

## **BOUSTEAD PROJECTS AND BOUSTEAD SINGAPORE WIN CORPORATE EXCELLENCE & RESILIENCE AWARD AT SINGAPORE CORPORATE AWARDS 2021 SPECIAL EDITION**

**SINGAPORE, 18 NOVEMBER 2021** – SGX Mainboard-listed Boustead Projects Limited (“Boustead Projects”) together with its parent company, SGX Mainboard-listed Boustead Singapore Limited (“Boustead”), emerged as winners of the Corporate Excellence & Resilience Award (“Award”) at the Singapore Corporate Awards 2021 Special Edition (“SCA SE”) held yesterday at the PARKROYAL COLLECTION Marina Bay.

This year, the SCA SE saw a total of only 26 Award Recipients across all market capitalisation categories, out of over 700 SGX-listed corporations that were evaluated. This is the first time that both Boustead Projects and Boustead Singapore have been named as winners together at the Singapore Corporate Awards.

Executive Deputy Chairman of Boustead Projects, Mr Wong Yu Wei, received Boustead Projects’ Award in the Small Cap Category (less than S\$300 million in market capitalisation), where Boustead Projects was among only nine Award Recipients in the category.

Executive Director & Deputy Group Chief Executive Officer of Boustead, Mr Wong Yu Loon, received Boustead’s Award in the Mid Cap Category (S\$300 million to less than S\$1 billion in market capitalisation), where Boustead was among only seven Award Recipients in the category.

The SCA SE seeks to recognise exemplary listed corporations that have upheld best practices in corporate governance and shown leadership, innovation and resilience during the pandemic. Despite the challenging circumstances, Award Recipients are recognised as having delivered sustainable financial performance and established frameworks and policies to create long-term value for the organisation, over the same period. Unlike previous Singapore Corporate Awards, there were no other types of awards presented at the SCA SE.

The selection of Award Recipients was made by a distinguished panel of judges through a rigorous three-stage process. The assessment criteria included a focus on five areas: corporate governance, financial resilience, strategic and operational excellence, people management, and sustainability and digital.

The Award is a further endorsement of the efforts of Boustead Men and Women in the continuous creation of sustainable shared socio-economic value for stakeholders. In the past year, in other recognitions, Boustead Projects was a Finalist at the Tripartite Alliance Awards held in August 2021. Boustead Projects also received the Integrated Digital Delivery – Projects (Gold) award for JTC Kranji Green at the Building & Construction Authority Awards held in September 2021. Separately, Boustead was ranked for the second successive year in Singapore’s Best Employers by *The Straits Times* and Statista in April 2021.

Launched in 2005 as the umbrella awards for exemplary corporate governance practices for listed corporations in Singapore, the Singapore Corporate Awards are organised by the Institute of Singapore Chartered Accountants, Singapore Institute of Directors and *The Business Times*, and supported by the Accounting & Corporate Regulatory Authority and SGX. The current partner organisations are the Centre for Governance & Sustainability under the National University of Singapore Business School, Deloitte, EY, Heidrick & Struggles, KPMG and PwC.
