NOTICE

7.1.25% Senior Notes due 2022

ISIN Code: XS1555346995

September 3, 2020

On February 1, 2017, Jain International Trading BV (the "**JITBV**"), a wholly-owned subsidiary of Jain Irrigation Systems Limited ("**JISL**" and, together with its subsidiaries, the "**Group**"), issued \$200 million principal amount of its 7.125% Senior Notes due 2022 (the "**Notes**") pursuant to an indenture (the "**Indenture**") dated February 1, 2017 between, among others, JITBV, as issuer and JISL, as parent guarantor. Interest on the Notes is payable semi-annually on February 1 and August 1 of each year with the next interest payment date being August 3, 2020 (the next succeeding Business Day in accordance with the Indenture). Capitalized terms used herein and not otherwise defined shall have the meanings ascribed to such terms in the Indenture.

As previously announced on July 27, 2020, the Group elected to defer the making of the interest payment due on the Notes on August 3, 2020 (the "**August Interest Payment**"). Under the terms of the Indenture, JITBV is afforded a 30-day grace period from an interest payment date before non-payment constitutes an Event of Default under the Indenture. JITBV has not made the August Interest Payment within the applicable grace period and as such an Event of Default with respect to the August Interest Payment is continuing under the Indenture. As previously announced on May 13, 2020, JITBV did not pay the interest payment due on the Notes on February 3, 2020 within the applicable grace period (the "**February Interest Payment**" and, together with the August Interest Payment, the "**Outstanding Interest Payments**") and an Event of Default remains continuing with respect thereto.

JISL is in advanced and constructive discussions with certain of its working capital and term lenders in India and is continuously working hard to address its liquidity issues and long term capital structure. JITBV further announces that it is continuing to engage with its creditors with respect to the Outstanding Interest Payments and its long-term capital structure and has agreed nondisclosure agreements with Kirkland & Ellis and Deloitte LLP (the "**Holders' Advisors**") who are representing an ad-hoc group of holders of the Notes (the "**Ad Hoc Group**"). The Group is seeking to work with the Holders' Advisors, the Ad Hoc Group and other key stakeholders to find a successful path forward. The Group will make further announcements in due course, as appropriate.
