RESPONSE TO SGX-ST'S QUERIES IN RELATION TO THE UNAUDITED FULL YEAR FINANCIAL STATEMENT AND DIVIDEND ANNOUNCEMENT FOR THE FINANCIAL YEAR ENDED 31 MARCH 2020

The Board of Directors (“**Board**”) of Amcorp Global Limited (the “**Company**”) refers to the queries raised by the Singapore Exchange Securities Trading Limited (the “**SGX-ST**”) in its email dated 27 July 2020 in relation to the Company’s unaudited full year financial statement and dividend announcement released on 14 July 2020 (the “**FY2020 Results Announcement**”) and wishes to provide the following information in response to the queries:

<p>(a)</p> <p>(i)</p> <p>(ii)</p> <p>(iii)</p> <p>(i)</p> <p>(ii)</p>	<p><u>SGX-ST’s query</u></p> <p>With reference to the FY2020 Results Announcement, it is disclosed that the Company has completed properties and land held for sale written down of \$6,927,000 and impairment loss on loans receivable from associates of \$3,142,000. For each of the expense recognised, please disclose:</p> <p>factors taken into consideration in determining the amount of impairment/write off;</p> <p>the Board’s confirmation as to whether it is satisfied with the reasonableness of the methodologies used to determine amount of impairment/write off; and</p> <p>the reasons for the impairment loss/write off.</p> <p><u>Our reply</u></p> <p><u>Write-down of completed properties</u></p> <p>There are 2 properties involved, the office block in our Third Avenue project in Malaysia, and one unit in one of our Singapore projects. The reason for the write-down of the office block is that an offer has been received and the Board has approved the disposal of the building at the offer price received. The transaction is pending signing of the sale and purchase agreement. The write-down for the unit in Singapore is due to our reduced selling price for this unit put on the market for sale. The write-down amounts of the office block and unit in Singapore are \$6.6 million and \$0.3 million respectively.</p> <p><u>Impairment on loans receivable</u></p> <p>This essentially involved 2 associated companies, where the assets and revenue streams of the associates were assessed. The assets have declined in value based on valuation reports, and the revenue streams were based on market conditions and remaining period of the asset’s lease. From the assessment, it was concluded that portions of the loans receivable may not be recoverable, hence the need for impairment.</p> <p>The Board is satisfied with the reasonableness of the methodologies used to determine the amounts of impairment/write-off.</p>

(b)	<u>SGX-ST's query</u>																												
	Please provide the background for additional buyer's stamp duty (“ABSD”) of \$4,680,000 for the year ended 31 March 2020.																												
	<u>Our reply</u>																												
	One of the Company’s subsidiaries (“ Subsidiary ”) did not meet the required 5-year timeline for the completion of a development project due to external factors. This non-compliance resulted in ABSD being imposed. The Subsidiary appealed with the relevant authority for an extension of time to complete the project. However, the appeal was not successful, resulting in the need to take up the ABSD as an expense.

(d)	<u>SGX-ST's query</u>																												
	It is disclosed on page 12 of the FY2020 Results Announcement that loans receivable from associates have been reclassified to investment in associates as these loans are long-term in nature and have the characteristic of quasi equity. Please disclose when the determination was made and whether any restatements for the Company’s FY2019 accounts are required in this regard.																												

	<p><u>Our reply</u> The determination was made at the reporting date of 31 March 2020. Factors considered in the determination include the timeframe of collectability of the receivables due to slow sales with all the projects being fully completed, and the inventory of unsold units being temporarily held for lease. As this is not an omission or error, there is no requirement for restatement of the FY2019's accounts.</p>																					
(e)	<p><u>SGX-ST's query</u> It is disclosed on page 12 of the FY2020 Results Announcement that development properties decreased by S\$43.7 million due mainly to the reclassification of the retail units of 183 Longhaus to completed properties as the development project has been completed, and development costs expensed off. Please provide a breakdown between the reclassification of the retail units to completed properties and development costs expensed off.</p> <p><u>Our reply</u> Please see below:</p> <table border="1"> <tr> <td>Development Property Movement</td> <td></td> <td></td> </tr> <tr> <td></td> <td></td> <td>S\$</td> </tr> <tr> <td>Additions during the year</td> <td></td> <td>11,653,000</td> </tr> <tr> <td>Transferred to completed property held for sale (Longhaus)</td> <td></td> <td>(27,431,000)</td> </tr> <tr> <td>Recognised to Income Statement - Cost of sales</td> <td></td> <td>(27,931,000)</td> </tr> <tr> <td></td> <td></td> <td><u>(43,709,000)</u></td> </tr> </table>	Development Property Movement					S\$	Additions during the year		11,653,000	Transferred to completed property held for sale (Longhaus)		(27,431,000)	Recognised to Income Statement - Cost of sales		(27,931,000)			<u>(43,709,000)</u>
