NERA TELECOMMUNICATIONS LTD AWARDED S\$2.4 MILLION CONTRACT FOR TECHNICAL MANAGEMENT AND OPERATIONAL SUPPORT SERVICES

The Board of Directors of Nera Telecommunications Ltd (“the Company”), together with its subsidiaries (the “Group”), is pleased to announce that the Group has secured a three-year contract valued at approximately S\$2.4 million from an established institutional asset management group.

The scope of the engagement covers the provision of technical management and operational support for cybersecurity, comprising cyber defence services including 24/7 Security Information and Event Management (“SIEM”) and Security Operations Centre (“SOC”) support, as well as security operations platform management and related services.

This contract reinforces the Group’s strategic focus on expanding its managed services offerings and deepening its cybersecurity capabilities, including its SOC competencies, to deliver integrated, mission-critical IT infrastructure and cyber defence solutions to customers.

The contract is expected to contribute positively to the performance of the Group for the current financial year.
