LAUNCH OF PRIVATE PLACEMENT TO RAISE GROSS PROCEEDS OF NO LESS THAN APPROXIMATELY US\$100.0 MILLION

DBS Bank Ltd. was the sole financial adviser and issue manager for the initial public offering of Prime US REIT (the “**Offering**”). DBS Bank Ltd., Merrill Lynch (Singapore) Pte. Ltd., China International Capital Corporation (Singapore) Pte. Limited, Credit Suisse (Singapore) Limited, Maybank Kim Eng Securities Pte. Ltd. and Oversea-Chinese Banking Corporation Limited were the joint bookrunners and underwriters for the Offering.

1. Introduction

KBS US Prime Property Management Pte. Ltd., in its capacity as manager of Prime US REIT (the “**Manager**”), wishes to announce the proposed private placement of such number new units in Prime US REIT (“**New Units**”) to institutional and other investors at an issue price of between US\$0.928 and US\$0.957 per New Unit (both figures inclusive) (the “**Issue Price Range**”) to raise gross proceeds of no less than approximately US\$100.0 million (the “**Private Placement**”).

The Manager may, together with the Joint Lead Managers and Underwriters (as defined below), decide to increase the size of the Private Placement by up to an additional US\$20.0 million (the “**Placement Upsize**”).

2. Details of the Private Placement

The Manager and DBS Bank Ltd. and Credit Suisse (Singapore) Limited (the “**Joint Lead Managers and Underwriters**”) have today entered into a placement agreement (the

“**Placement Agreement**”) in relation to the Private Placement. Pursuant to the Placement Agreement, the Joint Lead Managers and Underwriters have agreed to procure subscriptions for or place out, as applicable, and failing which, to severally subscribe and pay for, the New Units at the issue price per New Unit (the “**Issue Price**”) to be determined, on the terms and subject to the conditions of the Placement Agreement. The Private Placement shall be subject to certain conditions precedent set out in the Placement Agreement, including the approval in-principle of Singapore Exchange Securities Trading Limited (the “**SGX-ST**”) for the listing of and quotation for the New Units on the Main Board of the SGX-ST. The Private Placement is fully underwritten by the Joint Lead Managers and Underwriters on the terms and subject to the conditions of the Placement Agreement.

The Issue Price Range of between US\$0.928 and US\$0.957 per New Unit (both figures inclusive) represents a discount of between:

- (i) 6.0% and 8.8% to the volume weighted average price (“**VWAP**”) of US\$1.0179 per Unit for trades in the Units done on the SGX-ST for the preceding Market Day¹ on 11 February 2020 up to the time the Placement Agreement was signed; and
- (ii) (for illustrative purposes only) 2.0% and 5.0% to the adjusted VWAP² (“**Adjusted VWAP**”) of US\$0.9768 per Unit.

The Issue Price will be determined by the Manager and the Joint Lead Managers and Underwriters following a book-building process. The Manager will make an announcement via SGXNET once the Issue Price has been determined.

3. Use of Proceeds

Subject to relevant laws and regulations, the Manager intends to use the gross proceeds of no less than approximately US\$100.0 million from the Private Placement (assuming the Placement Upsize is not exercised) in the following manner:

- (i) approximately US\$95.4 million (which is equivalent to 95.4% of the gross proceeds of the Private Placement) to partially fund the acquisition (the “**Acquisition**”) of the property known as Park Tower located at 980 9th St and 1010 8th St, Sacramento, California (the “**Property**”) (see announcement titled “Acquisition of Park Tower in Downtown Sacramento” dated 12 February 2020 for further details); and
- (ii) approximately US\$4.6 million (which is equivalent to 4.6% of the gross proceeds of the Private Placement) to pay the estimated fees and expenses, including land transfer taxes, professional fees and expenses, incurred or to be incurred by Prime US REIT in connection with the Acquisition and the Private Placement,

1 “**Market Day**” refers to a day on which the SGX-ST is open for securities trading.

2 The Adjusted VWAP is computed based on the VWAP of all trades in the Units on the SGX-ST for the preceding Market Day on 11 February 2020 up to the time the Placement Agreement was signed and subtracting the Cumulative Distribution (as defined herein) of 4.11 US cents per Unit. The estimated distribution for the period from 19 July 2019 to 20 February 2020 is based on distributable income for 19 July 2019 to 31 December 2019 and the Manager’s estimate of Prime US REIT’s revenue and expenses for the period from 1 January 2020 to 20 February 2020, and the actual Cumulative Distribution may differ.

with the balance of the gross proceeds of the Private Placement, if any, to be used for general corporate and/or working capital purposes.

Notwithstanding its current intention, the Manager may, subject to relevant laws and regulations, use the net proceeds from the Private Placement at its absolute discretion for other purposes, including, without limitation, to repay existing indebtedness.

Pending the deployment of the net proceeds from the Private Placement, the net proceeds may, subject to relevant laws and regulations, be deposited with banks and/or financial institutions or used to repay outstanding borrowings or for any other purpose on a short-term basis as the Manager may, in its absolute discretion, deem fit.

The Manager will make periodic announcements on the utilisation of the net proceeds of the Private Placement via SGXNET as and when such funds are materially utilised and whether such a use is in accordance with the stated use and in accordance with the percentage allocated. Where there is any material deviation from the stated use of proceeds, the Manager will announce the reasons for such deviation.

4. Rationale for the Private Placement

The Manager believes that the Private Placement will bring the following benefits to unitholders of Prime US REIT (“Unitholders”):

4.1 Benefits of the acquisition of the Property

The acquisition of the Property will be financed by a combination of debt and equity so as to ensure that the acquisition will provide overall distribution per Unit accretion to Unitholders while maintaining an optimum level of gearing. (See announcement titled “Acquisition of Park Tower in Downtown Sacramento, California” dated 12 February 2020 for further details.)

