To: The Shareholders of SHS Holdings Ltd.

Dear Sir/Madam

THE PROPOSED RENEWAL OF THE SHARE BUYBACK MANDATE

1. INTRODUCTION

The Company proposes to seek the approval of its Shareholders at the AGM to be held at a later date to be advised by the Company for, among others, the proposed renewal of the Share Buyback Mandate. The Company will make the necessary announcements to update Shareholders on the intended date and venue of the AGM in due course.

The purpose of this Appendix is to provide Shareholders with information relating to the Share Buyback Mandate.

The SGX-ST assumes no responsibility for the correctness of any of the statements made, opinions expressed or reports contained in this Appendix.

If any Shareholder is in doubt as to the course of action he should take, he should consult his stockbroker, bank manager, solicitor, accountant or other professional adviser immediately.

2. THE PROPOSED RENEWAL OF THE SHARE BUYBACK MANDATE

2.1 Background

The adoption of the Share Buyback Mandate was approved by Shareholders at the annual general meeting of the Company held on 29 April 2019 and will expire on 30 April 2020, being the last date on which the Company is required by law to hold its AGM.

Shareholders' approval is thus being sought at the AGM for the renewal of the general and unconditional Share Buyback Mandate for the purchase or acquisition by the Company of its issued Shares. If approved, the Share Buyback Mandate will take effect from the date of the AGM at which the renewal of the Share Buyback Mandate is approved by the Shareholders and continue in force until the date of the next annual general meeting of the Company or such date as the next annual general meeting is required by law to be held,

whichever is earlier, unless prior thereto, Share Buybacks are carried out to the full extent mandated or the Share Buyback Mandate is revoked or varied by the Company in general meeting.

Any purchase or acquisition of Shares by the Company will have to be made in accordance with, and in the manner prescribed by, the Companies Act, the Constitution of the Company, the rules of the Listing Manual, and such other laws and regulations as may for the time being be applicable.

2.2 Rationale

The Share Buyback Mandate will give the Company the flexibility to undertake purchases or acquisitions of its issued Shares up to the 10% limit described in paragraph 2.3.1 below, at any time, subject to market conditions, during the period that the Share Buyback Mandate is in force.

Share Buyback is one of the methods by which return on equity may be enhanced. Share Buybacks also provide the Company with a mechanism to return surplus cash (if any) which is in excess of the Group's financial needs and/or ordinary capital requirements in an expedient and cost-effective manner. The Directors believe that Share Buybacks may help to mitigate short-term market volatility, off-set the effects of short-term speculation and bolster Shareholders' confidence and employees' morale. Share Buybacks will also allow the Directors greater flexibility over the Company's share capital structure with a view to enhancing the EPS and/or NTA per Share.

Whilst the Share Buyback Mandate would authorise Share Buybacks up to the said 10% limit during the duration referred to in paragraph 2.3.2 below, Shareholders should note that purchases or acquisitions of Shares pursuant to the Share Buyback Mandate may not be carried out to the full 10% limit as authorised and the purchases or acquisitions of Shares pursuant to the Share Buyback Mandate would be made only as and when the Directors consider it to be in the best interest of the Company and/or Shareholders and in circumstances which they believe will not result in any material adverse effect to the financial position of the Company or the Group, or result in the Company being delisted from the SGX-ST. The Directors will use their best efforts to ensure that after a Share Buyback pursuant to the Share Buyback Mandate, the number of Shares remaining in the hands of the public will not fall to such a level as to cause market illiquidity or adversely affect the orderly trading and listing status of the Shares on the SGX-ST.

2.3 Authority and Limits on the Share Buyback Mandate

The authority and limitations placed on the Share Buyback Mandate, if renewed at the AGM, are the same as were previously approved by Shareholders at the Company's annual general meeting held on 29 April 2019, and are summarised below:

2.3.1 Maximum Number of Shares

Only Shares which are issued and fully paid-up may be purchased or acquired by the Company. The total number of Shares which may be purchased or acquired by the Company pursuant to the Share Buyback Mandate is limited to that number of Shares representing not more than 10% of the total number of issued Shares of the Company (ascertained as at the date of the AGM at which the renewal of the Share Buyback Mandate is approved, excluding treasury shares and subsidiary holdings), unless the Company has effected a reduction of its issued share capital in accordance with the applicable provisions of the Companies Act, at any time during the Relevant Period, in which event the total number of issued Shares of the Company shall be taken to be the

total number of issued Shares of the Company as altered. Any Shares which are held as treasury shares or as subsidiary holdings will be disregarded for the purposes of computing the aforesaid 10% limit.

