IMPORTANT NOTICE

This announcement is for information purposes only and does not constitute or form part of an offer, invitation, inducement or solicitation of any securities of Keppel DC REIT in Singapore or any other jurisdiction nor should it or any part of it form the basis of, or be relied upon in connection with, any contract or commitment whatsoever.

This announcement may contain forward-looking statements that involve risks and uncertainties. Actual future performance, outcomes and results may differ materially from those expressed in forward-looking statements as a result of a number of risks, uncertainties and assumptions. Representative examples of these factors include (without limitation) general industry and economic conditions, interest rate trends, cost of capital and capital availability, competition from other companies and venues for the sale or distribution of goods and services, shifts in customer demands, customers and partners, changes in operating expenses (including employee wages, benefits and training costs), governmental and public policy changes and the continued availability of financing in the amounts and the terms necessary to support future business. Investors are cautioned not to place undue reliance on these forward-looking statements, which are based on the Manager's view of future events. The past performance of Keppel DC REIT and the Manager are not necessarily indicative of the future performance of any of them.

The value of the Units and the income derived from them may fall as well as rise. Units are not obligations of, deposits in, or guaranteed by, the Manager, Perpetual (Asia) Limited, in its capacity as trustee of Keppel DC REIT, or any of their respective affiliates.

An investment in the Units is subject to investment risks, including the possible loss of the principal amount invested. Unitholders have no right to request that the Manager redeem or purchase their Units while the Units are listed. It is intended that Unitholders may only deal in their Units through trading on the SGX-ST. Listing of the Units on the SGX-ST does not guarantee a liquid market for the Units.
