**About King Wan Corporation Limited ([www.kingwan.com](http://www.kingwan.com))**

**King Wan Corporation Limited** (庆源企业) is a Singapore-based integrated building services company with its core business in the provision of **Mechanical and Electrical (M&E)** engineering services for the building and construction industry. It also provides **rental of mobile chemical lavatories** and ancillary facilities for construction worksites as well as public and nation-wide public events.

Under its M&E business, it provides multi-disciplined M&E engineering services such as the design and installation of plumbing & sanitary systems, electricity distribution systems, fire protection, alarm systems, communications and security systems, and air-conditioning and mechanical ventilation systems for the building and construction industry. It also offers end-to-end, one-stop solutions, linking the digitalisation process with the recommended retrofitting, upgrading and optimisation works.

Besides its core business, it also maintains an investment portfolio comprising of business segments, namely

- **Property Development segment** – engages in the development, marketing sale and rental of residential and commercial properties in China and Thailand; and
- **Workers Dormitory Operations segment** – design, build and operate purpose-built workers’ accommodation and related facilities.

The Group operates along with its subsidiaries and associates across Singapore, China and Thailand. It implements a multi-country, multi-industry portfolio strategy to diversify and broaden its revenue streams and better manage investment risks.