Purely for illustrative purposes only, on the basis of 685,098,312 issued Shares (excluding 25,540,900 treasury shares held by the Company and there being no subsidiary holdings) as at the Latest Practicable Date, and assuming that on or prior to the AGM (i) no new Shares are issued by the Company; (ii) no further Shares are purchased or acquired by the Company and cancelled or held as treasury shares; and (iii) no Shares are held as subsidiary holdings, not more than 68,509,831 Shares (representing not more than 10% of the total number of issued Shares, excluding treasury shares and subsidiary holdings, as at that date) may be purchased or acquired by the Company pursuant to the Share Buyback Mandate.

2.3.2 Duration of Authority

Purchases or acquisitions of Shares may be made, at any time and from time to time, by the Company on and from the date of the AGM at which the renewal of the Share Buyback Mandate is approved, up to the earliest of:

- (a) the date on which the next annual general meeting of the Company is held or required by law to be held;
- (b) the date on which Share Buybacks are carried out to the full extent mandated; and
- (c) the date on which the authority conferred by the Share Buyback Mandate is revoked or varied by the Company in general meeting.

2.3.3 Manner of Purchase or Acquisition of Shares

Purchases or acquisitions of Shares by the Company may be effected by way of:

- (a) on-market purchases transacted on the SGX-ST through the ready market, and which may be transacted through one or more duly licensed stockbrokers appointed by the Company for the purpose ("**Market Purchases**"); and/or
- (b) off-market purchases (if effected otherwise than on the SGX-ST) in accordance with an "equal access scheme" as defined in Section 76C of the Companies Act ("**Off-Market Purchases**").

In an Off-Market Purchase, the Directors may impose such terms and conditions which are consistent with the Share Buyback Mandate, the Listing Manual, the Companies Act, the Constitution of the Company and other applicable laws and regulations, as they consider fit in the interests of the Company in connection with or in relation to any equal access scheme or schemes.

Under the Companies Act, an equal access scheme must satisfy all of the following conditions:

- (i) offers for the purchase or acquisition of shares shall be made to every person who holds shares to purchase or acquire the same percentage of their shares;
- (ii) all of those persons shall be given a reasonable opportunity to accept the offers made to them; and

- (iii) the terms of all the offers shall be the same, except that there shall be disregarded, where applicable:
 - (aa) differences in consideration attributable to the fact that the offers may relate to shares with different accrued dividend entitlements;
 - (bb) differences in consideration attributable to the fact that the offers may relate to shares with different amounts remaining unpaid; and
 - (cc) differences in offers introduced solely to ensure that each person is left with a whole number of shares.

Pursuant to the Listing Manual, if the Company wishes to make an Off-Market Purchase in accordance with an equal access scheme, it must issue an offer document to all Shareholders containing at least the following information:

- (i) the terms and conditions of the offer;
- (ii) the period and procedures for acceptances;
- (iii) the reasons for the proposed purchase or acquisition of Shares;
- (iv) the consequences, if any, of the purchase or acquisition of Shares by the Company that will arise under the Take-over Code or other applicable take-over rules;
- (v) whether the purchase or acquisition of Shares, if made, would have any effect on the listing of the Shares on the SGX-ST;
- (vi) details of any purchases or acquisitions of Shares made by the Company in the previous twelve (12) months (whether by way of Market Purchases or Off-Market Purchases), giving the total number of Shares purchased, the purchase price per Share or the highest and lowest prices paid for the purchases or acquisitions of Shares, where relevant, and the total consideration paid for the purchases or acquisitions of Shares; and
- (vii) whether the Shares purchased or acquired by the Company would be cancelled or kept as treasury shares.

2.3.4 Maximum Purchase Price

The purchase price (excluding brokerage, commission, stamp duties, applicable goods and services tax and other related expenses) to be paid for the Shares purchased or acquired pursuant to the Share Buyback Mandate will be determined by the Directors. However, the purchase price to be paid for the Shares pursuant to any Share Buyback must not exceed:

- (i) in the case of a Market Purchase, 105% of the Average Closing Price (as defined hereinafter) of the Shares; and
- (ii) in the case of an Off-Market Purchase pursuant to an equal access scheme, 115% of the Average Closing Price of the Shares,

(the “**Maximum Price**”) in either case, excluding related expenses of the Share Buyback.

