3i INFOTECH LIMITED

(the "Issuer")

NOTICE OF MEETING

of the holders of the outstanding

up to U.S.\$125,356,000 2.5 per cent. Convertible Bonds due 2025 convertible into Shares of the Issuer, issued by the Issuer (ISIN: XS0769181982, Common Code: 076918198) (the "Bonds" and the holders of such Bonds, the "Bondholders")

NOTICE IS HEREBY GIVEN that, pursuant to the provisions of Schedule 3 to the Trust Deed dated 25 April 2012 as amended and supplemented by the Supplemental Trust Deed dated 9 December 2016 (the "**Principal Trust Deed**") pursuant to which the Bonds were issued and made between the Issuer and Deutsche Trustee Company Limited as trustee (the "**Trustee**") for the Bondholders, a meeting of the Bondholders of the Bonds convened by the Issuer (the "**Meeting**") will be held via teleconference on 20 April 2021 at 10:30 a.m. (London time) for the purpose of considering and, if thought fit, passing the following resolution which will be proposed as an Extraordinary Resolution (the "**Extraordinary Resolution**") in accordance with the provisions of the Principal Trust Deed. Unless the context otherwise requires, capitalised terms used in this notice shall bear the meanings given to them in the Principal Trust Deed.

As at the date of this Notice, the principal amount of the Bonds outstanding is U.S.\$2,221,874.64.

In light of the ongoing developments in relation to coronavirus (COVID-19), and current guidance issued by the UK government, it may be impossible or inadvisable to hold the Meeting at a physical location. Therefore, the Issuer has determined that the Meeting be held electronically via teleconference rather than physically in person and, in accordance with the provisions of the Principal Trust Deed, has requested that the Trustee prescribe appropriate regulations regarding the holding of the Meetings via teleconference.

The Meeting will be held via teleconference using a platform hosted by the chairman of the Meeting. Bondholders will not be permitted to attend the Meeting and should submit their votes on the Extraordinary Resolution through the Clearing Systems (as defined below under "Voting and Quorum") and will be represented at the Meeting by the Principal Paying Agent. See "Voting and Quorum" below for further information.

All references in this Notice to attendance or voting "in person" shall refer to the attendance or voting at the Meeting by way of the teleconference facility.

BACKGROUND

1. It is proposed that certain amendments be made to the terms and conditions of the Bonds (as set out in Schedule 1 to the Principal Trust Deed) (the "**Conditions**") and the Principal Trust Deed (such amendments, the "**Proposals**"). Subject to the passing of the Extraordinary Resolution, such amendments will become effective on the date which is 5 Business Days (or such other date to be agreed by the Issuer, Trustee and the Agents) after the date on which all conditions to the Extraordinary Resolution set forth in paragraph 8 of the Extraordinary Resolution are satisfied or, where applicable, are waived (such date, the "**Closing Date**"), provided that (i) such date shall be no less than 10 Business Days after the date of the passing of the Extraordinary Resolution and (ii) if the Closing Date does not occur on or before December 31, 2021 (the "**Long-stop Date**"), then such amendments will not become effective.
2. On 28 December 2020, the Issuer entered into a business transfer agreement for sale of its software products business to Azentio Software Private Limited (the "**Products Business Sale**"). The Products Business Sale is also expected to include the sale of related intellectual property rights and the software products businesses of the Issuer's subsidiaries. The total consideration for the Products Business Sale is approximately INR 10 billion. The closing of the Products Business Sale remains subject to certain closing conditions, including, among others, approvals from the Issuer's shareholders and lenders, release of certain encumbrances by such lenders, entry into escrow agreements with respect to the consideration for the Products Business Sale, novation of certain customer contracts to the buyer entities, entry into a transition services agreement with the buyer entities and receipt of a no objection certificate under Section 281 of the Indian Income Tax Act, 1961. The Issuer currently expects the Products Business Sale to close in the first half of 2021. The Issuer currently plans to retain and to continue to operate its services business.
3. The Issuer currently plans to use the net proceeds of the Products Business Sale to, among other things, settle outstanding indebtedness, including redeeming the Bonds if the Extraordinary Resolution is passed and becomes effective. As a result, if the Proposals are implemented, the Principal Trust Deed will be amended to provide the Issuer with an early redemption right enabling it to redeem all (and not some only) of the Bonds at 100% of their outstanding principal amount as of the redemption date plus accrued and unpaid interest, if any, to (but not including) the redemption date. In addition, the Issuer seeks to amend the Principal Trust Deed to provide for Bondholder authorization of asset sales to the extent they would otherwise be restricted under Conditions 10 and 11 under the Principal Trust Deed where the Issuer: (i) provides a notice of redemption within 10 Business Days after the later of (1) the closing of such sale, transfer or other disposition (or, if such sale, transfer or other disposition involves a series of related transactions with completion to occur on more than one completion date, the completion date of the latest of such transactions) and (2) the effectiveness of the Extraordinary Resolution set forth herein; and (ii) actually redeems the remaining outstanding principal amount of the Bonds in whole within 60 days from the date of such notice. Such amendment may apply to the

Products Business Sale or if the Products Business Sale is ultimately not completed by the long-stop date, for other future asset sales.

4. The Issuer is concurrently seeking consents from holders of its up to U.S.\$100,000,000 2.5 per cent. Convertible Bonds due 2025 (ISIN: XS0308551166, Common Code: 030855116) and of its U.S.\$52,000,000 2.5 per cent. Convertible Bonds due 2025 (ISIN: XS1423751418, Common Code: 142375141) to amend the trust deeds under which such bonds were issued with amendments substantially the same as those in the Proposals. As at the date of this Notice, the principal amounts of the bonds outstanding under each series is US\$361,458.28 and US\$13,346,507.81, respectively.

