PROFIT GUIDANCE FOR THE HALF YEAR ENDED 30 JUNE 2025

The board of directors (**"Board"**) of Digilife Technologies Limited (the **"Company"**, and together with its subsidiaries, the **"Group"**) wishes to inform the shareholders of the Company that the Group is expected to report a substantial net loss for the half year ended 30 June 2025 as compared to the profit reported of SGD 0.14 million in the corresponding period in the previous financial period ended 30 June 2024.

Based on the preliminary review of its draft unaudited consolidated financial results for half year ended 30 June 2025, the loss is due to:

1. The impact of the recent disposal of the Group's principal operating business segments i.e. Telecom and the proposed disposal of the ICT Distribution and Managed Services (**"ICT"**), which had historically contributed a substantial portion of the Group's revenue;

2. The reversal of the translation reserve, being a non-cash item, arising from the completion of the disposal of the Telecom segment; and

3. An impairment loss recognized due to the remeasurement of net assets held for sale relating to the ICT business segment.

4. A loss recorded by the Telecom business segment for the period prior to the completion of its disposal in February 2025.

The Company is finalizing its unaudited financial results for half year ended 30 June 2025 and further details will be made available when the results is announced on or before 14 August 2025.

Shareholders of the Company are advised to exercise caution when dealing in the shares of the Company. Persons who are in doubt as to the action they should take should consult their stockbrokers, bank managers, solicitors, accountants, or other professional advisers.
