2. Detailed information on these Directors can be found in the 'Board of Directors', 'Present & Past Directorships' and 'Corporate Governance' sections in the Company's Annual Report 2014.
3. The ordinary resolution proposed in item 8 above, if passed, will empower the Directors of the Company, from the date of the above Annual General Meeting until the next Annual General Meeting of the Company, to issue Shares up to an amount not exceeding (i) 50% of the total number of issued Shares (excluding treasury shares), of which up to 20% may be issued other than on a *pro rata* basis to shareholders. The aggregate number of Shares which may be issued shall be based on the total number of issued Shares at the time that ordinary resolution 8 is passed, after adjusting for new Shares arising from the conversion or exercise of any convertible securities or share options or vesting of share awards which are outstanding or subsisting at the time that ordinary resolution 8 is passed, and any subsequent bonus issue or consolidation or subdivision of Shares. This authority will, unless revoked or varied at a general meeting, expire at the next Annual General Meeting of the Company, or the date by which the next Annual General Meeting of the Company is required by law to be held, whichever is the earlier.
4. The ordinary resolution proposed in item 9 above, if passed, will enable the Directors of the Company, unless varied or revoked by the Company in general meeting, from the date of the above Annual General Meeting until the next Annual General Meeting of the Company, or the date by which the next Annual General Meeting of the Company is required by law to be held, whichever is the earlier, to issue Shares pursuant to the exercise of options under the Option Scheme and/or the vesting of awards under the Award Scheme, provided that the aggregate number of Shares over which the committees may offer to grant options and awards on any date, when added to the aggregate number of new Shares issued and/or issuable and/or existing Shares transferred and/or transferable in respect of such options and/or awards and in respect of any other share-based incentive schemes of the Company shall not exceed 15% of the total number of issued Shares (excluding treasury shares) from time to time.

The amount of funding required for the Company to purchase or acquire its Shares and the financial impact on the Company and the Group arising from purchase of Shares cannot be ascertained as at the date of this Notice as these will depend on, *inter alia*, the aggregate number of Shares purchased or acquired, the consideration paid at the relevant time and the amount (if any) borrowed by the Company to fund the purchase. The rationale for, the authority and the limits on, and the financial effects of the purchase or acquisition of Shares by the Company pursuant to the Share Purchase Mandate on the audited financial statements of the Company and the Group for the financial year ended 30 June 2014 (for illustrative purposes only) are set out in greater detail in the Appendix to the Notice of Annual General Meeting dated 29 September 2014 in relation to the proposed renewal of the Share Purchase Mandate.