General

In accordance with normal practice, the Trustee and the Agents express no opinion on, and make no representations as to the merits of, the Extraordinary Resolution. The Trustee and the Agents have not been involved in the formulation or negotiation of the Proposals and recommends that Bondholders who are unsure of the consequences of the Extraordinary Resolution (including as to tax consequences) should seek their own independent financial, legal and other advice. Neither the Trustee nor any of the Agents make any representation that all relevant information has been disclosed to Bondholders pursuant to this Notice. Neither the Trustee nor the Agents are responsible for the accuracy, completeness, validity or correctness of the statements made in this Notice or omissions therefrom.

The attention of Bondholders is particularly drawn to the quorum required for the Meeting and for an adjourned Meeting which is set out in "Voting and Quorum" below. Having regard to such requirements, Bondholders are urged either to attend (via teleconference) the Meeting or to take steps to be represented (via teleconference) at the Meeting, in each case, in accordance with the procedures set out below.

Voting and Quorum

1. The provisions governing the convening and holding of the Meeting are set out in Schedule 3 (Provisions for Meetings of Bondholders) to the Principal Trust Deed, a copy of which is available for inspection as described above. The Bonds are currently represented by a global certificate (the "**Global Certificate**") held by and registered in the name of BT Globenet Nominees Limited (the "**Registered Holder**") as nominee for Euroclear and Clearstream, Luxembourg (the "**Clearing Systems**", each a "**Clearing System**"). Each person who is the owner of a particular principal amount of the Bonds (a "**Beneficial Owner**"), and each person as shown in the records of Euroclear or Clearstream, Luxembourg or its accountholders as the holder of a particular principal amount outstanding of the Bonds ("**Direct Participants**"), should note that where such Beneficial Owner is not a Direct Participant it will not be a Bondholder for the purposes of this Notice of Meeting and will only be entitled to attend and vote at the Meeting or to cause the appointment of a proxy to do so in accordance with the procedures set out below.
2. As noted above, in light of the ongoing developments in relation to coronavirus (COVID-19), in accordance with the provisions of the Principal Trust Deed, the Issuer has requested that the Trustee prescribe appropriate regulations regarding the holding of the Meeting via teleconference, including that Bondholders may not attend the Meeting in person, but instead each Bondholder should cast its vote with respect to the Extraordinary Resolution through the Clearing Systems. As a result, Beneficial Owners and Direct Participants who hold their interests in Bonds through a Clearing System should contact the relevant Clearing System to request that the Registered Holder execute and deliver a form of proxy appointing the Principal Agent as their proxy to attend the Meeting (via teleconference) and vote in respect of their Bonds.
3. Beneficial Owners or their Direct Participants must have made arrangements to vote with the relevant Clearing System by not later than 48 hours before the time fixed for

the Meeting and within the relevant time limit specified by the relevant Clearing System and request or make arrangements for the relevant Clearing System to block the Bonds in the relevant Direct Participant's account and to hold the same to the order of the Principal Agent until after the conclusion of the Meeting, or in the case of an adjournment thereof, until the conclusion of such adjourned meeting.

4. A block voting instruction will only be issued in respect of Bonds deposited with the Principal Agent (or the bank or depositary as aforesaid or blocked in an account with a Clearing System) not less than 48 hours before the time for which the Meeting has been convened and shall be valid for so long as the relevant Bonds have not been released as contemplated in Schedule 3 (Provisions for Meetings of Bondholders) to the Principal Trust Deed, and during the validity thereof the holder of any proxy named in any block voting instruction shall, for all purposes in connection with the Meeting (or any adjournment thereof) (but not otherwise), be deemed to be the holder of the Bonds to which such block voting instruction relates and the Principal Agent shall be deemed for such purposes not to be the holder of those Bonds.
5. The Registered Holder will appoint proxies for the Meeting by executing and delivering a form of proxy in English to the Principal Agent not later than 24 hours before the time fixed for the Meeting.
6. The quorum required at the Meeting in respect of the Extraordinary Resolution is two or more persons present in person holding Bonds or being proxies or representatives and holding or representing in the aggregate over 75 per cent. in principal amount of the Bonds then outstanding. To satisfy the requirements under the Principal Trust Deed for a quorum at the Meeting, a minimum of two representatives of the Principal Agent will be appointed as proxies by the Registered Holder.
7. If within fifteen minutes after the time appointed for the Meeting, a quorum is not present, the Meeting shall stand adjourned for such period, being not less than 14 days nor more than 42 days, and to such time and place as the chairman of the Meeting may decide. At any such adjourned Meeting, the quorum in respect of the Extraordinary Resolution shall be two or more persons so present holding Bonds or being proxies or representatives and holding or representing in the aggregate over 25 per cent. in principal amount of the Bonds then outstanding.
8. Every question submitted to the Meeting (or any adjournment thereof) shall be decided on the basis of a poll.
9. On a poll every person who is present (via teleconference) and is a proxy shall have one vote in respect of each US\$50 in principal amount of Bonds held or in respect of which they are a proxy or representative.
10. To be passed, the Extraordinary Resolution requires a majority in favour of not less than three-quarters of the votes cast.
11. If passed, the Extraordinary Resolution will be binding upon all Bondholders, whether or not they were represented at the Meeting and whether or not they voted at the Meeting (or adjourned Meeting, as applicable).
12. This Notice of Meeting and the information contained herein is not an offer to sell securities in the United States, the Republic of Italy or the Republic of India.