For the above purposes of determining the Maximum Price:

“Average Closing Price” means the average of the closing market prices of the Shares traded on the SGX-ST over the last five (5) Market Days on which transactions in the Shares were recorded immediately preceding the date of the Market Purchase by the Company or, as the case may be, the date of the making of the offer (as defined below) pursuant to the Off-Market Purchase, and deemed to be adjusted for any corporate action that occurs during the relevant five-day period and the date of the Market Purchase or, as the case may be, the date of the making of the offer pursuant to the Off-Market Purchase; and

“date of the making of the offer” means the date on which the Company announces its intention to make an offer for an Off-Market Purchase, stating therein the purchase price (which shall not be more than the Maximum Price for an Off-Market Purchase calculated on the foregoing basis) for each Share and the relevant terms of the equal access scheme for effecting the Off-Market Purchase.

2.4 Status of purchased or acquired Shares

Any Share purchased or acquired by the Company is deemed cancelled immediately on purchase or acquisition (and all rights and privileges attached to that Share will expire on such cancellation) unless such Share is held by the Company as treasury share. Accordingly, the total number of issued Shares will be diminished by the number of Shares purchased or acquired by the Company and which are not held as treasury shares. The Company may decide to cancel Shares which have been purchased or acquired by the Company or hold such Shares as treasury shares, depending on whether it is in the interests of the Company to do so.

All Shares purchased or acquired by the Company (unless held as treasury shares by the Company to the extent permitted under the Companies Act) will be automatically delisted by the SGX-ST, and (where applicable) all share certificates in respect thereof will be cancelled and destroyed by the Company as soon as reasonably practicable following settlement of any such purchase or acquisition of Shares.

2.5 Treasury Shares

Under the Companies Act, Shares purchased or acquired by the Company may be held or dealt with as treasury shares. Where the Company holds the purchased Shares as treasury shares, the Company may deal with such treasury shares in such manner as may be permitted by and in accordance with the Companies Act. Some of the provisions on treasury shares under the Companies Act are summarised below:

2.5.1 Maximum Holdings

The number of Shares held as treasury shares cannot at any time exceed 10% of the total number of issued Shares.

2.5.2 Voting and Other Rights

The Company cannot exercise any rights in respect of treasury shares. In particular, the Company cannot exercise any right to attend or vote at meetings and for the purposes of the Companies Act, the Company shall be treated as having no right to vote and the treasury shares shall be treated as having no voting rights.

In addition, no dividend may be paid and no other distribution (whether in cash or otherwise) of the Company's assets (including any distribution of assets to members on a winding up) may be made to the Company in respect of treasury shares. However, the allotment of shares as fully paid bonus shares in respect of treasury shares is allowed. The treasury shares may be sub-divided or consolidated, so long as the total value of the treasury shares after such sub-division or consolidation is the same as the total value of the treasury shares before the sub-division or consolidation, as the case may be.

2.5.3 Disposal and Cancellation

Where Shares are held as treasury shares, the Company may at any time:

- (a) sell the treasury shares for cash;
- (b) transfer the treasury shares for the purposes of, or pursuant to, any share scheme, whether for its employees, directors or other persons;
- (c) transfer the treasury shares as consideration for the acquisition of shares in or assets of another company or assets of a person;
- (d) cancel the treasury shares; or
- (e) sell, transfer or otherwise use the treasury shares for such other purposes as may be prescribed by the Minister for Finance.

In addition, under the Listing Manual, an immediate announcement must be made by the Company of any sale, transfer, cancellation and/or use of treasury shares (in each case, the "usage"). Such announcement must include details such as the date of the usage, the purpose of the usage, the number of treasury shares comprised in the usage, the number of treasury shares before and after the usage and the percentage of the number of treasury shares comprised in the usage against the total number of issued shares (of the same class as the treasury shares) which are listed on the SGX-ST before and after the usage and the value of the treasury shares comprised in the usage.

2.6 **Reporting Requirements**

Within thirty (30) days of the passing of the Shareholders' resolution to approve the proposed renewal of the Share Buyback Mandate, the Company shall lodge a copy of such resolution with ACRA.

