---

### 1. INTRODUCTION

#### 1.1 Background of the Transaction

The Board of Directors (each, a "**Director**" and collectively, the "**Board**") of Spackman Entertainment Group Limited (the "**Company**", and together with its subsidiaries, the "**Group**") wishes to announce that on 23 January 2026, the Company has entered into a sale and purchase agreement (the "**SPA**") with Mr. Shin Kyung Chul (the "**Purchaser**"), carry out the disposal of 100% equity interest of its indirect wholly-owned subsidiary Studio Take Co., Ltd. ("**Studio Take**"), representing 100% of the total outstanding common voting shares of Studio Take (the "**Sale Shares**") (the "**Proposed Disposal**"), for an aggregate consideration of US\$1 (or equivalent to approximately S\$1.29 based on an exchange rate of US\$1 : S\$1.2873 as at 16 January 2026, extracted from the Monetary Authority of Singapore's ("**MAS**") website) (the "**Proposed Disposal**").

Under the Proposed Disposal, the Group shall transfer the film production and investment functions of Studio Take to its parent company, Take Pictures Pte. Ltd. ("**Take Pictures**"), which is 100% directly owned by the Group.

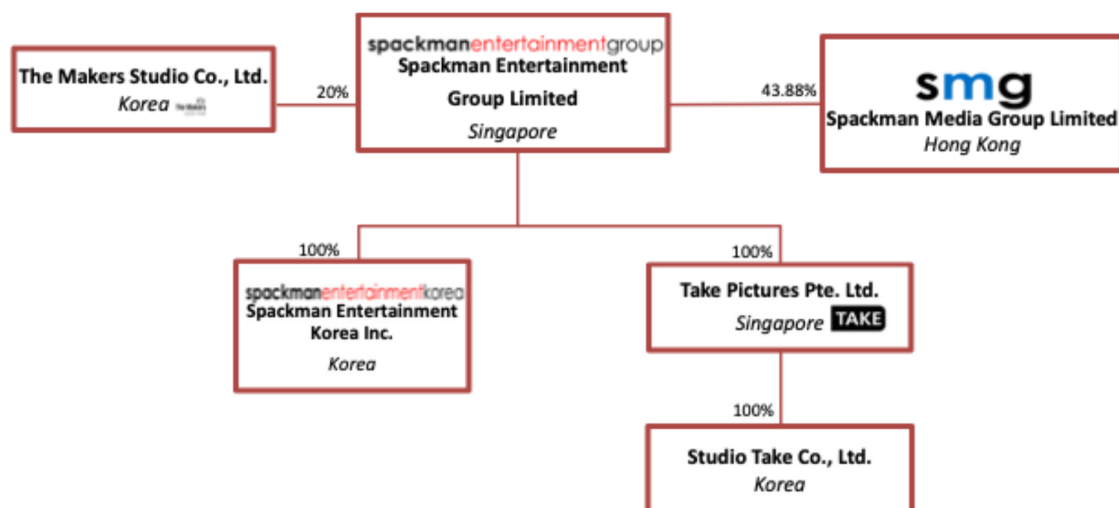

Upon the completion of the Proposed Disposal ("**Completion**"), Studio Take will cease to be a subsidiary of the Take Pictures.

