2022

**STABILITY,

AGILITY.**

CORPORATE PROFILE

Centurion Corporation Limited (“Centurion” or the “Company” and together with its subsidiaries, the “Group”) owns, develops and manages quality, Purpose-Built Workers Accommodation assets in Singapore and Malaysia, and Purpose-Built Student Accommodation assets in Australia, South Korea, the United Kingdom (“UK”) and the United States (“US”). Headquartered in Singapore, Centurion is listed on the Singapore Exchange (SGX: OU8) and on the Main Board of The Hong Kong Stock Exchange Limited (SEHK: 6090).

As at 31 December 2022, the Group’s portfolio of 36 operational accommodation assets comprises approximately 66,291 beds. Centurion’s established portfolio of workers accommodation assets are managed under the “Westlite” brand and comprises nine workers accommodation assets in Singapore as well as eight workers accommodation assets in Malaysia. The Group’s student accommodation assets are managed under the “dwell” brand, with 10 assets in the UK, two assets in Australia and one asset in South Korea.

In line with the Group’s asset light strategy to scale up in an efficient, sustainable manner, Centurion also launched and manages two private funds. Under the inaugural Centurion US Student Housing Fund launched in November 2017 in which Centurion has a 28.7% stake, the Group holds a portfolio of six assets in the US. The Group has also established the Centurion Student Accommodation Fund in December 2018 to invest in Purpose-Built Student Accommodation globally (ex-US).

With global reach and a clear growth strategy to actively enhance and manage its assets, identify strategic acquisitions supported by joint ventures and investment funds, and expand business and revenue streams through management services and ancillary accommodation-related services, Centurion has evolved to become a leading Singapore-based provider of quality specialised accommodation around the world.

JOINT CHAIRMEN LETTER TO SHAREHOLDERS

Mr. Han Seng Juan

With the resumption of domestic and international travel, there has been a steady return of migrant worker and student populations to workplaces and university campuses, across the countries where Centurion operates.

DEAR SHAREHOLDERS

In 2022, countries around the world continued to re-open their borders, ease pandemic-management measures and transition to living with the COVID-19 virus. With the resumption of domestic and international travel, there has been a steady return of migrant worker and student populations to workplaces and university campuses, across the countries where Centurion operates.

At the same time, geo-political tensions, persistent inflation and escalating interest rate hikes have presented challenges to economies and businesses, driving up the cost of business and capital.

STRONG PERFORMANCE IN UNCERTAIN TIMES

Against this backdrop, we are pleased to announce that Centurion has delivered strong performance in FY 2022, tapping the recovery and despite the economic volatility and uncertainties.

Group revenue grew 26% to S\$180.5 million, while net profit after tax attributable to equity holders grew 36% to S\$71.4 million. Excluding fair value gains from investment properties and its related deferred taxes, profit from core business operations attributable to equity holders grew 23% to S\$57.1 million in FY 2022.

Across all our operating markets, financial occupancies have recovered to high levels near or exceeding pre-COVID performance. We have also been able to grow rental rates, across all our markets, mitigating the impact of increased operating and finance expenses. Our margins have remained generally stable; Gross Profit Margin grew two percentage points year-on-year to 68% for FY 2022.

This commendable financial performance is testament of the strength and resilience of the Group's asset portfolio and management, as well as the Group's agility in enlarging portfolio capacity and expanding revenue streams.

JOINT CHAIRMEN LETTER TO SHAREHOLDERS

Mr. Loh Kim Kang David

STABILITY AND RESILIENCE

Our specialised accommodation business, both worker and student accommodation, enjoy robust demand as well as short supply in the countries and cities where we operate.

Across all geographies, with the recovery of migrant worker and student populations, demand for quality worker and student accommodation has overtaken available supply. Moreover, demand for migrant workforce and higher education tends to be counter-cyclical, and resilient to economic swings.

We have also strategically diversified our asset portfolio in both these two business segments, across 6 countries, for greater balance and stability.

AGILITY AND CONTINUED GROWTH

At the same time, the Group continually looks for opportunities to enhance our portfolio and expand revenue streams.

This may be by way of acquisition, or by asset-light means such as through private funds or joint ventures, master leases or management contracts. We also consider, where sensible, opportunities for accommodation-related revenue streams, such as through ancillary services delivered to our resident communities.

During the COVID outbreak, we were among the first dormitory operators to lease and manage Quick Build Dormitories in Singapore, and to manage migrant worker Onboard Centres. We were also quick to reconfigure our Malaysian assets to optimize bed capacity within new regulatory specifications, and to enhance our UK student assets to address changing consumer preferences post-pandemic.

In January 2023, we secured a tender award to develop a new Purpose Built Dormitory in Singapore, which will be among the first to be developed by the private sector under new regulatory specifications announced by MOM.

Such portfolio and business expansion have added to our continued growth and strong financial performance in the face of volatility and uncertainty, as well as our continued innovation and leadership in the specialized accommodation marketplace.

Fair value of our assets gained S\$19 million at the end of FY 2022, rebounding from a net fair value adjustment loss of S\$3.1 million at the end of FY 2021. Net Asset Value stood at a new high of S\$0.817 per share as at 31 December 2022.

EXTENDING APPRECIATION

Given the locations of the Group's assets, which are well-diversified across markets and customer bases, we remain confident in the fundamentals of the Group's business and the resilience of our specialised accommodations asset class over the long term.

We will continue to pursue portfolio and revenue growth opportunities, including the ongoing strategic review of our assets, exploring avenues for capital recycling and capital reallocation towards synergistic or higher yielding assets and markets, to deliver sustainable, long-term value to our shareholders.

To our Board of Directors, we wish to express our gratitude for your contributions and strategic counsel. We would also like to thank our shareholders, loyal partners, and community stakeholders for their continued trust in Centurion through the challenging times.

Our achievements today would not have been possible without the collective hard work contributed by the management and staff, to whom we extend our greatest appreciation and gratitude.

Yours faithfully

HAN SENG JUAN
