3. Review of the Group's Performance

(a) Review of Financial Performance of the Group

Revenue

The increase in revenue for FY2023 was mainly driven by: (i) increase in theme attractions construction segment from RM0.9mil in FY2022 to RM75.4mil in FY2023 as a result of inclusion of new theme attractions construction segment, Sim Leisure Gulf Contracting L.L.C ("**SL Gulf**"), Sim Leisure Arabia ("**SL Arabia**") and Sim Leisure Makers Sdn. Bhd. ("**SL Makers**") in the financial year (ii) Increase in revenue in theme park business performance from RM58mil in FY2022 to RM60mil in FY2023, mainly contributed by the company's subsidiary Rakan Riang Sdn. Bhd. ("**RRSB**"), which has achieved a remarkable 18% increase in visitor's volume, resulting in higher revenue from ticketing as well as in park services. Moreover, the growth in sponsorship income implies successful partnership and marketing collaborations, contributing to enhanced brand reputation and additional revenue streams. The increase in revenue is offset by the reduction in royalties revenue of RM8mil as a result of cessation of cooperation fee payment by SL Gulf following the completion of SL Gulf acquisition in FY2023.

Cost of sales

Cost of sales increased from RM23.38mil in FY2022 to RM78.12mil in FY2023 which was mainly contributed by: (i) increase in construction & project costs incurred by the theme attractions construction segment which carries a higher cost base due to its nature of business, as

F. OTHER INFORMATION REQUIRED PURSUANT TO APPENDIX 7C OF THE CATALIST RULES (CONT'D)

compared to the theme park segment; and (ii) increase in the costs from the theme park segment as a results of increase in usage and higher cost component compared to FY2022 mainly on staff costs and other operational and park maintenance expenses as well as cost of inventories expenses.

Gross profit

The Group's gross profit increased by 29.7 percentage points from RM44.22mil in FY2022 to RM57.36mil in FY2023. However, the Group's gross profit margin experienced a decline from 65.41% in FY2022 to 42.33% in FY2023, mainly contributed by: (i) inclusion of theme attractions construction segment which yields a lower margin due to its nature of business, ranging between 16% to 33%, as compared to 47% to 60% for the theme park segment. (ii) higher cost arising from the theme park segment primarily due to increased employee benefit expenses.

Other income

Other Income increased significantly from RM3.42mil in FY2022 to RM8.5mil in FY2023, the variance was mainly contributed by: (i) the recognition of a gain on bargain purchase of RM6.73mil arising from the acquisition of SL Gulf during the financial year; (ii) increase in interest earned from fixed deposit placement from RM0.15mil in FY2022 to RM0.58mil in FY2023; (iii) one off other income recorded as a reduction in consideration payable to former owner of a subsidiary of RM0.6mil; and (iv) increase in realised foreign exchange gain of RM0.36mil. This was offset by the absence of government relief provided for Covid and the absence of write off of trade and other payables amounting to RM0.43mil and RM1.77mil respectively. Please refer to Note E7.1 for further details.

Administrative expenses

Administrative expenses increased significantly from RM11.01mil in FY2022 to RM27.19mil in FY2023. This increase was mainly attributed to: (i) pre-operating and administrative cost incurred by the newly incorporated subsidiaries during the financial year of RM1.5mil; (ii) increase in administrative expenses in theme park and other business segment mainly on travelling and vehicle expenses and directors remuneration of RM2.08mil; and (iii) inclusion of administrative expenses for themed attraction and construction which is a new segment to the Group of RM12.6mil in FY2023.

Finance costs

Finance costs increased by approximately 33 percent from RM2.41mil in FY2022 to RM3.21mil in FY2023, principally due to inclusion of term loan and lease liabilities interest for new subsidiary in this financial year, RM0.69mil and RM0.25mil from Kids Edutainment Pte. Ltd. ("**KEPL**") and Sim Leisure Gulf Contracting L.L.C. ("**SL Gulf**").

F. OTHER INFORMATION REQUIRED PURSUANT TO APPENDIX 7C OF THE CATALIST RULES (CONT'D)

Profit after income tax

As a result of the above, the Group recorded a net profit after tax of RM29.07mil for FY2023 as compared to a net profit after tax of RM25.93mil for FY2022, which is a 12.1% increase.

