(1) Unless otherwise specified, the discussion of the Group's operating results in this presentation is on a Pre-IFRS 16 basis.

(2) An active customer is one that generated revenue from an outgoing call, incoming call or data/content service in the preceding three months. For Q1 2026, active customer base includes 100% of VodafoneThree's customer base.

(3) HTHKH's customer base has been adjusted to enhance comparability of registered and active customer base across CKHGT. Consequently, there is a corresponding effect on HTHKH's net ARPU and net AMPU. These changes do not impact HTHKH's total revenue and total margin.

(4) Represents monthly average churn of contract customers.

(5) Capex amount excludes licence costs.

(6) Total bank and other debts are defined, for the purpose of "Net debt" calculation, as the total principal amount of bank and other debts. Net debt is defined as total bank and other debts less total cash and cash equivalents
