 - (4) Based on the enlarged share capital of 323,802,293 ordinary shares immediately following the allotment and issuance of 22,000,000 Placement Shares and 660,000 Introducer Shares and assuming that all Warrants have been fully exercised into 22,000,000 Warrant Shares.
 - (5) As at the date of this Announcement, Mr Lee Bee Seng is a shareholder of the Company and holds approximately 0.88% of the total issued share capital of the Company, as described in Paragraph 2.2.
 - (6) Due to rounding differences, numbers or percentages may not add up to the total.
- 1.3 The Placement Price represents a discount of 10% over the volume weighted average price of S\$0.0819 for trades done on the Singapore Exchange Securities Trading Limited (the “**SGX-ST**”) for the full market day on 16 August 2021 (being the full market day on which the ordinary shares in the capital of the Company (“**Shares**”) were traded prior to trading halt and signing of the Placement Letters on 17 August 2021).
- 1.4 In addition, the Company has agreed to constitute 22,000,000 non-listed, transferable warrants (the “**Warrants**”) to the Placees, on the basis of one (1) Warrant for every one (1) Placement Shares subscribed by the Placees. Each Warrant carries the right to subscribe for one (1) Share at the exercise price of S\$0.08 (the “**Exercise Price**”). - 1.7 The offer of the Placement Shares and Warrants is made pursuant to the exemption under Section 272B of the Securities and Futures Act (Cap. 289) of Singapore. As such, no prospectus or offer information statement will be issued by the Company in connection with the Proposed Placement.
- 1.8 No placement agent was appointed in connection with the Proposed Placement.

2. THE PLACEES

- 2.1 The Placees were introduced to the Company through the Introducer (defined below). The Placees are individuals who are private investors identified through the network and contact of the Introducer and have expressed interest to invest in the Company for personal investment purposes. None of the Placees is an investment company or fund, nor will they be holding the Placement Shares in trust or as a nominee. The rationale for placing to the Placees is for the fundraising purposes as set out in Paragraph 6 below.
- 2.2 As at the date of this Announcement, save for Mr Lee Bee Seng who holds 2,463,281 Shares, representing 0.88% of the total issued share capital of the Company, the Placees do not hold any Shares or warrants in the Company. For completeness, Mr Levin Lee Keng Weng, Mr Ng Chuen Guan, Mr Ng Eng Tiong and Mr Lee Bee Seng hold shareholding interests in Jubilee Industries Holdings Ltd. ("**Jubilee**"), being a subsidiary of the Company, pursuant to a placement exercise undertaken by Jubilee of 30,000,000 ordinary shares in the capital of Jubilee and 30,000,000 non-listed, transferable warrants, which had completed on 4 August 2021 ("**Jubilee Placement**"). Please refer to the announcements on Jubilee Placement, for further details.
- 2.3 The Placees have confirmed that:
- (a) they have no existing connection (including business relationships) with the Company, its Directors and substantial shareholders, and are not persons to whom the Company is prohibited from issuing shares to, as provided under Rule 812 of the SGX-ST Listing Manual Section B: Rules of Catalist (the "**Catalist Rules**"); and
 - (b) they are not acting in concert (as contemplated in the Singapore Code of Takeovers and Mergers) with any party in the acquisition of the Placement Shares.

3. THE INTRODUCER

- 3.1 The Placees were introduced to the Company by Lye Won Fui, who is an unrelated third party of the Company (the "**Introducer**"). The Introducer is a private investor and has built up a wide network of business contacts through his experience. The Introducer was introduced to the Company, as he had, also introduced certain placees to Jubilee in the Jubilee Placement. Some of the Placees in the Company's Proposed Placement, namely, Mr Levin Lee Keng Weng, Mr Ng Chuen Guan, Mr Ng Eng Tiong and Mr Lee Bee Seng, were also placees in the Jubilee Placement. By way of background, the Proposed Placement by the Company was only contemplated after completion of the Jubilee Placement and accordingly, the Jubilee Placement and the Proposed Placement are independent exercises and are not contingent upon each other.
- 3.2 In consideration of the administrative services provided by the Introducer in introducing the Placees to the Company, by providing contact between the Placees and the Company and providing information and details of the Placees to the Company, the Company has agreed to pay to the Introducer, an introduction fee of 3.0% per Placement Share, for the Placement Shares for which the Introducer has successfully introduced Placees for ("**Introducer Fee**"). The Introducer Fee of 3.0% per Placement Share, was arrived at on arm's length negotiations between the Company and the Introducer, which the Company believes is on commercial terms, and in line with the prevailing market rates and practices for transactions of this nature. No part of the Introducer Fee will be shared with the Placees.

