**PROFIT WARNING**

---

The Board of Directors (the "**Board**") of Metech International Limited (the "**Company**", together with its subsidiaries, the "**Group**") wishes to inform shareholders of the Company that the Group is expected to report a net loss for the quarter and financial year ended 30 June 2018 ("**FY2018**"). Based on preliminary review of its draft financial results, the losses were in large part due to sharp decline in revenue and profit margins experienced by both the Electronic Waste Management ("**EWM**") and Supply Chain Management ("**SCM**") business in the 4th quarter of FY2018.

The Company is still finalizing the consolidated financial results of the Group for the quarter ended 30 June 2018 and will provide further details of the Group's performance when it releases the full-year financial results by end August 2018.

The Board is conducting a strategic review of its business and business segments, namely EWM and SCM, with a view to returning the Group to profitability.

Shareholders of the Company are advised to exercise caution when dealing in the shares of the Company. Shareholders who are in doubt as to the action they should take, should consult their stockbrokers, bank managers, solicitors, accountants or other professional advisers.

By Order of the Board
