393.8m / S$334.8m[1] (A$6,813 psm)**
- Fully leased initial property yield of **6.7%** and **1.53%**[1] accretion to pro forma adjusted DPU
- The enlarged portfolio remains **Singapore centric** and **office-focused**
- Completion is expected to take place by 1Q 2026

(1) Based on FY 2024 DPU and assuming: (a) the Acquisition was completed on 1 January 2024; (b) 25% of management fees for FY 2024 were paid in cash; and (c) based on the issue price of $0.983 per unit for the private placement. Assuming 100% of management fees for FY 2024 were paid in units, pro forma DPU accretion would be 1.25%.

Financial Highlights

Strong Performance Driven by Robust Demand for Singapore Prime Office and Contribution from 255 George Street

- Property Income and NPI increased due mainly to contribution from 255 George Street and higher occupancy at 2 Blue Street
- Share of results of associates increased due mainly to higher rentals at Marina Bay Financial Centre and One Raffles Quay, and lower borrowing costs
- Distributable income from operations would have risen by 6.7%, if management fees were paid entirely in Units

Performance Commentary:

- Singapore: Better performance contributed by higher rentals
- Australia: Higher NPI due to contribution from 255 George Street and increased occupancy at 2 Blue Street, offset partially by a stronger SGD
- North Asia: Higher occupancy due mainly to new lease committed at T Tower, which will commence in 4Q 2025

ESG Activities in 3Q 2025

2 Blue Street, originally designed to achieve 5-star Green Star Design & As Built rating by the Green Building Council of Australia, exceeded expectations by being the first office building in North Sydney to attain the highest **6-star rating**.

In August, **2 Blue Street** installed and activated a **97kW solar panel system**, reinforcing Keppel REIT's commitment to reducing environmental impact through the utilisation of renewable energy.

In July, a sustainability event was held with FairPrice Group and the Singapore Environment Council for tenants from **Marina Bay Financial Centre** and **One Raffles Quay**. 26 professionals participated in the event to discuss green supply chains and local sustainable food production, as well as visited the Nippon Koi Farm.

In August, Daffodil Day was held at **8 Exhibition Street**, raising over **A$13,000** for Cancer Council Victoria through the sale of daffodil flowers.

In September, **Keppel volunteers** dedicated an afternoon to engaging activities and interactive games with over 20 beneficiaries from the Muscular Dystrophy Association (Singapore), fostering connection and creating memorable experiences for the participants.

IMPORTANT NOTICE: The past performance of Keppel REIT is not necessarily indicative of its future performance. Certain statements made in this presentation may not be based on historical information or facts and may be "forward-looking" statements due to a number of risks, uncertainties and assumptions. Representative examples of these factors include (without limitation) general industry and economic conditions, interest rate trends, cost of capital and capital availability, competition from similar developments or shifts in expected levels of property rental income, changes in operating expenses, including employee wages, benefits and training, property expenses and governmental and public policy changes, and the continued availability of financing in the amounts and terms necessary to support future business.

Prospective investors and unitholders of Keppel REIT ("Unitholders") are cautioned not to place undue reliance on these forward-looking statements, which are based on the current view of Keppel REIT Management Limited, as manager of Keppel REIT (the "Manager") on future events. No representation or warranty, express or implied, is made as to, and no reliance should be placed on, the fairness, accuracy, completeness or correctness of the information, or opinions contained in this presentation. None of the Manager, the trustee of Keppel REIT or any of their respective advisors, representatives or agents shall have any responsibility or liability whatsoever (for negligence or otherwise) for any loss howsoever arising from any use of this presentation or its contents or otherwise arising in connection with this presentation. The information set out herein may be subject to updating, completion, revision, verification and amendment and such information may change materially. The value of units in Keppel REIT ("Units") and the income derived from them may fall as well as rise. Units are not obligations of, deposits in, or guaranteed by, the Manager or any of its affiliates. An investment in Units is subject to investment risks, including the possible loss of the principal amount invested.

Investors have no right to request the Manager to redeem their Units while the Units are listed. It is intended that Unitholders may only deal in their Units through trading on Singapore Exchange Securities Trading Limited ("SGX-ST"). Listing of the Units on SGX-ST does not guarantee a liquid market for the Units.