- 3.2 The Introducer Fee shall be fully satisfied by the issuance and delivery of up to 660,000 Shares of the Company at the Placement Price ("**Introducer Shares**"), assuming that the Introducer has successfully introduced Placees for the subscription for the 22,000,000 Placement Shares, subject to the terms and conditions of an agreement entered into between the Company and the Introducer.
- 3.3 The Introducer Shares when allotted and issued, will rank in all respects *pari passu* with the existing issued Shares and be free from all pre-emption rights, charges, liens and other encumbrances and with all rights and benefits attaching thereto save that they will not rank for any dividend, rights, allotments or other distributions, the Record Date of which falls on or before such date of issue of the Introducer Shares.
- 3.4 The Introducer does not hold any Shares in the Company as at the date of this Announcement. However, pursuant to the completion of the Jubilee Placement, the Introducer holds 900,000 ordinary shares in the capital of Jubilee, representing approximately 0.32% in the share capital of Jubilee as at the date of this Announcement.
- 3.5 The Introducer has confirmed that:
- (a) he has no connections (including business relationships) with the Company, its Directors and substantial shareholders and is not a person to whom the Company is prohibited from issuing shares to, as provided by Rule 812 of the Catalist Rules; and
 - (b) he is not acting in concert (as contemplated in the Singapore Code of Takeovers and Mergers) with any party in the receipt of the Introducer Shares.

4. SALIENT TERMS OF THE PLACEMENT LETTERS

- (b) the general share issue mandate pursuant to section 161 of the Companies Act and Rule 806 of the Catalist Rules of the SGX-ST from the shareholders of the Company being in force, available and sufficient for the allotment and issue of such number of the Placement Shares and the Warrant Shares;
- (c) the transactions contemplated in the Placement Letters not being prohibited by any statute, order, rule, regulation or directive promulgated or issued after the date of the Placement Letters by any legislative, executive or regulatory body or authority of Singapore which is applicable to the Company; and

- (d) the representations, warranties and undertakings by each of the Placees remaining true and correct in all material respects and each of the Company and the Placees having performed all of its/his obligations thereunder to be performed on or before completion.
- 4.2 Subject to the provisions of the relevant Placement Letters (including the Conditions Precedent), Completion shall take place on the date falling three (3) business days after all Conditions Precedent have been satisfied or waived (as the case may be) (or such other date as may be notified by the Company to the Placees).
- 4.3 The Company will be submitting an application, through its Sponsor, RHT Capital Pte. Ltd. to the SGX-ST to obtain the Listing Approval for the listing and quotation notice in respect of the Placement Shares, the Warrant Shares and the Introducer Shares on the Catalist of the SGX-ST from SGX-ST. The Company will make the necessary announcement once the Listing Approval has been obtained from the SGX-ST.

5. WARRANTS ISSUE

- 5.1 The issue of the Warrants to each of the Placees is subject to and in accordance with the following terms, *inter alia*, set out in the deed poll to be executed by the Company for the purposes of constituting the Warrants:
 - (a) **Exercise Period.** The Warrants are exercisable within one year from the date of the issue of the Warrants unless such date is a date on which the Register of Members is closed or is not a market day, in which event the Warrants shall expire on the date prior to the closure of the Register of Members or the immediately preceding market day, as the case may be (but excluding such period(s) during which the Register of Warrantholders may be closed) (the “**Expiration Date**”).
 - (b) **Adjustments.** The Exercise Price and the number of Warrants would be subject to adjustment in the event of, *inter alia*, rights, bonus or other capitalisation issues. Any such adjustments shall (unless otherwise provided under the Catalist Rules) be announced by the Company.
 - (c) **Transferability.** The Warrants shall be transferable.
 - (d) **Expiry.** The expiry of the Warrants will be announced by the Company, and the notice of the Expiration Date will be sent to the relevant Placee at least one (1) month before the Expiration Date.
 - (e) **Alterations.** Any material alteration to the terms of the Warrants to the advantage of the relevant Placee shall be approved by the Shareholders in a general meeting.

