Today, the Issuer has offered to pay, or procure that there is paid, certain fees, as an incentive to noteholders to consent to the amendment of certain terms and conditions of the 2022 Notes and the applicable trust deed (the "Consent Fee Offer"), in order to align the terms and conditions of the 2022 Notes with the proposed terms and conditions of the Issuer's new U.S. dollar denominated senior notes due 2023. The terms and conditions of the Consent Fee Offer are set out in a consent solicitation memorandum dated January 18, 2016 (the "Consent Solicitation Memorandum").

Noteholders who validly deliver their Consents on or prior to 09:00 hours, January 29, 2016 (the "Early Consent Deadline") will be eligible to receive the Early Consent Fee. Noteholders who validly deliver their Consents after the Early Consent Deadline (but on or prior to the Expiration Date) will be eligible to receive the Late Consent Fee.

The "Early Consent Fee" is 0.375 per cent. of the principal amount of 2022 Notes for which Consents have been validly delivered, and have not been revoked on or prior to the Early Consent Deadline.

The "Expiration Date" is 09:00 hours (London time) on February 4, 2016, or such later date as notified by the Tabulation Agent to the Noteholders and subject to the right of the Issuer to amend (subject to applicable law), extend, re-open, terminate or withdraw the Consent Fee Offer in accordance with the provisions set forth in the Consent Solicitation Memorandum.

The "Late Consent Fee" is 0.125 per cent. of the principal amount of 2022 Notes for which Consents have been validly delivered after the Early Consent Deadline.

The meeting of the holders of the 2022 Notes is proposed to be held on February 11, 2016 in Hong Kong. The Notice of the Meeting and the Consent Solicitation Memorandum are available for inspection at the registered offices of the Issuer:
