- *NIO started ramping up deliveries of ET5 Touring and All-New ES8 in June 2023*
- *Cumulative deliveries of NIO vehicles reached 344,117 as of June 30, 2023*

SHANGHAI, China, July 01, 2023 (GLOBE NEWSWIRE) -- NIO Inc. (NYSE: NIO; HKEX: 9866; SGX: NIO) ("NIO" or the "Company"), a pioneer and a leading company in the premium smart electric vehicle market, today announced its June and second quarter 2023 delivery results.

NIO delivered 10,707 vehicles in June 2023. The deliveries consisted of 6,383 premium smart electric SUVs, and 4,324 premium smart electric sedans. NIO delivered 23,520 vehicles in the second quarter of 2023. Cumulative deliveries of NIO vehicles reached 344,117 as of June 30, 2023.

On June 15, 2023, NIO launched the ET5 Touring, a smart electric tourer, and started its deliveries the next day. Designed for family users, the ET5 Touring has been crafted with versatile space, and has inherited the exquisite and dynamic design, high-performance genes and advanced intelligent features of its sedan variant ET5, accompanying users to explore future journeys across all scenarios.

In addition, NIO commenced delivery ramp-up of the All-New ES8, a smart electric flagship SUV on June 28, 2023.

**Safe Harbor Statement**

This press release contains statements that may constitute "forward-looking" statements pursuant to the "safe harbor" provisions of the U.S. Private Securities Litigation Reform Act of 1995. These forward-looking statements can be identified by terminology such as "will," "expects," "anticipates," "aims," "future," "intends," "plans," "believes," "estimates," "likely to" and similar statements. NIO may also make written or oral forward-looking statements in its periodic reports to the U.S. Securities and

Exchange Commission (the "SEC"), in its annual report to shareholders, in announcements, circulars or other publications made on the websites of each of The Stock Exchange of Hong Kong Limited (the "SEHK") and the Singapore Exchange Securities Trading Limited (the "SGX-ST"), in press releases and other written materials and in oral statements made by its officers, directors or employees to third parties. Statements that are not historical facts, including statements about NIO's beliefs, plans and expectations, are forward-looking statements. Forward-looking statements involve inherent risks and uncertainties. A number of factors could cause actual results to differ materially from those contained in any forward-looking statement, including but not limited to the following: NIO's strategies; NIO's future business development, financial condition and results of operations; NIO's ability to develop and manufacture a car of sufficient quality and appeal to customers on schedule and on a large scale; its ability to ensure and expand manufacturing capacities including establishing and maintaining partnerships with third parties; its ability to provide convenient and comprehensive power solutions to its customers; the viability, growth potential and prospects of the newly introduced BaaS and ADaaS; its ability to improve the technologies or develop alternative technologies in meeting evolving market demand and industry development; NIO's ability to satisfy the mandated safety standards relating to motor vehicles; its ability to secure supply of raw materials or other components used in its vehicles; its ability to secure sufficient reservations and sales of its vehicles; its ability to control costs associated with its operations; its ability to build the NIO brand; general economic and business conditions globally and in China and assumptions underlying or related to any of the foregoing. Further information regarding these and other risks is included in NIO's filings with the SEC and the announcements and filings on the websites of each of the SEHK and SGX-ST. All information provided in this press release is as of the date of this press release, and NIO does not undertake any obligation to update any forward-looking statement, except as required under applicable law.