6. USE OF PROCEEDS AND RATIONALE

- 6.1 The Company is proposing to undertake the Proposed Placement to strengthen its general working capital, given that, whilst the current working capital position of the Group is sufficient for present purposes, the increase in the general working capital base will allow the Group to capitalise on growth opportunities in its existing businesses in order to undertake projects and/or transactions, which could in turn, increase the Group’s revenue. In particular, notwithstanding that the Group has cash balances of S\$6.4 million as at 31 March 2021, it should be noted that most of such cash balances comprise cash balances of Jubilee, being a subsidiary of the Company, and such cash balances pertaining to Jubilee

have already been earmarked for use or are otherwise committed. Please refer to the announcement released by Jubilee on 28 July 2021 for further details. Further, as mentioned in the annual report of the Company for the financial year ended 31 March 2021, the Group seeks to (i) sustainably grow the Group's network in a measured approach. This is evidenced by the Group's opening of new outlets at Serangoon and Raffles City this year. In growing the business of the Group by way of the opening of new outlets, such will require the Group to continually assess the viability of opening new outlets, whether in Singapore or otherwise, the location(s) of such outlets and, in growing the business by way of expanding and/or enhancing existing outlets, the Group will also need to assess, amongst others, the type and scale of expansion or enhancement to be made to existing outlets, taking into account the developing COVID-19 status, amongst others. Accordingly, no concrete plans can be made as yet, and (ii) expand its clinical skincare products to increase revenue stream, which will require the Group to ascertain the popularity, demands and needs of customers, each of which cannot be determined as of now.

- 6.2 Based on the Placement Price, the estimated amount of proceeds from the allotment and issue of the Placement Shares, net of the estimated expenses of approximately S\$40,000, is approximately S\$1,581,620 (the "**Placement Proceeds**"). Assuming the Warrants are fully exercised into Warrant Shares, the estimated amount of additional proceeds that may be raised, net of the estimated expenses of approximately S\$5,000, is approximately S\$1,755,000 (the "**Warrant Proceeds**", and together with the Placement Proceeds, the "**Net Proceeds**").
- 6.3 The Company intends to utilise the entirety of the Net Proceeds for general working capital purposes for the reasons as stated in Paragraph 6.1 above. In relation to the allocation of the Net Proceeds, as described in Paragraph 6.1, above the Group would still need to monitor the viability, trends, amongst others, and to thereafter assess the precise allocations that it should or has to make for each working capital needs for each proposed use and accordingly, an allocation for use of the Net Proceeds in respect of working capital needs cannot be provided at this juncture.
- 6.4 The Company will make periodic announcement(s) as to the use of the proceeds from the Proposed Placement as and when such proceeds are materially disbursed and whether such use is in accordance with the stated use and in accordance with the percentage allocated. The Company will also provide a status report on the use of the proceeds raised from the Proposed Placement in the Company's interim and full-year financial statements issued under Rule 705 of the Catalist Rules and the Company's annual report. Where the proceeds have been used for working capital purposes, the Company will provide a breakdown with specific details on how the proceeds have been applied in the announcements and status report. Where there is any material deviation from the stated use of proceeds, the Company will announce the reasons for such deviation.
- 6.5 Pending the deployment of the proceeds from the Proposed Placement, such proceeds may be placed as deposits with financial institutions or invested in short term money markets or debt instruments or for any other purposes on a short-term basis as the directors of the Board (the "**Directors**") may deem fit, from time to time.