(b) Review of Financial Position of the Group

Non-current assets

The Group recorded increases in the non-current assets amounting to RM25.72mil as at 31 December 2023 due to the significant increase in (i) Right-of-use assets of RM16.56mil, mainly driven by the inclusion of the Group's new subsidiary, Kids Edutainment Pte. Ltd. ("**KEPL**"); (ii) Additionally, there was a RM3.31mil increase in Intangible assets, with The Future Is Here Pte. Ltd. Group ("**TFIH**") accounting for RM1.31mil of this increase and licensing fee paid to operate Kidzania Singapore under KEPL of RM2mil; (iii) inclusion of trade receivables of RM1.74mil from SL Gulf; (iv) increase in Property, plant and equipment of RM3.64mil as a result of increase in assets as part of expansion plan of RM8.17mil offset with depreciation charge for the year for the group of RM4.53mil ; and (v) inclusion of RM0.28mil deferred tax asset from KEPL.

Current assets

Current assets increase as at 31 December 2023 due to (i) the inclusion of current assets from SL Gulf, SL Makers, SL Arabia and KEPL of RM42.19mil; (ii) additional increase of RM1.14mil of income tax recoverable from theme park business for previous years overpayment to tax authority ; and (iii) increase in inventories of RM0.17mil inline with the increase in theme park business activity.

Non-current liabilities

The Group recorded an increase in non-current liabilities as (i) RM21.56mil increase in lease liabilities and RM5.42mil increase in borrowings, primarily due to the inclusion of the Group's new subsidiary, KEPL, which carries RM26.39mil of lease liabilities and RM6.76mil of borrowings offset with a RM5mil decrease in lease liabilities in RRSB as a results of reassessment of lease period and quantum following the tenancy renewal with the landlord, and (ii) RM0.39mil increase in contract liabilities, and (iii) RM1.04mil decrease in amount due to director, and (iv) RM0.81mil and RM0.58mil decrease in provisions and deferred tax liabilities respectively.

F. OTHER INFORMATION REQUIRED PURSUANT TO APPENDIX 7C OF THE CATALIST RULES (CONT'D)

Current liabilities

Current liabilities increased as at 31 December 2023 mainly due to the inclusion of current liabilities from SL Gulf, SL Makers and SL Arabia of RM29.02mil, comprising borrowings from Director of the Company, trade and other payables, contract liabilities and bank borrowings. This is offset by the net decrease in current liabilities for theme park segments of RM3.39mil. Increase in amount due to a director from RM0.89mil to RM6.45mil is due to the consolidation of the existing liabilities of SL Gulf.

Working Capital Position

The Group recorded a positive working capital position of RM45.47mil as at 31 December 2023, which is a significant improvement when compared to the working capital position of RM27.55mil as at 31 December 2022.

(c) Review of Statement of Cash Flow of the Group

During FY2023, the net cash generated from operations amounted to approximately RM30.09 mil. This comprises positive operating cash flows before changes in working capital of RM41.02 mil, adjusted by net working capital outflow of RM4.14mil and taxes paid of RM6.58mil.

Net cash used in investing activities of RM9.8mil was primarily due to purchase of property, plant and equipment amounting to RM11.2mil off-set by the acquisition of SL Gulf of RM1.6mil.

The Group's net cash used in financing activities for FY2023 amounted to approximately RM19.42mil, mainly due to repayment of finance lease obligations, lease liabilities, loans and borrowings, interest and dividend paid as well as cash used in pledged fixed deposits for bankers guarantee for contract entered by SL Arabia for the Six flag project in Kingdom of Saudi Arabia.

5. A commentary at the date of the announcement of the significant trends and competitive conditions of the industry in which the group operates and any known factors or events that may affect the group in the next reporting period and the next 12 months.

The Group is continuing with its aggressive plans to expand its business in both domestically (in Malaysia) and internationally. This year we have continued to receive numerous enquiries to develop and operate ESCAPE Parks from both landowners and mall operators principally in Malaysia, who are looking at ways of enhancing their developments through placemaking and offering unique customer lifestyle experiences.

The construction of the ESCAPE Ipoh Park has been duly completed and the park scheduled for a soft launch on 24 February 2024 whereas the ESCAPE Cameron Highlands agreement has lapsed due to delays from the landowner in securing land titles and relevant authorities approval as disclosed in our half yearly results announcement for the financial period ended 30 June 2023, announced on 11 August 2023. As announced by the Company on 1 November 2023, the Group through its wholly owned subsidiary Sim Leisure Escape Sdn. Bhd., had recently signed an agreement with Bandar Malaysia Sdn Bhd for a long-term lease to develop a seventy five (75) acres adventure park in KL Base, Bandar Malaysia in Sungai Besi, where construction is underway, with the adventure park of ESCAPE @KL Base (Phase 1) planned to open by second quarter of 2025 followed by subsequent progress/gradual opening of additional facilities and activities of ESCAPE @KL Base during the lease term.

