ANNOUNCEMENT

UPDATE ON USE OF PROCEEDS

---

*Unless otherwise defined, all terms and references used herein shall bear the same meanings as ascribed to them in the announcement dated 26 October 2016 titled "Launch of Placement of New Stapled Securities in Viva Industrial Trust to raise gross proceeds of approximately S$45.0 million and lodgement of Offer Information Statement" and the announcement dated 17 November 2016 titled "Use of Proceeds" (the "**Use of Proceeds Announcement**").*

Further to the Use of Proceeds Announcement, the Managers wish to announce that a further S$12.0 million of the net proceeds of S$43.5 million raised from the Private Placement has been utilised today to partially repay VIT's outstanding Revolving Credit Facility. The Revolving Credit Facility had been drawn down to finance capital expenditure and acquisitions, as well as for general working capital purposes.

Such use is in accordance with the intended use as stated in the Use of Proceeds Announcement. The Managers had, in the Use of Proceeds Announcement, stated their intention that pending the deployment of the net proceeds from the Private Placement to partially fund the Proposed Acquisition, part of the net proceeds will be utilised to repay the outstanding borrowings under the Revolving Credit Facility. The Managers intend to draw down on the Revolving Credit Facility again at the appropriate time to partially fund the Proposed Acquisition.

The Managers are of the view that the above is a more efficient use of the net proceeds from the Private Placement and will make an announcement when the remaining net proceeds have been materially utilised.
