The Exchange's Directive is as follows:-

The grace period extended under amended Rule 705(2A) is not applicable to the Company. For the avoidance of doubt, the Company will report the next set of quarterly financial statements for Q1 period from January 2020 to March 2020 ("QR Commencement Date") by 15 May 2020.
- (3) The Company will need to perform QR until further notice from the Exchange.
- (4) In the announcement of the Company's quarterly results, the Company needs to include a statement on the cover page that the QR announcement is mandatory, made pursuant to the Exchange's requirements, as required under Listing Rule 705(2C).
- (5) Companies with modified opinions that are subject to QR will need to provide:-
  - (a) Updates on efforts taken to resolve each outstanding audit issue; and
  - (b) Confirmation from the Board that the impact of all outstanding audit issues on the financial statements have been adequately disclosed.

This will not be required for any audit issue that relates to going concern.

- (7) Pursuant to Mainboard Rule 1405(4), failure to comply with the requirements in this notification shall be deemed as a contravention of the Listing Rules.

The Exchange reserves the right to take disciplinary action against the Company and / or Relevant Persons for breaches of the Listing Rules, including any failure to comply with the requirements imposed by the Exchange.