7. GENERAL MANDATE FOR THE ISSUE OF THE PLACEMENT SHARES, WARRANT SHARES AND INTRODUCER SHARES

- 7.1 It is intended that the Placement Shares and Warrant Shares to be issued to the Placees as well as the Introducer Shares to be issued to the Introducer, will be issued pursuant to the share issue mandate (the “**Share Issue Mandate**”) that was approved by shareholders of the Company (the “**Shareholders**”) at the annual general meeting of the Company held on 30 July 2021 (the “**AGM**”). As mentioned above, it is a Condition Precedent that a Share Issue Mandate would be in force, available and sufficient for the allotment and issue of the relevant Shares. Pursuant to the Share Issue Mandate, the Directors have the authority to, amongst others, allot and issue Shares whether by way of bonus issue, rights issue or otherwise and/or make or grant offers, agreements or options (collectively, the “**Instruments**”) that might or would require Shares to be issued, provided that the aggregate number of Shares (including Shares to be issued pursuant to the Instruments) shall not exceed 100.0% of the total number of issued Shares (excluding treasury shares and subsidiary holdings) as at the date of the AGM, of which the aggregate number of Shares (including Shares to be issued pursuant to the Instruments) to be issued other than on a pro-rata basis to existing shareholders of the Company shall not exceed 50.0% of the total number of issued Shares (excluding treasury shares and subsidiary holdings) as at the date of the AGM.
- 7.2 The Placement Shares, when allotted and issued in full, will consist of 22,000,000 Shares and will represent (i) approximately 7.88% of the Company’s existing and paid-up capital of 279,142,293 Shares as at the date of this Announcement, (ii) approximately 7.29% of the enlarged issued and paid-up share capital of 301,802,293 Shares upon completion of the Proposed Placement (assuming that no further Shares are issued on or prior to the completion of the Proposed Placement) and upon issuance of the Introducer Shares in full, and (iii) 6.79% of the enlarged issued and paid-up share capital of 323,802,293 Shares upon completion of the Proposed Placement (assuming that no further Shares are issued on or prior to the completion of the Proposed Placement), upon issuance of the Introducer Shares in full and assuming all Warrants have been exercised in full.
- 7.3 The Introducer Shares, when allotted and issued in full, will consist of 660,000 Shares and will represent (i) approximately 0.24% of the Company’s existing and paid-up capital of 279,142,293 Shares as at the date of this Announcement, (ii) approximately 0.22% of the enlarged issued and paid-up share capital of 301,802,293 Shares upon completion of the Proposed Placement (assuming that no further Shares are issued on or prior to completion of the Proposed Placement) and upon issuance of the Introducer Shares in full, and (iii) approximately 0.20% of the enlarged issued and paid-up share capital of 323,802,293 Shares upon completion of the Proposed Placement (assuming that no further Shares are issued on or prior to the completion of the Proposed Placement) and upon issuance of the Introducer Shares in full and assuming all Warrants have been exercised in full.
- 7.4 The Warrant Shares, when allotted and issued in full, will consist of 22,000,000 Shares and will represent (i) approximately 7.88% of the Company’s existing and paid-up capital of 279,142,293 Shares as at the date of this Announcement, (ii) approximately 7.29% of the enlarged issued and paid-up share capital of 301,802,293 Shares upon completion of the Proposed Placement (assuming that no further Shares are issued on or prior to the completion of the Proposed Placement) and upon issuance of the Introducer Shares in full, and (iii) approximately 6.79% of the enlarged issued and paid-up share capital of 323,802,293 Shares upon completion of the Proposed Placement (assuming that no further Shares are issued on or prior to the completion of the Proposed Placement), upon issuance of the Introducer Shares in full and assuming that all Warrants have been exercised in full.

- 7.5 The Placement Shares, Introducer Shares and Warrant Shares, when allotted and issued in full, will consist of 44,660,000 Shares representing (i) approximately 16.00% of the Company's existing and paid-up capital of 279,142,293 Shares as at the date of this Announcement, (ii) approximately 14.80% of the enlarged issued and paid-up share capital of 301,802,293 Shares upon completion of the Proposed Placement (assuming that no further Shares are issued on or prior to the completion of the Proposed Placement) and upon issuance of the Introducer Shares in full, and (iii) approximately 13.79% of the enlarged issued and paid-up share capital of 323,802,293 Shares upon completion of the Proposed Placement (assuming that no further Shares are issued on or prior to the completion of the Proposed Placement), upon issuance of the Introducer Shares in full and assuming that all Warrants have been exercised in full.
- 7.6 As at the date of the AGM, the Company had an issued share capital of 279,142,293 Shares. As at the date of this Announcement, no Shares had been issued pursuant to the Share Issue Mandate approved at the AGM. Accordingly, 279,142,293 Shares may be issued pursuant to the Share Issue Mandate, of which the maximum number of Shares that can be issued other than on a pro rata basis is 139,571,147 Shares. Therefore, the 44,660,000 Placement Shares and Warrant Shares that may be issued to the Placees and the Introducer Shares that may be issued to the Introducer pursuant to the Proposed Placement falls within the limits of the Share Issue Mandate.
