**Proposed amendment of National Broadband Network Companies Act 2011**

The following statement by NBN Co Limited is provided for the information of NBN Co Limited noteholders.

NBN Co Limited has been notified by the Minister for Communications of the Commonwealth of Australia that a Bill will be introduced into the Parliament of the Commonwealth of Australia this week which will (among other things) amend the *National Broadband Network Companies Act 2011* to legislate for the ongoing public ownership of the National Broadband Network and remove existing conditions for privatisation of NBN Co Limited.

The effect of this Bill is subject to it being introduced and passed by the Parliament of the Commonwealth of Australia.

NBN will continue to monitor the progress of the Bill.

**Issued by NBN Co Limited on 8 October 2024**
