The Certificates are cash-settled certificates which entitle a Certificate Holder to be paid a cash settlement amount (if positive) (the “**Cash Settlement Amount**”) in accordance with the terms and conditions of each of the Certificates.

## Cash Settlement Amount for the Certificates

The Cash Settlement Amount in respect of each Certificate is calculated as follows:

$$\text{Notional Amount per Certificate} \times \text{Closing Level}$$

Where

Closing Level : In respect of each Certificate, shall be an amount payable in the Settlement Currency equal to:

$$\left( \frac{\text{Final Reference Level} \times \text{Final Exchange Rate}}{\text{Initial Reference Level} \times \text{Initial Exchange Rate}} - \text{Strike Level} \right) \times \text{Hedging Fee Factor}$$

Final Reference Level : In respect of each Certificate, the closing level of the Leverage Inverse Strategy on the Valuation Date.

Final Exchange Rate : In respect of each Certificate, the rate for the conversion of Hong Kong Dollars to Singapore Dollars as at 5:00pm (Singapore Time) on the Valuation Date as shown on Reuters, provided that if the Reuters service ceases to display such information, as determined by the Issuer by reference to such source(s) as the Issuer may reasonably determine to be appropriate at such a time.

Hedging Fee Factor : In respect of each Certificate, shall be an amount calculated as:

Product (for t from 2 to Valuation Date) of  $(1 - \text{Management Fee} \times (\text{ACT}(t-1;t) \div 360)) \times (1 - \text{Gap Premium}(t-1) \times (\text{ACT}(t-1;t) \div 360))$ , where:

“t” refers to “**Observation Date**” which means each Underlying Stock Business Day (subject to Market Disruption Event), from (and including) the Underlying Stock Business Day immediately preceding 29 January 2021 to the Valuation Date; and

ACT (t-1;t) means the number of calendar days between the Underlying Stock Business Day immediately preceding the Observation Date (which is “t-1”) (included) and the Observation Date (which is “t”) (excluded).

Certificates	Stock Code	Valuation Date	Management Fee	Gap Premium
Geely Short Certificates	DDEW	20 January 2023	0.40%	6.90%
Kingsof Short Certificates	DZQW	20 January 2023	0.40%	6.90%

If the Issuer determines, in its sole discretion, that on any Observation Date a Market Disruption Event has occurred, then that Observation Date shall be postponed until the first succeeding Underlying Stock Business Day on which there is no Market Disruption Event, unless there is a Market Disruption Event on each of the five Underlying Stock Business Days immediately following the original date that, but for the Market Disruption Event, would have been an Observation Date. In that case, that fifth Underlying Stock Business Day shall be deemed to be the

Observation Date notwithstanding the Market Disruption Event and the Issuer shall determine, its good faith estimate of the level of the Leverage Inverse Strategy and the value of the Certificate on that fifth Underlying Stock Business Day in accordance with the formula for and method of calculation last in effect prior to the occurrence of the first Market Disruption Event taking into account, inter alia, the exchange traded or quoted price of the Underlying Stock and the potential increased cost of hedging by the Issuer as a result of the occurrence of the Market Disruption Event.

The Certificates may only be exercised on the Expiry Date or if the Expiry Date is not a Business Day, the immediately preceding Business Day, in a Board Lot or integral multiples thereof. Certificate Holders shall not be required to deliver an exercise notice. Exercise of Certificates shall be determined by whether the Cash Settlement Amount (less any Exercise Expenses) is positive. If the Cash Settlement Amount (less any Exercise Expenses) is positive, the Certificates shall be deemed to have been automatically exercised at 10:00 a.m. (Singapore time) on the Expiry Date or if the Expiry Date is not a Business Day, the immediately preceding Business Day. The Cash Settlement Amount less the Exercise Expenses in respect of the Certificates shall be paid in the manner set out in the terms and conditions of the Certificates.

In the event the Cash Settlement Amount (less any Exercise Expenses) is zero, the Certificates shall be deemed to have expired at 10:00 a.m. (Singapore time) on the Expiry Date or if the Expiry Date is not a Business Day, the immediately preceding Business Day, and Certificate Holders shall not be entitled to receive any payment from the Issuer in respect of the Certificates.

The expected last day of trading in the Certificates on the Singapore Exchange Securities Trading Limited (the "SGX-ST") will be 17 January 2023, which is the date falling 5 Business Days immediately preceding the Expiry Date. The expected date on which the Certificates will be de-listed from the Official List of the SGX-ST is 27 January 2023 with effect from 9:00 a.m. (Singapore time).
