AIS-CP 004/2020

11 February 2020

Subject: Arbitration ruling on additional revenue share from roaming service

To: President
The Stock Exchange of Thailand

Reference is made to the dispute between Advanced Info Service Public Company Limited (AIS) and TOT Public Company Limited (TOT) submitted to the Arbitration Institute on 27 September 2018. Under the dispute, TOT claimed for additional revenue share from roaming service based on the 7th amendment to the main concession agreement for the period from July 2013 to September 2015 in total amount of Baht 16,252 million with a penalty interest rate of 1.25% per month.

On 11 February 2020, AIS received the Arbitration ruling in favor of AIS to dismiss TOT's claim, with the reason that AIS did not breach the agreement.

However, TOT is eligible to file a petition to the Central Administrative Court to revoke the Arbitration's ruling within 90 days after receiving the ruling. Should there be any further significant update, we will inform accordingly.

Please be informed accordingly.
