The Proposal

The Company is a globally diversified metals and mining, oil and gas and power generation company. The Company, together with its subsidiaries (the **“Vedanta Group”**), is primarily engaged in oil and gas, zinc, copper, iron ore, lead, silver, steel, aluminium, commercial power generation, glass substrate, and port operation businesses. While the Company’s businesses are principally located in India, it also has operations in Zambia, Namibia, South Africa, the United Arab Emirates (the **“UAE”**), Japan, South Korea, and Taiwan, and a workforce of over 76,000 people worldwide. The Company has expanded its existing business across oil and gas, copper, zinc, aluminium and iron ore and acquired new businesses, such as the steel business through acquisition of Electrosteel Steels Limited in 2018.

On 7 June 2011, 30 January 2017, 3 June 2013 and 9 August 2017, the Company issued the 2021 Bonds, the 2022 Bonds, the 2023 Bonds I and the 2024 Bonds I. On 23 April 2019, VRF II issued the 2023 Bonds II and the 2026 Bonds, each guaranteed by the Company. On 21 December 2020, VFR II issued the 2024 Bonds II, guaranteed by the Company and the Subsidiary Guarantors. The Terms and Conditions in respect of each Series of Bonds contains certain covenants applicable to the Company and its subsidiaries.

Vedanta Limited is an indirect subsidiary of the Company that is listed both on the BSE Limited (“**BSE**”) and the National Stock Exchange of India Limited (“**NSE**” and together with BSE, the “**Indian Stock Exchanges**”), and also has American Depositary Shares (“**ADS**”) listed on the New York Stock Exchange (the “**NYSE**”).

On 12 May 2020, the Company, a member of the promoter and promoter group of Vedanta Limited, expressed its intention to the board of directors of Vedanta Limited to, either individually or along with one or more subsidiaries, acquire all fully paid up equity shares of Vedanta Limited (“**Equity Shares**”) that are held by public shareholders of Vedanta Limited (as defined under Delisting Regulations, to be referred to as “**Public Shareholders**”) and consequently voluntarily delist the Equity Shares from the Indian Stock Exchanges by making an offer in accordance with the Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009, as amended (“**Delisting Regulations**”) (“**Take Private Transaction**”). The Indian Stock Exchanges granted in-principle approval for the Take Private Transaction in accordance with the Delisting Regulations pursuant to their letters each dated 28 September 2020. Consequently, the Company, Vedanta Holdings Mauritius Limited and Vedanta Holdings Mauritius II Limited (collectively, the “**Acquirers**”) made a public announcement (published on 29 September 2020) in accordance with the Delisting Regulations and commenced the Take Private Transaction. The Acquirers, pursuant to a post offer announcement published on 11 October 2020 (a disclosure regarding the same was made by Vedanta Limited on 10 October 2020), announced that the Take Private Transaction had failed as the total number of Equity Shares validly tendered by the Public Shareholders was less than the minimum number of Equity Shares required to be accepted by the Acquirers in order for the Take Private Transaction to be successful under the Delisting Regulations. No final application was made to the Indian Stock Exchanges for delisting of the Equity Shares in accordance with the Delisting Regulations, and no application was made to the NYSE for the delisting of the ADS nor for the deregistration of the Equity Shares with the Securities and Exchange Commission. All Equity Shares tendered in the Take Private Transaction were returned to the respective Public Shareholders in accordance with the Delisting Regulations.

Notwithstanding the unsuccessful Take Private Transaction, the ongoing objective and strategic priority of the Vedanta Group is to simplify the Vedanta Group structure to align the Vedanta Group’s capital and operational structures, streamline the process of servicing the Vedanta Group’s financing obligations and improve a range of important credit metrics. Accordingly, in furtherance to the simplification process, the Company may (either itself or through one or more subsidiaries) acquire Equity Shares in accordance with applicable laws. In order to facilitate such acquisition (if decided), the Company or any of its subsidiaries shall require additional debt financing.

As part of the aforesaid objective, on 24 December 2020, one of the subsidiaries of the Company, namely, Vedanta Holdings Mauritius II Limited, acquired 185,000,000 Equity Shares representing 4.98% of the equity share capital of Vedanta Limited at a price of INR 159.94 per Equity Share, thereby increasing the Company’s stake from 50.13 per cent. to 55.11 per cent. of the total paid-up share capital of Vedanta Limited. Further, on 9 January 2021, the Company, along with persons acting in concert with it, made a public announcement for a voluntary open offer in accordance with the Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011 for the acquisition of up to 371,750,500 Equity Shares, representing 10% of the fully diluted voting share capital of Vedanta Limited. The voluntary open offer is subject to regulatory approvals, if any, and a detailed public statement and letter of offer will be issued in accordance with the Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011 which will provide further details regarding the voluntary open offer.

Against this background and in furtherance of the Vedanta Group’s proposed flexibility for the acquisition of Equity Shares, if any, in accordance with applicable laws, the Company is seeking, *inter alia*, to amend Condition 3(c)(ii) of the Terms and Conditions of each Series of Bonds and thereby seeks consent from the Bondholders to sanction and approve the Proposal.

Please also refer to the section entitled “*Background to the Proposal – The Background*” of the Consent Solicitation Memorandum for more details.

A relevant Extraordinary Resolution that is duly passed at the relevant Meeting or, as the case may be, adjourned Meeting in respect of each Series of Bonds will be deemed effective, provided that the relevant Extraordinary Resolution in respect of each other Series of Bonds has been duly passed at the relevant Meeting or, as the case may be, adjourned Meeting (the “**Consent Condition**”).

If the Extraordinary Resolution in respect of a Series of Bonds is passed, effective and implemented and the Consent Condition has been fulfilled, the Proposal will be binding on all Registered Holders (each as holder and legal owners of the Bonds of such Series), and all Beneficial Owners, of the Bonds in respect of such Series, including those Beneficial Owners voting against the Proposal or those who do not vote at all.