##### 1.1.1 *Transaction Classification of the Proposed Disposal*

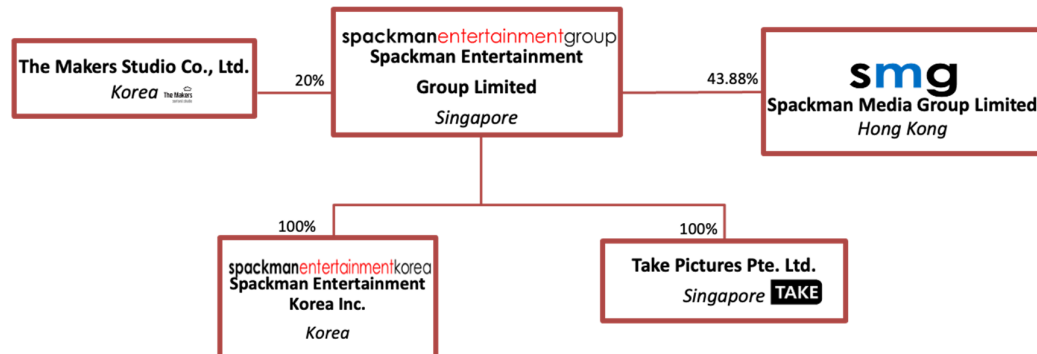

The Proposed Disposal is considered a "Disclosable Transaction" of the Company as defined under Chapter 10 of the Listing Manual Section B: Rules of Catalist (the "**Catalist Rules**") of the Singapore Exchange Securities Trading Limited (the "**SGX-ST**"). In determining the classification of the Proposed Disposal, consideration was given to the specific circumstances outlined in Practice Note 10A of the Catalist. For detailed information on the relative figures for the Proposed Disposal, computed under Rule 1006, please refer to Paragraph 7 of this announcement.

##### 1.1.2 *Organization Structure – Prior and Post Proposed Disposal*

The organizational structure of the Group prior to the Proposed Disposal is as follows:

Following the Proposed Disposal, the organizational structure of the Group will be as follows:

## 2. INFORMATION ON THE PURCHASER

The Purchaser is Mr. Shin Kyung Chul who has been in the film production business since 2006. He was involved in key major Korean film such as *SECRET REUNION* (2010), *I SAW THE DEVIL* (2010), *COLD EYES* (2013), *ODE TO MY FATHER* (2014) and *GOLDEN SLUMBER* (2018). He also participated in the production of Hollywood productions, including *AVENGERS: AGE OF ULTRON* (2015) and *OKJA* (2017).

As at the date of this announcement, neither the Purchaser nor their respective associates have any direct or indirect interest in the Company and are not related to any of the Company's directors, key management personnel, substantial shareholders, or their respective associates.

## 3. PRINCIPAL TERMS OF THE PROPOSED DISPOSAL

### 3.1 Proposed Disposal of the Sale Shares

Upon the terms and conditions hereof and upon the Closing as defined in the SPA, the Company shall sell to the Purchaser, and the Purchaser shall purchase from the Company, the Sale Shares, free from any charges, liens, encumbrances, equities and claims whatsoever, and together with all rights now and hereafter attaching or accruing thereto and all dividends and distributions paid (if any) on the date of completion of the SPA.

### 3.2 Consideration

The aggregate consideration for the sale of the Sale Shares to the Buyer (the “**Consideration**”) shall be US\$1 (or equivalent to approximately S\$1.29 based on an exchange rate of US\$1 : S\$1.287 as at 16 January 2026, extracted from the MAS website), payable in cash.

The Consideration was determined through commercial negotiations between the Parties conducted at arm’s length and on a willing-buyer, willing-seller basis, taking into account the following factors:

- (i) commercial considerations, including but not limited to, the historical and financial performance of Studio Take; and
- (ii) the rationale for, and benefits to, the Group arising from the Proposed Disposal, as further detailed in Paragraph 5 of this announcement.

### 3.3 Payment Schedule

The Purchaser shall pay the Purchase Consideration to the Company upon the satisfaction of the Article 4 Conditions Precedent to the Closing as set out in conditions precedent to the Closing of the SPA and the Purchaser being registered on the shareholder ledger or registry and other corporate books and records of Studio Take as the full legal and beneficial owner of the Sale Shares.

### 3.4 Assumption of Debt & Liabilities

Upon and subject to the terms and conditions of the SPA, at the Closing (Article 2), the Purchaser shall assume and agree to pay, perform, and discharge when due, all debts, liabilities, and obligations of every kind, character, or description (whether known or unknown, absolute or contingent, accrued or unaccrued, liquidated or unliquidated) relating to Studio Take, as at the date of the SPA.

