Disclaimer

Not for release, publication or distribution in or into the United States, Canada, Japan or the People's Republic of China.

This presentation shall be read in conjunction with Sasseur REIT's financial results announcement dated 12 May 2021 published on SGX Net.

This presentation is for information only and does not constitute or form part of an offer, invitation or solicitation of any offer to purchase or subscribe for any securities of Sasseur REIT in Singapore or any other jurisdiction nor should it or any part of it form the basis of, or be relied upon in connection with, any contract or commitment whatsoever. The value of the units in Sasseur REIT ("**Units**") and the income derived from them may fall as well as rise. Units are not obligations of, deposits in, or guaranteed by, the Manager, DBS Trustee Limited, as trustee of Sasseur REIT, Sasseur Cayman Holding Limited, as sponsor of Sasseur REIT or any of their respective affiliates. An investment in the Units is subject to investment risks, including the possible loss of the principal amount invested. Investors have no right to request that the Manager redeem or purchase their Units while the Units are listed. It is intended that unitholders of Sasseur REIT may only deal in their Units through trading on Singapore Exchange Securities Trading Limited (the "**SGX-ST**"). Listing of the Units on the SGX-ST does not guarantee a liquid market for the Units. The past performance of Sasseur REIT is not necessarily indicative of the future performance of Sasseur REIT.

This presentation may contain forward-looking statements that involve risks and uncertainties. Actual future performance, outcomes and results may differ materially from those expressed in forward-looking statements as a result of a number of risks, uncertainties and assumptions. These forward-looking statements speak only as at the date of this presentation. No assurance can be given that future events will occur, that projections will be achieved, or that assumptions are correct. Representative example of these factors include (without limitation) general industry and economic conditions, interest rate trends, costs of capital and capital availability, competition from similar developments, shifts in expected levels of rental revenue, changes in operating expenses, property expenses, governmental and public policy changes and the continued availability of financing in the amounts and the terms to support future business.

Investors are cautioned not to place undue reliance on these forward-looking statements which are based on the current view of management on future events.

Segment	Middle Class	Mass Market	Mass Market	Mass Market
Authenticity	✓	✓	✓	Possibility of counterfeit goods

Why outlet is generally not impacted by e-commerce

- Product mix - per transaction via online platform ~ RMB200 vs per transaction at the outlet malls ~ RMB800/1000 => minimal product overlap
- Economics – online sales of outlet brands incur ~ 20% commission vs 10-16% commission at the outlets.
- Authenticity – 10X penalty / reward for selling by merchants / reporting by customers, of fake goods ensure no fakes goods at outlet