The Company shall notify ACRA within thirty (30) days of a purchase or acquisition of Shares on the SGX-ST or otherwise. The notification shall include details such as the date of the purchase or acquisition of Shares, the total number of Shares purchased or acquired by the Company, the number of Shares cancelled, the number of Shares held as treasury shares, the Company's issued share capital before and after the purchase or acquisition of Shares, the amount of consideration paid by the Company for the purchase or acquisition of Shares, whether the Shares were purchased or acquired out of profits or capital of the Company and such other particulars as may be required in the prescribed form.

Within thirty (30) days of the cancellation or disposal of treasury shares in accordance with the provisions of the Companies Act, the Company shall lodge with ACRA, in the prescribed form, the notice of cancellation or disposal of treasury shares.

The Listing Manual specifies that a listed company shall notify the SGX-ST of all purchases or acquisitions of its shares not later than 9.00 a.m.:

- (a) in the case of a Market Purchase, on the Market Day following the day on which the Market Purchase was made; and
- (b) in the case of an Off-Market Purchase under an equal access scheme, on the second Market Day after the close of acceptances of the offer for the Off-Market Purchase.

The notification of such purchases or acquisitions of Shares to the SGX-ST shall be in such form and shall include such details that the SGX-ST may prescribe. The Company shall make arrangements with its stockbrokers to ensure that they provide the necessary information to the Company in a timely fashion which will enable the Company to make the notification to the SGX-ST.

2.7 Source of Funds

The Company may only apply funds for the purchase or acquisition of Shares in accordance with the applicable laws in Singapore. The Company may not purchase or acquire its Shares for a consideration other than in cash or, in the case of a Market Purchase, for settlement otherwise than in accordance with the trading rules of the SGX-ST.

Pursuant to the Companies Act, any payment made by the Company in consideration of the purchase or acquisition of Shares by the Company may be made out of the Company's capital and/or profits, so long as the Company is solvent. It is an offence for a Director or an officer of the Company to approve or authorise the purchase or acquisition of Shares, knowing that the Company is not solvent. For this purpose, pursuant to the Companies Act, a company is solvent if at the date of the payment of the purchase or acquisition of its shares, the following conditions are satisfied:

- (a) there is no ground on which the company could be found to be unable to pay its debts;
- (b) if:
 - (i) it is intended to commence winding up of the company within the period of twelve (12) months immediately after the date of the payment, the company will be able to pay its debts in full within the period of twelve (12) months after the date of commencement of the winding up; or
 - (ii) it is not intended so to commence winding up, the company will be able to pay its debts as they fall due during the period of twelve (12) months immediately after the date of the payment; and
- (c) the value of the company's assets is not less than the value of its liabilities (including contingent liabilities) and will not, after the proposed purchase or acquisition of shares, become less than the value of its liabilities (including contingent liabilities).

The Company may use internal sources of funds or external borrowings or a combination of both to finance purchases or acquisitions of its Shares pursuant to the Share Buyback Mandate. The amount of funding required for the Company to purchase or acquire its Shares and the financial impact on the Company and the Group arising from such

purchases or acquisitions of Shares pursuant to the Share Buyback Mandate will depend on, *inter alia*, the aggregate number of Shares purchased or acquired, the consideration paid at the relevant time, and the amount (if any) borrowed by the Company to fund the purchases or acquisitions of Shares. However in considering the option of external financing, the Board will consider particularly the prevailing gearing level of the Group. The Board will only make purchases or acquisitions of Shares pursuant to the Share Buyback Mandate in circumstances which they believe will not result in any material adverse effect to the financial position of the Company or the Group.

The Company intends to use internal sources of funds to finance its purchases or acquisitions of Shares pursuant to the Share Buyback Mandate.

Where the Company chooses to cancel immediately any of the Shares it repurchased (as opposed to being held as treasury shares to the extent permitted under the Companies Act), the Company shall:

- (a) reduce the amount of its share capital where the Shares were purchased or acquired out of the capital of the Company;
- (b) reduce the amount of its profits where the Shares were purchased or acquired out of the profits of the Company; or
- (c) reduce the amount of its share capital and profits proportionately where the Shares are purchased or acquired out of both the capital and the profits of the Company,

by the total amount of the purchase price (including expenses such as brokerage or commission incurred directly by the Company in its purchase or acquisition of Shares) paid by the Company for the Shares cancelled.