### 3.5 Conditions Precedent

The Closing shall be subject to the fulfilment of all of the following conditions (collectively, the “**Conditions Precedent**”):

- (a) Veracity of Warranty. Closing is subject to and always conditional upon that, at and as of the Closing, all the warranties set forth in Article 3 Representation and Warranties having been true when made and being true in all respects as if all of the same were made at and then renewed/repeated as of the Closing and Parties having performed their individual and corporate actions and complied with all agreements as required by the SPA to be performed or complied by them.
- (b) Other Approvals. Closing is subject to the consents of the Board of Directors and shareholders of each of the parties, if required.

### 3.6 Indemnification

Subject to Article 3.7(b) of the SPA, a Party shall indemnify the other Party (and its officers, directors, employees, agents and associates – each an Indemnified Party, as hereafter defined) in respect of, and hold each of them harmless from and against, any and all damages, losses and liabilities suffered, incurred or sustained by any of them or to which any of them becomes subject, resulting from, arising out of or relating to any breach of warranty on the part of either Party as in Article 3 Representation and Warranties of the SPA.

#### 4. USE OF PROCEEDS AND GAIN/(LOSS) ON PROPOSED DISPOSAL

As the Consideration is US\$1 (or equivalent to approximately S\$1.29 based on an exchange rate of US\$1 : S\$1.2873 as at 16 January 2026, extracted from the MAS website, it is not meaningful to discuss the use of proceeds from the Proposed Disposal.

The gain on disposal from the Proposed Disposal amounts to approximately US\$1,953,923 (or equivalent to approximately S\$2,515,285 based on an exchange rate of US\$1 : S\$1.2873 as at 16 January 2026, extracted from the MAS website) which is computed based on the excess of the Consideration over the net book value of Studio Take as at 30 September 2025.

#### 5. RATIONALE OF THE PROPOSED DISPOSAL

Studio Take is presently in a dire financial situation due to its poor performance in the theatrical film sector and is currently burdened by substantial distressed debt, which is straining the Group's overall financial performance. Its latest film, *YOU ARE THE APPLE OF MY EYE* (2025), fell below expectations and did not exceed break-even point, recording total admissions of 164,922 and grossing US\$1,003,495 at the Korean box office, according to statistics from the Korean Film Council.

By reassigning and transferring its core operations and functions of film production and investment to its parent company, Take Pictures, the Group would be alleviated of the financial pressure and insulated from Studio Take's debt obligations. This will help strengthen the Group's balance sheet, stabilize the Group's fiscal health and deliver greater value to shareholders by focusing on quality productions.

According to the latest financial figures as of 30 September 2025, Studio Take posted a net loss of US\$1,349,532 and is in a net liability position of US\$1,953,922.

Therefore, in line with the above rationale, to lessen the Group's overall losses and operating expenses, it is proposed to dispose fully of Studio Take while transferring the film production and investment functions of Studio Take to its parent, Take Pictures, which is 100% directly owned by the Group. This will allow the Group to continue its primary business of content production and investment in the Korean film sector. Mr. Song Dae-chan ("**Mr. Song**"), who is a veteran movie producer and a key person of the film production and investment in Studio Take, will remain within the Group as Director of Take Pictures and serve as the Group's Chief Producer. Mr. Song will continue to provide his movie-making expertise to lead and oversee the Group's primary business of film production.

Other than Take Pictures, the Group also owns a 20% equity interest in The Makers Studio Co. Ltd. ("**The Makers Studio**"), which is a film production company established by three Korean entertainment industry veterans including Ms. Choi Yeon-ju, a film producer with profitable hits such as *INSANE* (2016) and *THE TRAFFICKERS* (2012).

The Makers Studio previously produced *LIVE STREAM* (2023) and is planning to produce and release a high-impact action film, *UNDERTAKER-K*, which tells the story of a funeral director who secretly eliminates perpetrators of date assault without anyone knowing.

Following the Proposed Disposal, the Group will continue to generate revenue related to film production, distribution and investment, and leverage on Spackman Media Group Limited, which the Company holds an effective shareholding interest of 43.88% in, to participate and invest into quality content productions.
