**COMPLIANCE WITH THE 14-DAY MOVEMENT CONTROL ORDER IMPOSED BY  
THE GOVERNMENT OF MALAYSIA**

NSL Ltd (the “Company”) wishes to announce that in light of the Malaysian federal government’s directive to temporarily restrict nationwide movement as part of its efforts to contain the Covid-19 outbreak, the offices and factories of its subsidiaries in Malaysia will be closed from 18 March 2020 until 31 March 2020 (the “**Period**”). Accordingly, the manufacture of precast concrete products as well as prefabricated infrastructure products for the Group’s on-going projects in Malaysia as well as Singapore will cease during this Period. Nonetheless, senior management of the subsidiaries based in Malaysia will continue to support from home, where possible.

As announced by the Malaysian Prime Minister YAB Tan Sri Muhyiddin Yassin on 16 March 2020, the unprecedented move by Malaysia requires all businesses, government departments and private premises (excluding those providing essential services) to close for two weeks until the end of the month.

The Company is assessing the impact of this development on its business and will continue to monitor the state of health of its workers in Malaysia.

The Board will continue to monitor the evolving situation and will make the appropriate announcement(s) as and when there are material developments on this matter.

By Order of the Board