2.8 Financial Effects

It is not possible for the Company to realistically calculate or quantify the impact of purchases or acquisitions of Shares that may be made pursuant to the Share Buyback Mandate on the EPS and NTA per Share as the resultant effect would depend on, *inter alia*, the aggregate number of Shares purchased or acquired, whether the purchase or acquisition of Shares is made out of capital or profits, the purchase price paid for such Shares, the amount (if any) borrowed by the Company to fund the purchases or acquisitions of Shares and whether the Shares purchased or acquired are cancelled or held as treasury shares.

Under the Companies Act, purchases or acquisitions of Shares by the Company may be made out of the Company's capital and/or profits so long as the Company is solvent.

Where the consideration paid by the Company for the purchase or acquisition of Shares is made out of profits, such consideration (including expenses such as brokerage or commission incurred directly by the Company in its purchase or acquisition of Shares) will correspondingly reduce the amount available for the distribution of cash dividends by the Company. Where the consideration paid by the Company for the purchase or acquisition of Shares is made out of capital, the amount available for distribution of cash dividends by the Company will not be reduced.

The Directors do not propose to exercise the Share Buyback Mandate to such an extent that it would have a material adverse effect on the working capital requirements of the Group or on the financial position of the Company or the Group. The purchase or

acquisition of Shares will only be effected after considering relevant factors such as the working capital requirements, the availability of financial resources, the expansion and investment plans of the Group and the prevailing market conditions. The Share Buyback Mandate will be exercised with a view to enhance the EPS and/or NTA per Share of the Group.

For illustrative purposes only, the financial effects of the Share Buyback Mandate on the Group, based on the audited consolidated financial statements of the Company for the financial year ended 31 December 2019, are based on the assumptions set out in the table below:

As such, the Company is able to purchase or acquire a further 45,523,021 Shares and hold them as treasury shares (after taking into account 25,540,900 treasury shares currently held by the Company and assuming that the Company continues to hold the said number of Shares as treasury shares and there being no subsidiary holdings).

Shareholders should note that the financial effects set out above are based on certain assumptions and purely for illustrative purposes only. In particular, it is important to note that the above analysis is based on the audited consolidated financial statements of the Company for the financial year ended 31 December 2019 and is not necessarily representative of the future financial performance of the Company or the Group.

The Company will take into account both financial and non-financial factors (for example, stock market conditions and performance of the Shares) in assessing the relative impact of the Share Buyback before execution. Although the Share Buyback Mandate would authorise the Company to purchase or acquire up to 10% of the total number of issued Shares (excluding treasury shares and subsidiary holdings) ascertained as at the date of the AGM, the Company may not necessarily purchase or acquire or be able to purchase or acquire up to the maximum number of Shares as permitted under the Share Buyback Mandate. In addition, the Company may cancel all or part of the Shares repurchased or hold all or part of the Shares repurchased as treasury shares subject to the limit as permitted by the Companies Act.

2.9 Taxation

Shareholders who are in doubt as to their respective tax positions or any tax implications, or who may be subject to tax in a jurisdiction outside Singapore, should consult their own professional advisers.

2.10 Take-over implications arising from Share Buybacks

Appendix 2 of the Take-over Code contains the Share Buy-Back Guidance Note. The take-over implications arising from any purchase or acquisition by the Company of its Shares are set out below.

2.10.1 Obligation to make a Take-over Offer

If, as a result of any purchase or acquisition by the Company of its Shares, the proportionate interest in the voting capital of the Company of a Shareholder and persons acting in concert with him increases, such increase will be treated as an acquisition of Shares for the purposes of Rule 14 of the Take-over Code. Consequently, a Shareholder or a group of Shareholders acting in concert with a Director could obtain or consolidate effective control of the Company and become obliged to make an offer under Rule 14 of the Take-over Code.

2.10.2 Persons acting in concert

Under the Take-over Code, persons acting in concert comprise individuals or companies who, pursuant to an agreement or understanding (whether formal or informal), co-operate, through the acquisition by any of them of shares in a company to obtain or consolidate effective control of that company.