In addition to the above development on our outdoor park, the Group expects to commence the construction and installation of two indoor ESCAPE challenge parks in Putrajaya and Johor Bahru, Malaysia with a planned launch of both parks in fourth quarter of 2024. These indoor ESCAPE challenge parks will have some of our popular ESCAPE brand outdoor adventure activities and games and are conceptually similar to our indoor ESCAPE challenge park located at Petaling Jaya, Malaysia.

The Group continues to invest in its existing ESCAPE Penang Park after having launched Malaysia's first Pet Friendly destination, with the expansion of the Base Camp camping area (enabling visitors to stay at ESCAPE with their pets) and the addition of a new dry tube slide ride to the Outdoor Ski Slope in 2023. An outdoor obstacle course and swing park are currently under construction and are targeted to launch in second quarter of 2024. These additions are expected to drive corporate team building and the family markets and increase the length of visit.

In line with increasing mall operators' realisation of our call for an overdue need of a complete mall's transformation and repurposing and taking cognisance of our need to mitigate impact of climate change risk on our outdoor theme park business, the Group has recently designed and developed an entertainment hub concept of diverse attraction experiences known as 'Play Mall' that is set to revolutionize the mall experience and to transform shopping centres into play malls. This Sim Leisure entertainment hub comprise leading attraction brands including ESCAPE Challenge Adventure Park, FUNDAY Adventure Playground (a brand extension of the ESCAPE Adventure Park concept targeting kids of four (4) to twelve (12) years

F. OTHER INFORMATION REQUIRED PURSUANT TO APPENDIX 7C OF THE CATALIST RULES (CONT'D)

old through an adventure playground concept), the world's first HavenXR Centre (elaborated further below), SimCoaster Ride (the world's first dedicated virtual reality immersive rollercoaster centre) and CARNIVAL (bringing the travelling Funfair to life in the mall complete with an exciting array of rides and amazing skill-games to designed to appeal to young families, teenagers, young adults and the young at heart) all under the one roof.

The Group is currently in active negotiations with a number of leading mall owners and operators to provide the capital expenditure ("**Capex**") funding and leasing space for Sim Leisure to develop and operate the Play Mall concept in Malaysia. The Group is actively sponsoring and participating in leading shopping mall conferences with the aim of securing and transforming new mall sites across South East Asia.

On the international front, the Group is in active exploratory discussions and/or negotiations to design, develop and operate new ESCAPE Adventure Parks across the Asia Pacific (including Vietnam, China and Australia), and Southeastern Europe. Plans for the ESCAPE Ceylon project in Sri Lanka continue to be put on hold due to the continuing high level of economic risk and financial crisis and associated uncertainty with Sri Lanka for the foreseeable future.

Refurbishment works of KidZania Singapore have been underway since August 2023, and the new look facility is expected to be launched by early 2024. To date, the Company has secured corporate sponsorship from around 30 leading Singapore and regional brands for KidZania Singapore, which is an integral part of the KidZania business model.

After successfully executing an exclusive license agreement for South East Asia and China in 2023 with leading Australian entertainment company Haven XR Holdings Pty. Ltd., for the revolutionary cinematic immersive adventure virtual reality attraction, development is underway to launch the first Haven XR Centre in Malaysia by second quarter of 2024. This exciting new form of entertainment utilises virtual reality to transport visitors to an immersive reality where they become part of the movie.

In a further new development, the Company is collaborating with its technology partner HavenXR Holdings Pty. Ltd. to explore the creation of the world's first virtual reality immersive rollercoaster to be known as the SimCoaster with plans to launch the first of these attractions in Malaysia in third quarter of 2024.

In respect of the Group's newly acquired theming design and contracting business in the Gulf Cooperation Council region, the Group's 60%-owned indirect subsidiary company, Sim Leisure Arabia Contracting L.L.C was awarded the subcontract theming works for the Six Flags Qiddiya project located in the Kingdom of Saudi Arabia ("**KSA**") for a combined contract sum of approximately USD23.6 million. The Group has commenced construction work, and the contract is expected to contribute positively to the performance of the Group for the financial year ending 31 December 2024 ("**FY2024**"). The Company will update the shareholders via SGXNet as and when there are any material development in relation to the contracting business in FY2024.
