DELTAMARIN'S SUBSIDIARIES' NEW SCRUBBER CONTRACT

The board of directors ("**Board**") of the Company wishes to announce that Deltamarin Floating Construction Ltd, a wholly-owned subsidiary of Deltamarin Ltd ("**Deltamarin**", which in turn is an indirect 79.57%-owned subsidiary of the Company), has been awarded a contract to supply an exhaust gas cleaning system (scrubber) to Bore Ltd for installation on a Ro-Ro vessel named M/V Bore Song ("**New Scrubber Contract**").

The total value of Deltamarin Floating Construction Ltd's contract with Bore Ltd is approximately 3 million Euros. The work is to be carried out over an estimated period of six months. The system selected for the M/V Bore Song 12MW main engine is based on DeltaLangh Ltd's ("**DeltaLangh**") scrubber technology. DeltaLangh is a joint venture company in which Deltamarin holds 5/9 of the equity interest.

Further to the New Scrubber Contract, DeltaLangh shall deliver Deltamarin Floating Construction Ltd with an exhaust gas cleaning (scrubber) system to be installed onboard the Ro-Ro vessel M/V Bore Song of Bore Ltd. The equipment will be installed onboard M/V Bore Song on turnkey basis by Deltamarin Floating Construction Ltd.
