About Singapore Exchange (SGX)

Singapore Exchange (SGX) is the Asian Gateway, connecting investors in search of Asian growth to corporate issuers in search of global capital. SGX represents the premier access point for managing Asian capital and exposure, and is Asia's most international exchange with more than 40% of companies listed on SGX originating outside of Singapore. SGX offers its clients the world's biggest offshore market for Asian equity index futures, centred on Asia's three largest economies – China, India and Japan.

In addition to offering a fully integrated value chain from trading and clearing, to settlement and depository services, SGX is also Asia's pioneering central clearing house. Headquartered in Asia's most globalised city, and centred within the AAA strength and stability of Singapore's island nation, SGX is a peerless Asian counterparty for the clearing of financial and commodity products.