Unless the contrary is established, the Take-over Code presumes, *inter alia*, the following individuals and companies to be persons acting in concert with each other:

- (a) a company with its parent company, its subsidiaries, its fellow subsidiaries, any associated companies of the foregoing companies, any company whose associated companies include any of the foregoing companies, and any person who has provided financial assistance (other than a bank in the ordinary course of business) to any of the foregoing companies for the purchase of voting rights;
- (b) a company with any of its directors, together with their close relatives, related trusts as well as companies controlled by any of the directors, their close relatives and related trusts;
- (c) a company with any of its pension funds and employee share schemes;
- (d) a person with any investment company, unit trust or other fund whose investment such person manages on a discretionary basis, but only in respect of the investment account which such person manages;
- (e) a financial or other professional adviser, including a stockbroker, with its client in respect of the shareholdings of the adviser and persons controlling, controlled by or under the same control as the adviser;

- (f) directors of a company, together with their close relatives, related trusts and companies controlled by any of such directors, their close relatives and related trusts, which is subject to an offer or where the directors have reason to believe a bona fide offer for their company may be imminent;
- (g) partners; and
- (h) an individual, his close relatives, his related trusts, any person who is accustomed to act according to his instructions, companies controlled by any of the foregoing persons, and any person who has provided financial assistance (other than a bank in the ordinary course of business) to any of the foregoing persons for the purchase of voting rights.

For this purpose, ownership or control of at least 20% but not more than 50% of the voting rights of a company will be regarded as the test of associated company status.

The circumstances under which Shareholders, including Directors and persons acting in concert with them respectively, will incur an obligation to make a take-over offer under Rule 14 of the Take-over Code after a purchase or acquisition of Shares by the Company are set out in Appendix 2 of the Take-over Code.

2.10.3 Effect of Rule 14 and Appendix 2

In general terms, the effect of Rule 14 and Appendix 2 of the Take-over Code is that, unless exempted, Directors and persons acting in concert with them will incur an obligation to make a take-over offer under Rule 14 if, as a result of the Company purchasing or acquiring its Shares, the voting rights of such Directors and persons acting in concert with them would increase to 30% or more, or in the event that such Directors and persons acting in concert with them hold between 30% and 50% of the Company's voting rights, if the voting rights of such Directors and persons acting in concert with them would increase by more than 1% in any period of six (6) months. In calculating the percentages of voting rights of such Directors and persons acting in concert with them, treasury shares and subsidiary holdings shall be excluded.

Under Appendix 2 of the Take-over Code, a Shareholder not acting in concert with the Directors will not be required to make a take-over offer under Rule 14 if, as a result of the Company purchasing or acquiring its Shares, the voting rights of such Shareholder would increase to 30% or more, or, if such Shareholder holds between 30% and 50% of the Company's voting rights, the voting rights of such Shareholder would increase by more than 1% in any period of six (6) months. Such Shareholder need not abstain from voting in respect of the ordinary resolution authorising the Share Buyback Mandate.

Shareholders are advised to consult their professional advisers and/or the SIC at the earliest opportunity as to whether an obligation on them to make a mandatory take-over offer would arise by reason of any purchases or acquisitions of Shares by the Company.

2.10.4 Information on Mr. Teng Choon Kiat, the Company's Executive Chairman and Controlling Shareholder

As at the Latest Practicable Date, Mr. Teng Choon Kiat holds 194,938,100 Shares, representing approximately 28.45% of the issued share capital of the Company of 685,098,312 Shares (excluding 25,540,900 treasury shares and there being no subsidiary holdings) as at the Latest Practicable Date.

Pursuant to Appendix 2 read together with Rule 14 of the Take-over Code, if, as a result of any purchase or acquisition by the Company of the Shares, the proportionate interest in the voting rights held by Mr. Teng Choon Kiat, and persons acting in concert with him, increases, such increase will be treated as an acquisition for the purpose of Rule 14 of the Take-over Code. Consequently, Mr. Teng Choon Kiat, and persons acting in concert with him, could obtain or consolidate effective control of the Company and become obliged to make a general offer under Rule 14 of the Take-over Code.

Purely for illustrative purposes only, based on Mr. Teng Choon Kiat's shareholding interest in the Company as at the Latest Practicable Date and assuming that the Company acquired or purchased a maximum of 68,509,831 Shares pursuant to the Share Buyback Mandate and no new Shares are issued by the Company, Mr. Teng Choon Kiat's shareholding interest in the Company would increase from approximately 28.45% to approximately 31.62%.