4.2 Expected increase in trading liquidity of Units

The New Units to be issued pursuant to the Private Placement will increase the number of Units in issue by approximately 106,045,000 New Units (based on the midpoint of the Issue Price Range), which represents an increase of 11.5% over the total number of Units currently in issue.

This increase in the total number of Units in issue and enlarged Unitholder base are expected to improve the trading liquidity of the Units.

4.3 Reduced time of issuance

The Private Placement represents a fast and efficient means of raising capital to finance the acquisition of the Property with certainty. It also minimises the exposure of the equity fund raising to the volatility of the market price of the Units.

5. Authority to Issue New Units

The New Units will be issued pursuant to a general mandate (the “**General Mandate**”) given by Unitholders to the Manager when the Unitholders subscribed for the Units under the initial

public offering, pursuant to which the Manager may, during the period from 19 July 2019 (being the date of admission of the Units to the Official List of the SGX-ST) to (i) the conclusion of the first AGM of Prime US REIT or (ii) the date by which the first AGM of Prime US REIT is required by applicable laws or regulations to be held, whichever is earlier, issue new Units and/or securities, warrants, debentures or other instruments convertible into Units (“**Convertible Securities**”) provided that the number of new Units (and/or Units into which the Convertible Securities may be converted) does not exceed 50.0% of the total number of Units in issue (excluding treasury Units and subsidiary holdings, if any) as at 19 July 2019 (the “**Base Figure**”), of which the aggregate number of new Units (and/or Units into which the Convertible Securities may be converted) issued other than on a *pro rata* basis to existing Unitholders shall not be more than 20.0% of the Base Figure.

As at 19 July 2019, the number of Units in issue was 923,864,000, being the Base Figure.

The number of Units that can be issued under the General Mandate is 461,932,000 Units, of which no more than 184,772,800 Units may be issued on a non *pro rata* basis.

The Manager has issued 1,139,872 Units since 19 July 2019 on a non *pro rata* basis. The 129,311,000 New Units to be issued pursuant to the Private Placement (based on the minimum of the Issue Price Range and assuming the Placement Upsize is exercised) would constitute 14.0% of the Base Figure which is within the 20.0% limit for issue of new Units other than on a *pro rata* basis. Accordingly, the prior approval of the Unitholders is not required for the issue of the New Units under the Private Placement.

6. Eligibility to Participate in the Private Placement

The offer of New Units under the Private Placement will be made to institutional and other investors.

The New Units have not been and will not be registered under the United States Securities Act of 1933, as amended (the “**Securities Act**”) or the securities laws of any state or other jurisdiction of the United States, and may not be offered or sold in the United States except pursuant to an exemption from the registration requirements of the Securities Act and in compliance with applicable state laws. The New Units are only being offered and sold outside the United States in offshore transactions in compliance with Regulation S under the Securities Act.

The Manager, along with the Joint Lead Managers and Underwriters, reserve the absolute discretion in determining whether to allow such participation as well as the persons who may be allowed to do so.

7. Status of the New Units

7.1 Entitlement to Cumulative Distribution

Prime US REIT’s policy is to distribute its distributable income on a semi-annual basis to Unitholders.

In connection with the Private Placement, the Manager intends to declare, in respect of the Units in issue on the day immediately prior to the date on which the New Units pursuant to

the Private Placement are issued (the “**Existing Units**”), a cumulative distribution of the distributable income comprising (i) a distribution from 19 July 2019 (being the date of listing of Prime US REIT) to 31 December 2019 and (ii) a distribution for the period from 1 January 2020 to 20 February 2020 (the “**Cumulative Distribution**”).

The New Units pursuant to the Private Placement are expected to be listed on 21 February 2020. The current expectation of the Manager is that the quantum of distribution per Unit under the Cumulative Distribution is estimated to be 4.11 US cents³. A further announcement on the actual amount of Cumulative Distribution (which may differ from the estimate above) will be made by the Manager in due course after the management accounts of Prime US REIT for the relevant period have been finalised.

The next distribution following the Cumulative Distribution will comprise Prime US REIT’s distributable income for the period from the day the New Units are issued pursuant to the Private Placement to 30 June 2020. Semi-annual distributions will resume thereafter.

The Cumulative Distribution is intended to ensure that the distributable income accrued by Prime US REIT up to the day immediately preceding the date of issue of the New Units (which at such point, will be entirely attributable to the Existing Units) is only distributed in respect of the Existing Units, and is being proposed as a means to ensure fairness to holders of the Existing Units.

7.2 Status of New Units issued pursuant to the Private Placement

The New Units issued pursuant to the Private Placement will, upon issue, rank *pari passu* in all respects with the Existing Units, including the right to Prime US REIT’s distributable income from the day of issuance of the New Units under the Private Placement as well as all distributions thereafter, other than in respect of the Cumulative Distribution.

For the avoidance of doubt, the holders of the New Units to be issued pursuant to the Private Placement will not be entitled to the Cumulative Distribution.

8. Application to the SGX-ST for Approval in-Principle

The Manager will make a formal application to the SGX-ST for the listing of, dealing in, and quotation of, the New Units on the Main Board of the SGX-ST. An appropriate announcement will be made upon the receipt of such in-principle approval from the SGX-ST.

BY ORDER OF THE BOARD

Barbara Cambon

Chief Executive Officer

³ The estimated distribution for the period from 19 July 2019 to 20 February 2020 is based on distributable income for 19 July 2019 to 31 December 2019 and the Manager’s estimate of Prime US REIT’s revenue and expenses for the period from 1 January 2020 to 20 February 2020. The actual quantum of the distribution will be announced on a later date after the closure of the Transfer Books and Register of Unitholders.