2.10.5 Conditional Exemption from having to make a Take-over Offer

Under Appendix 2 of the Take-over Code, Mr. Teng Choon Kiat, and persons acting in concert with him, will be exempted from the requirement to make a general offer under Rule 14 of the Take-over Code, subject to the following conditions:

- (a) this Appendix to Shareholders on the resolution to authorise the proposed renewal of the Share Buyback Mandate to contain advice to the effect that by voting for such resolution, Shareholders are waiving their rights to a general offer at the required price from Mr. Teng Choon Kiat and persons acting in concert with him who, as a result of the Company buying back its Shares, would increase their voting rights to 30% or more, or, if they together hold between 30% and 50% of the Company's voting rights, would increase their voting rights by more than 1% in any period of six (6) months; and the names of Mr. Teng Choon Kiat, and persons acting in concert with him, their voting rights at the time of the resolution and after the proposed Share Buyback are disclosed in this Appendix;
- (b) the resolution to authorise the proposed renewal of the Share Buyback Mandate to be approved by a majority of those Shareholders present and voting at the meeting on a poll who could not become obliged to make an offer as a result of the buyback of Shares by the Company;
- (c) Mr. Teng Choon Kiat, and persons acting in concert with him, to abstain from voting for and/or recommending Shareholders to vote in favour of the resolution to authorise the proposed renewal of the Share Buyback Mandate;
- (d) within seven (7) days after the passing of the resolution to authorise the proposed renewal of the Share Buyback Mandate, Mr. Teng Choon Kiat to submit to the SIC a duly signed form as prescribed by the SIC;
- (e) Mr. Teng Choon Kiat, and/or persons acting in concert with him, not to have acquired and not to acquire any Shares between the date on which they know that the announcement of the renewal of the Share Buyback Mandate proposal is imminent and the earlier of (i) the date on which the authority of the Share Buyback Mandate expires, and (ii) the date on which the Company announces it has bought back such number of Shares as authorised by the Share Buyback Mandate or it has decided to cease buying back its Shares, as the case may be, if such acquisitions, taken together with the buyback of Shares by the Company, would cause their aggregate voting rights in the Company to increase to 30% or more; and

- (f) Mr. Teng Choon Kiat, and/or persons acting in concert with him, together holding between 30% and 50% of the Company's voting rights, not to have acquired and not to acquire any Shares between the date on which they know that the announcement of the renewal of the Share Buyback Mandate proposal is imminent and the earlier of (i) the date on which the authority of the Share Buyback Mandate expires, and (ii) the date on which the Company announces it has bought back such number of Shares as authorised by the Share Buyback Mandate or it has decided to cease buying back its Shares, as the case may be, if such acquisitions, taken together with the buyback of Shares by the Company, would cause their aggregate voting rights in the Company to increase by more than 1% in the preceding six (6) months.

As at the Latest Practicable Date, there are no persons acting in concert with Mr. Teng Choon Kiat who hold Shares in the Company.

The voting rights of Mr. Teng Choon Kiat as at the Latest Practicable Date and in the event of Share Buybacks up to the maximum of 10% of the total number of issued Shares (excluding treasury shares and subsidiary holdings) as permitted by the Share Buyback Mandate are set out in paragraphs 2.10.4 and 3 of this Circular. Mr. Teng Choon Kiat has undertaken to the Company not to acquire further Shares and not to sell, transfer or otherwise dispose any of his Shares so as to maintain his shareholdings in the Company as at the Latest Practicable Date up to the date of the AGM in which Shareholders' approval will be sought by the Company for the proposed renewal of the Share Buyback Mandate.

Save as disclosed above, the Directors are not aware of any facts or factors which suggest or imply that any particular person(s) and/or Shareholder(s) are, or may be regarded as, persons acting in concert such that their respective interests in voting shares in the capital of the Company should or ought to be consolidated, and consequences under the Take-over Code would ensue as a result of a purchase or acquisition of Shares by the Company pursuant to the Share Buyback Mandate.

Form 2 (Submission by directors and their concert parties pursuant to Appendix 2 "Share Buy-Back Guidance Note" of the Take-over Code) is the prescribed form to be submitted to the SIC by a director acting in concert with a shareholder of a listed company who could become obliged to make a take-over offer under Rule 14 of the Take-over Code as a result of the buyback of shares by the listed company pursuant to the conditions for exemption (as set out above).

As at the Latest Practicable Date, Mr. Teng Choon Kiat has undertaken to the Company that he will submit a Form 2 to the SIC within seven (7) days after the passing of the ordinary resolution relating to the proposed renewal of the Share Buyback Mandate.

SHAREHOLDERS ARE ADVISED THAT BY VOTING IN FAVOUR OF THE ORDINARY RESOLUTION RELATING TO THE PROPOSED RENEWAL OF THE SHARE BUYBACK MANDATE, THEY WILL BE WAIVING THEIR RIGHT TO A GENERAL OFFER AT THE REQUIRED PRICE FROM MR. TENG CHOON KIAT, AND PERSONS ACTING IN CONCERT WITH HIM, IN THE CIRCUMSTANCES SET OUT ABOVE.

2.11 Listing Manual

While the Listing Manual does not expressly prohibit any purchase or acquisition of shares by a listed company during any particular time or times, because the listed company would be considered to be an “insider” in relation to any proposed purchase or acquisition of its issued shares, the Company will not undertake any purchase or acquisition of Shares pursuant to the Share Buyback Mandate at any time after a price-sensitive development has occurred or has been the subject of a consideration and/or a decision of the Board until such time as the price-sensitive information has been publicly announced. In particular, in line with the Company’s internal guide on securities dealings, the Company will not purchase or acquire any Shares through Market Purchases during the period of one (1) month immediately preceding the announcement of the Company’s half year or full year results, as the case may be.

The Company is required under Rule 723 of the Listing Manual to ensure that at least 10% of its issued Shares (excluding treasury shares, preference shares and convertible equity securities) are in the hands of the public. The term “public”, as defined under the Listing Manual, are persons other than the directors, chief executive officer, substantial shareholders or controlling shareholders of the issuer or its subsidiary companies, as well as the associates of such persons.

As at the Latest Practicable Date, 286,330,984 Shares, representing approximately 41.8% of the total number of issued Shares (excluding treasury shares), are in the hands of the public. Assuming that the Company purchases or acquires its issued Shares through Market Purchases up to the full 10% limit pursuant to the Share Buyback Mandate from the public, the number of Shares in the hands of the public would be reduced to 217,821,153 Shares, representing approximately 35.3% of the reduced issued share capital of the Company. Accordingly, the Company is of the view that there is a sufficient number of issued Shares held in the hands of the public which would permit the Company to undertake purchases or acquisitions of its issued Shares up to the full 10% limit pursuant to the Share Buyback Mandate without affecting the listing status of the Shares on the SGX-ST, and that the number of Shares remaining in the hands of the public will not fall to such a level as to cause market illiquidity.

In undertaking any purchases or acquisitions of Shares pursuant to the Share Buyback Mandate, the Directors will use their best efforts to ensure that, notwithstanding such purchases or acquisitions of Shares, a sufficient float in the hands of the public will be maintained so that the purchases or acquisitions of Shares will not adversely affect the listing status of the Shares on the SGX-ST, cause market illiquidity or adversely affect the orderly trading of the Shares.

2.12 Shares purchased in the previous twelve (12) months

The Company had, on 20 March 2020, purchased or acquired 50,000 Shares by way of Market Purchases. Details of which are as follows:

Date of purchase or acquisition of Shares	Number of Shares purchased or acquired	Highest price paid per Share	Lowest price paid per Share	Total consideration paid (including expenses related thereto)
20 March 2020	50,000	S\$0.167	S\$0.159	S\$8,147.17

As at the Latest Practicable Date, an aggregate of 25,540,900 Shares are held by the Company as treasury shares of which:

- (i) 50,000 Shares were purchased or acquired by the Company on 20 March 2020, during the period of twelve (12) months preceding the Latest Practicable Date;
- (ii) 8,390,900 Shares were purchased or acquired by the Company during the period from 2 June 2016 to 27 June 2016;

- (iv) the balance 4,310,000 Shares were purchased or acquired by the Company during the period from 17 October 2008 to 24 October 2008.

3. DIRECTORS' AND SUBSTANTIAL SHAREHOLDERS' INTERESTS

Based on the Register of Director's Shareholdings and the Register of Substantial Shareholders, as at the Latest Practicable Date, the shareholdings of the Directors and the substantial shareholders of the Company before and after Share Buyback, assuming (a) the Company purchases or acquires the maximum limit of 10% of the total number of issued Shares (excluding Shares held as treasury shares and there being no subsidiary holdings) as at the Latest Practicable Date, and (b) there is no change in the number of Shares held by the Directors and the substantial shareholders of the Company or which they are deemed interested in, will be as follows:
